## From the Principal

### Welcome back to school for 2015

Hello everyone and welcome back to the new school year. The weather has been much kinder than last year and I am pleased to announce that all students have settled well into the routine of school life.

A special welcome to all our new students and families! I am confident that they will enjoy being a part of the Myrtleford P12 College community. We started this year with 20 excited Prep students. As parents we know that starting school is an exciting time and that it can also be exhausting. I am proud to say that they have handled the excitement and transition into primary school very well. We also welcomed 25 new students who have enrolled with us across the other year levels. Our college continues to grow and we will have over 280 students enrolled this year.

I have spent a lot of time talking to students and visiting all classrooms during the past few days. It is pleasing to see almost all students are in full school uniform and there is a definite sense of calmness, order and enthusiasm. Well done to all our students and their families for a great start to the year.

### Welcome to New Staff

I would like to welcome three new staff to the College for 2015. Ms Narelle Bridgfoot replaces Anthea Scott who is on leave for this year. Narelle will be teaching Year 11 and 12 Psychology. Ms Kris Evgenidis also joins us and will be teaching Year 11 Geography, Accounting and Legal Studies. Narelle and Kris come to us with a wealth of teaching experience in a variety of schools in Victoria. Claire Stock joins the staff as our new Laboratory Assistant replacing Kath Morgan who has moved to the library on a full time basis. We would like to welcome Narelle, Kris and Claire to the Myrtleford P12 College staff and look forward to

working with them as we continue to develop the best possible learning environment for our students.

Cheryl Perkins is also on leave for the year and we farewell Faye McLees who retired at the end of last year. Faye was excitedly looking forward to relaxing and spending more time with her family. We wish her all the best in her retirement.

### New Leadership Structure

We have made some adjustments to the College leadership structure for 2015. I would like to congratulate Adam Lindsay on his Leading Teacher appointment and welcome him to the leadership team. The Leadership Team of the College will comprise the three leading teachers, the Assistant Principal and the Principal.

The leadership structure at the college is outlined in the table below.

<b>Principal – Zlatko Pear</b>	
<b>Assistant Principal – Barry Holden</b>	
<b>Curriculum Leader – Deb McKinnon</b>	
<b>Prep to Year 6 Team</b>	
<b>Team Leader</b>	Adam Lindsay
<b>Team Assistant</b>	Marissa Connors
<b>Team Assistant</b>	Philippa Cartwright
<b>Year 7 to Year 12 Team</b>	
<b>Team Leader</b>	Jenni Gardner
<b>Team Assistant</b>	Amanda Barron
<b>Team Assistant</b>	Jo Milford
<b>Team Assistant</b>	Sarena Roso
<b>Careers &amp; Applied Learning</b>	Mick Dwyer

If you have any questions or concerns regarding any aspect of your child's education please contact the college and ask to speak to the relevant person from the leadership list.

### Capital Works Program

The school has recently appointed Jovaris Westland Partners as the Architects for the 2.5 Million dollar capital works project. We are meeting with them on Friday the 6<sup>th</sup> of February to begin discussions around the teaching and learning requirements of the school for the midterm and long term future. We know we require more learning spaces and we have already identified some “must haves” in the form of Home Eco room, toilets, and flexible learning spaces.

The demolition of the old secondary wings must be completed by the end of this financial year (June) with the building project commencing shortly after that. Stay tuned for updates around our project.

### Year 7 and 9 netbooks

Our netbook program for 2015 will commence shortly with the purchase of 50 netbooks for our year 7 and 9 students. We will notify students and parents within the week regarding the arrangements.

## PREP – 6 NEWS

### A Great Start to Term 1 2015

I wish to extend my welcome to all the parents and carers of our Prep to Year 6 students. The students have come back to school enthusiastic and ready to learn! Teachers are already implementing quality teaching and learning programs aimed at assisting your child to achieve their very best while they are at school.

### College Uniform

It has been awesome to see the way the majority of students have come back to school in their full school uniform and they are looking fantastic! We want to ensure that all our students look their best throughout the year and we appreciate all your help in supporting us in this.

