A few words from the Principal...Zlatko Pear

College Priorities for 2016

Last year our College went through an extensive review process involving two independent reviewers spending four days at the College. During their time here they examined our learning data, spent time observing classes and interviewed groups of students, parents and staff. The reviewers then produced a report detailing their findings. An example of one of their findings was;

“The College has made significant progress over the last three years in improving the level of engagement of students, their learning outcomes, their behaviour and attitudes to the College, and the general opinion of the local community towards the College.”

This is positive recognition of our work and is a credit to our students, parents and staff. However, great schools are always assessing their practices and striving for continuous improvement. They also have a productive and trusting relationship between school, home and the wider community. Our children deserve a great education and it is our collective responsibility to make sure we continue to improve so that we can provide them with the best possible environment conducive for learning.

As part of our continuous improvement cycle our priority areas for this year will to be;

- To continue to improve student learning (particularly numeracy and literacy).
- To further develop a whole College culture of high expectations.
- To enhance the wellbeing of all students in the school.
- To build a leadership structure which empowers staff to lead and implement change.

Myrtleford Festival – College Float

Our College will again be involved in the parade at the Myrtleford Festival next weekend. We look forward to having as many students as possible participating. This year the theme will be ‘Then and Now – Now and into the Future’. We will be meeting at 3:30pm on Saturday 12th in Duke Street, near the large tree in the Pre School car park. The pick-up point at the conclusion of the parade will be the grassed area at the rear of Coles car park. Students are invited to dress up as tobacco farmers, hop farmers, truck drivers, mill workers, timber workers, etc. All students must wear a hat.

College Council Representation

As you would be aware elections for parent representatives on College Council concluded this week. I would like to congratulate Jo McIntyre, Romina McEwan and Susan Crisp who successfully renominated for second terms. I would also like to welcome Ladeane Lindsay to council as a staff representative. The first meeting of the new council will be held on Wednesday 16th March.

Our College Council for 2016 will be as follows:

Zlatko Pear -Principal	Dallas Lyons -Parent
Barry Holden -Assistant Principal	Peter Gunson -Parent
Ladeane Lindsay -Staff	Matthew Hines -Parent
Deb McKinnon -Staff	Jo McIntyre -Parent
Bernadette Hays -Parent	Romina McEwan -Parent
Susan Crisp -Parent	Michael McGurgan –Parents Club
Melissa Brown -Parent	Lawrence Neal -Friends of P12 College

OUR JAPANESE ADVENTURE

Day 1: On our arrival at Narita airport we had a six hour bus ride to Hakuba. It included many interesting lunch stops with various crazy vending machines and heated toilet seats in the bathrooms. Our first experience with dinner was very different; we had assorted traditional Japanese cuisine. We used chopsticks every night and are now experts.

Our hotel room was a mix of traditional Japanese and Western Style. There were two single beds and a Japanese Futon. As for the bathroom it was the size of caravan bathroom and we hit our knees on the sink as we stepped into the bath/shower.

Day 2: Our day started at 6:30; we put our gear on and headed down for breakfast at 7. Then we walked off to Happo One for our first lesson. On the first lesson the snowboarders spent the majority of the time on the ground. Our instructors were very nice and we would like to thank them all for taking the time to teach us.

We finished on the slopes at 4pm and headed back to the hotel, very tired and sore. Most of us tried out the Onsen, the Onsen is like a community bath with naturally heated water and a couple of rules. Before you get into the Onsen you must have a shower and wash yourself all over, after that you were to put your hair up in a bun so it would not touch the water in the bath, after you had washed yourself and put your hair up you were allowed to enter the Onsen.

Day 3: On day three we spent the morning in snowboarding and skiing lessons. Our skills improved and we could go falling leaf style down the mountain. We could now partially get off the ski lift without falling over each time and the snow was amazingly soft.

After our lessons had finished a couple of girls went up the gondola with Kate Sanderson and Amanda. We visited the 1998 Nagano Olympic starter Hut. We took an amazing 'Toyota jump' photo.

On our way back we had a hot chocolate in a can from a vending machine! It came out hot!!

OUR JAPANESE ADVENTURE ...continued

Day 4: Most of us took the opportunity to have a third lesson, and we started to learn how to turn. We took the Gondola up the top of the hill again and we really appreciated the incredible view.

Day 5: On day five we went to Goryu and spent most of the day in the fog with little to no visibility of the people in front of us. The snow was a lot more powdery on top of the mountain! Then it was Karaoke night!! We had the best dinner ever, where we had to cook our own food and were given other side dishes as well. When it got to karaoke most of the girls did the singing while the boys sat there and watched. The highlight of the night: Georgia busting out the beats and singing Cherry Bomb!

Day 6: On day six we went to Iwatake and got to see more amazing views, and we were able to ski and snowboard independently on intermediate runs in small groups. It was the most amazing feeling to go from the top of the mountain all the way to the bottom!

Day 7: We visited the Snow Monkey Park. There was a 2km walk into the park but every step was well worth it when we arrived at the monkeys. There were monkeys of all sizes. Super cute babies being cuddled by their mothers and they were all eating hungrily. We spent so long at the monkeys that we were behind schedule and had a quick stop at the temple. The buildings were amazing, one was 3,000 years old and it was so beautiful.

It was a long trip home. First a six hour bus trip then catching a plane home. We had a nine hour flight to the Gold Coast where we spent six hours waiting in the sweltering airport. We then proceeded onto a two hour flight to arrive at Tullamarine airport in Melbourne. We were definitely excited to be home. But it was well worth it!

We would like to say a huge and amazing thank you to Bron, Mrs Milford, Mrs Nyhan, Kate Sanderson, the parents and everyone else involved in the trip.