To avoid any confusing messages, the **Myrtleford P-12 College Dress Code** is as follows:

#### *Both boys and girls*

- Polo shirt with stripe collar and College logo, in either red or white. It is available in long sleeves for the junior students
- Polar fleece jacket with College logo in either red or black
- Knit V-neck wool blend jumper with school

stripe and logo

- Black pants, or shorts with College logo
- Black Broad brim hat with logo to be worn in Terms 1 & 4
- Black, leather school shoes

*Girls also have the option of wearing.*

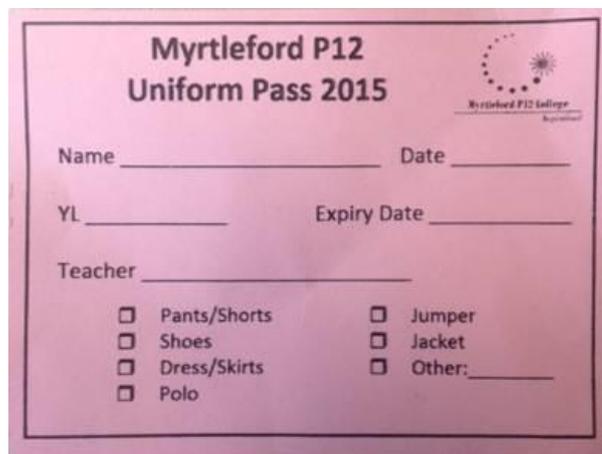

- Winter tartan Pinafore (junior students only)
- Winter tartan skirt both senior and junior students
- Black opaque tights may be worn with winter skirt or pinafore
- Summer dress

*Sports uniform*

- Red and white top and black shorts, with logo, Years 5 –12 only.

Our College uniform, including sports uniform, is available to purchase from Cartwright Fashions, 67 Clyde Street, Myrtleford.

If for any reason your child cannot be in full school uniform for a short period of time (damaged, lost, left at a friend's place, etc.) then please provide the class teacher with a note, the reason and the expected time frame before the matter can be resolved. The class teacher can then issue your child

The image shows a pink 'Uniform Pass' form for Myrtleford P12 College. The form includes fields for Name, Date, YL, and Expiry Date, and a section for Teacher. There are checkboxes for various uniform items: Pants/Shorts, Shoes, Dress/Skirts, Polo, Jumper, Jacket, and Other. The Myrtleford P12 College logo is visible in the top right corner.

with a ‘Uniform Pass’ (PINK SLIP).

### Student Management in the Junior School

Myrtleford P-12 College is always looking for ways to encourage students and acknowledge positive behaviour. We want all our students to be exhibiting the College Values of **Being Respectful, Being Responsible, Being a Responsible Community Member and Being Safe.**

Class teachers have already started handing out 'Great Student Behaviour' cards (GREEN CARDS). These are aimed at acknowledging students when they make great choices at school. Each green card gets placed in a box in each classroom and each teacher draws one out for their class during Monday's morning assembly. The winner from each class is presented with a canteen voucher.

Two students from each class also receive a special award during our Friday Assemblies. These awards are aimed at encouraging students who display the College Values while at school. More information about Friday assemblies will be coming home over the coming weeks.

In the event where a child is not displaying the College Values and are making unsafe or unhelpful choices in the classroom, the class teacher may send a child to a Buddy Class to allow for some reflection time. Once the child has had some time to think and evaluate their behaviour, they may return to class and continue with all the great activities and learning that the teacher has planned.

If the child struggles to correct their behaviour the teacher may refer them to me using a 'Referral to Team Leader' card (YELLOW CARD).

Once a child has been referred to me I spend some time conferencing with them about their behaviour and their choices and we start to plan some goals on how to move forward. Parents

will normally be notified that this has happened so that we can all work together on moving forward to positive outcomes.

In the extreme case where no real improvement is noticed over a period of time and a student continues to make poor choices after targeted support (or where high level unsafe or illegal activity occurs) a child may receive a 'Referral to Assistant Principal' card (RED CARD). Thankfully not many of these cards have been used. Parents would normally be well informed of processes already happening in the school to support their child's behaviour before a RED CARD is issued.

If a RED CARD is given without some prior communication with the parents it is usually because it was extremely unsafe or illegal, in which case the school needs to act responsibly and appropriately to ensure that all the students in the school are respected and cared for.

I look forward to working with you to ensure that your child has a safe and productive year at Myrtleford P-12 College. If at any time you feel that this is not occurring, please make an appointment to see your child's class teacher to discuss it. I am also available to talk if you have any questions or concerns.

Kind regards

**Mr Adam Lindsay**  
P-6 Team Leader

**Prep to Year 5 students...**

It has been great to welcome Prep to Year 5 students back to the Art room. I look forward to working alongside students again throughout 2015, to explore, design and create together. I hope to provide a 'window' into our Art adventures by showcasing a little of what we have been up to in the College newsletter each fortnight. Look out for this 'Art Splat' spot to glimpse our budding, young artists!

## 7-12 NEWS

### 7-12 College Contacts

This year we have a slightly changed structure. We are in the process of putting together a 'welcome package' for each family. In the meantime, the preferred contacts for teachers in years 7-12 are as follows:

Year 7-8 Amanda Barron  
([barron.amanda.a@edumail.vic.gov.au](mailto:barron.amanda.a@edumail.vic.gov.au))

Year 9-10 Jenni Gardner  
([gardner.jenni.j@edumail.vic.gov.au](mailto:gardner.jenni.j@edumail.vic.gov.au))

Year 11-12 Sarena Roso Tues/Wed/Fri  
([roso.sarena.s@edumail.vic.gov.au](mailto:roso.sarena.s@edumail.vic.gov.au)) or Jo Milford  
Mon/Wed/Thurs  
([milford.joanne.@edumail.vic.gov.au](mailto:milford.joanne.@edumail.vic.gov.au))

Alternatively, if you wish to arrange a time to speak with any of the staff, please phone 5752 1174 and organise a time.

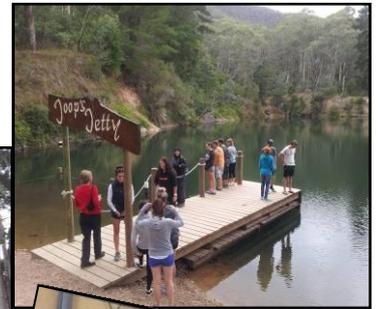

### VCE Information Session

Next Wednesday, 11<sup>th</sup> February at 6.00pm in the SLC (Mummery Rd), the 7-12 Team will hold a VCE Information Session. This session will be especially important for parents/families new to VCE and we will cover the requirements of the VCE and attempt to answer any questions. Students and parents are most welcome to attend. Please contact Jenni Gardner ([gardner.jenni.j@edumail.vic.gov.au](mailto:gardner.jenni.j@edumail.vic.gov.au) or 0428 273 231) if you have any queries.

### Senior Camp to Harrietville

The first two days of this term our V.C.E and V.C.A.L. students had the opportunity to attend a camp at Feathertop Chalet in Harrietville. The two days were spent discussing the challenges they might face in their senior studies, and beyond, as well as developing strategies to deal with the demands of the coming years. Along with these serious topics there were also many giggles and regular snacking to be had. Overall a worthwhile experience for all involved.

Many thanks to Sarena Roso, Mick Dwyer and Rosemary Bunge for staying overnight and to Narelle Bridgfoot, Krys Evgenidis, Inga Hanover, Zlatko Pear and Jo Milford for coming up to Harrietville during the camp.

## Health Corner with Adolescent Health Nurse Rosemary Bunge

Welcome back to school everyone and hope your holidays were great.

Some important things to remember in term 1 are

1. To be sun smart
2. To keep well hydrated

Myrtleford P-12 College is a Sun Smart school. This means hats must be worn when outside during terms 1 and 4. This is a very important part of Sunsmart and reducing the risk of sun damage and future risk of skin cancers. Slip on a shirt, slon on sunscreen, slap on a hat, seek shade and slide on sunglasses is still the message from the cancer council and worth remembering both at school and away from school.

During summer it is extra important to stay well hydrated with our higher temperatures. Water is best and students are encouraged to carry water bottles at all times.

Your brain is 76% water, staying well hydrated at school can help fight off fatigue and headaches.

### 6 more reasons why water is so important

**Drinking Water Helps Maintain the Balance of Body Fluids.** Your body is composed of about 60% water. The functions of these bodily fluids include digestion, absorption, circulation, creation of saliva, transportation of nutrients, and maintenance of body temperature.

**Water Can Help Control Calories.** For years, dieters have been drinking lots of water as a [weight loss](#) strategy. While water doesn't have any magical effect on weight loss, substituting it for higher calorie beverages can certainly help.

**Water Helps Energize Muscles.** Cells that don't maintain their balance of fluids and electrolytes shrivel, which can result in muscle [fatigue](#). "When muscle cells don't have adequate fluids, they don't work as well and performance can suffer."

**Water Helps Keep Skin Looking Good.** Your skin contains plenty of water, and functions as a protective barrier to prevent excess fluid loss.

**Water Helps Your Kidneys.** Body fluids transport waste products in and out of cells. The main toxin in the body is blood urea nitrogen, a water-soluble waste that is able to pass through the kidneys to be excreted in the urine.

When you're getting enough fluids, urine flows freely, is light in color and free of odour. When your body is not getting enough fluids, urine concentration, color, and odour increases because the kidneys trap extra fluid for bodily functions.

**Water Helps Maintain Normal Bowel Function.** Adequate hydration keeps things flowing along your gastrointestinal tract and prevents [constipation](#).

**Thought for the week:** To keep the body in good health is a duty... otherwise we shall not be able to keep our mind strong and clear. *Buddha*

# 3 big changes to the vaccine program in 2015

*Information for parents of secondary school students*

1. The local council immunisation service may contact you about the school vaccine program. Schools have been authorised to provide parent contact details to local councils for this purpose. Contact your school by 28 February 2015 if you do not want your contact details given to local council.
2. In 2015 only, the vaccine that protects against diphtheria, tetanus and whooping cough will be offered to all students in Years 7, 8, 9 and 10. From 2016, this vaccine will be offered to Year 7 students only. This will provide earlier protection from these diseases.
3. The time-limited human papillomavirus (HPV) vaccine catch-up program for Year 9 boys was completed in December 2014. HPV vaccine will continue to be offered to all Year 7 students (male and female) from 2015 onwards.

Look out for the vaccine consent form/s coming home from school with your child. You need to read, complete and return the form/s.

To learn more about the changes, the diseases, the vaccines, or how you can prepare your child for vaccination go to [immunehero.health.vic.gov.au](http://immunehero.health.vic.gov.au)

**Dates:** Trials will be conducted by Cricket Victoria Region Managers during March 2015. Your regional trial date will be confirmed with you by your Cricket Victoria Regional Cricket Manager after the nomination period closes.

**Nominations:** All nominees **must** be nominated by their school.

**The SSA Championships offer gifted and talented students** the opportunity to participate in higher levels of sporting competition against students from other Australian states and territories.

You can view further trial information regarding the nomination process for each sport re. dates, times, venue, age eligibility, nomination closing dates, trial fees and Championship venue and dates - by clicking on the respective links under the Team Vic tab. Please note that participation in SSV Team Vic state teams is self-funded, so students will be required to contribute to the costs of being a member of a team. Costs include host state and administration levies, uniform, flights, transport, accommodation and meals. As a guide, it may cost approximately \$1,500 - \$2,500 dependent on the location of the championship.

Students must fully register before attending trials and hand into the relevant SSV Team Vic Team Manager the signed form (ie. Signed as required by the parent / guardian and a School Principal of the school the student attends that is affiliated with School Sport Victoria NB. the form is received on completing the registration fully).

Students registering for trials are indicating that they will be in attendance at all trials unless otherwise informed. Team training schedules will be available at the trials and team training is generally held on weekends or during school holidays.

**If your child is in Year 4, 5 or 6 and plays competition cricket and is considered a very strong player, please contact Sharon Antonello by Tuesday February 10. Further information will then be provided.**

**Weekly Specials** – Please keep a check in the newsletter for weekly specials and new food items that are available.

When Placing an order, please use a paper bag,( otherwise there is a 10 cent charge). Write your name and class on the front, place money inside and fold the bag. There is no need for sticky tape or staples. Any change will be put back in the bag and returned to the child. Orders can be placed for recess and lunch, and is encouraged as we can only keep a limited amount of extra food.