By Jess Martin, Austin Stone, and Caitlyn McKinnon

COLLEGE ANNOUNCEMENTS

PRIMARY SCHOOL CAPTAINS

Congratulations to Liam Morgan and Amy Gunson who have been elected by their peers as Junior School Captains. Also Declan Barratt-Hassett and Ashlyn Buckley as Vice Captains.

Candidates were required to make a speech in front of the P-6 students as part of their election process.

The students were presented with their badges at the Whole School Assembly on Wednesday last week. Congratulations!

JUNIOR SCHOOL SPORTS HOUSE CAPTAINS

Barwidgee

Captains: Declan Barratt-Hassett and Hugo Cusack, and Adella Daly.

Vice captain: Ashlyn Buckley

Buffalo

Captains: Tom Crisp and Molly Brock

Vice: Ezra Greatorix and Breanna Novak

Ovens

Captains: Liam Macgowan and Lani Cousins

Vice: Liam Morgan and Amy Gunson

SENIOR SPORTS HOUSE CAPTAINS

BARWIDGEE

Captains: Sharn Miller and Rhys Grant

Vice Captains: Keira Schaefer and Kyle Linklater

BUFFALO

Captains: Grace Pear and Isaac Black

Vice Captains: Leah Orton and Cody Poulton

OVENS

Captains: Jessica Martin and Sam Morgan

Vice Captains: Lucy Anderson and Tom Scott

OVENS WINS THE 2016 HOUSE SWIMMING SPORTS

Students had a terrific day, demonstrating great sportsmanship and behaviour. Students were enthusiastic in their approach to all events and encouraged each other in their endeavours. Congratulations to Ovens, the overall House winners for the day, with only three points separating 2nd and 3rd place getters Buffalo and Barwidgee.

Adela Daly and Hannah Pear were the recipients of the Sportsmanship awards- these two students assisted junior students, cheered and encouraged others and demonstrated great sportsmanship all day.

6L Science with Mr Cohen

In Science last week 6L held their lesson over in the Science Lab to look at whether the density of water is affected by heat. Students worked in groups to join test tubes filled with water to see if the temperature of the water affects its density. The water was coloured to help identify the type of water it was.

They had to test the following scenarios:

- Hot water on top – Cold water on the bottom
- Cold water on top – Hot water on the bottom
- Cold water on top and bottom

After conducting their experiments, the students were able to see that heated water is **LESS DENSE** than cold water as the hot water wanted to remain on the top. Water that was the same temperature mixed together.

They also conducted a quick test to see if a solid, liquid or gas could be **COMPRESSED**.

Here is what we found:

Nathan found that a liquid **CANNOT** be compressed

Shanae found that a solid **CANNOT** be compressed

Jordan found that a gas **CAN** be compressed

Grade 2 Science

Carefully pouring dirty water through the filter

This term in Grade 2O and 2L we have been looking at water and how it acts as a life resource. Last Tuesday, students spent their afternoon in the science lab creating water filters using plastic drink bottles and natural materials. Students had to predict what would happen and explain how the dirty water became clear.

Miss O'Donohue

Writing down the findings

All working well

Other College Announcements

If you're interested in leading positive change within our school and developing your leadership skills then you should join our 7-12 leadership team. The leadership team meets every fortnight and discusses fundraising, excursions, events and any issues raised by members.

If you are interested in joining our team please speak to our College Captains and Vice Captains.

Captains

Chloe Sinnett and Sam Forbes

Vice Captains

Rochelle Jupp, Lucy Anderson and Tom Scott

PARENTS CLUB NEWS

FREE FROZEN FUN

We arranged a free icy pole giveaway to help students and staff cool off during this hot term. It was marvellous to have willing help from senior students Lucy Anderson, Isaac Black, Sharn Miller, Keira Schaefer, Grace Pear and Bailey Stone. The junior students adored the interaction with the big kids, too!

**Next meeting for
Fete Planning:
Thursday 17th
March at Café Fez
9am**

2ND HAND UNIFORM

There are plenty of bargains available at the Front Office, particularly some winter items and plenty of free red polo shirts. Parents Club gladly accepts donations of gently used school clothing - this is another way we raise funds to subsidise students' excursions and fun activities.

BIG WALK

Do you get tempted by too much chocolate at Easter? Overcome the guilt by doing the Big Walk on Saturday 26th March. This is a beautiful 11km hike up Mount Buffalo along a marked track. Parents Club supports walkers along the route with water, fruit, soup and a BBQ lunch, as well as provide a shuttle bus to bring walkers back down the mountain. We need volunteers before and during the event to help marshal walkers, prepare food, publicity and more. The Big Walk is a major fundraiser for the school so please spread the word that it's on and get involved.

**The Big Walk is 11.3km from Eurobin Creek Picnic Area to the Chalet
4-5 hours walking (one way) with return bus provided
Walk starts 9-10am at Eurobin Creek Picnic Area at base of Mt Buffalo
Hydration & fruit stations along walk plus soup & BBQ lunch at the top
\$15 Adult or \$25 Family
Supporting Myrtleford P12 College Parents Club
Info & Registration 0438 403 068 or [Facebook.com/The Big Walk](https://www.facebook.com/TheBigWalk)**

MEET US!

We recently held our AGM so a continuing thank you to Bernadette Hays for her exceptional efforts as Secretary and Shantelle Triffit for taking the role of Vice President, and to all the other parents and families who help out. Appreciative nod to Wendy Pell in the Office for managing our finances. Our first meeting for Term 2 will be 9am Friday 15th April in the staffroom.

Claire Stock

Health Corner with Adolescent Health Nurse Rosemary Bunge

Blood bank

Preparations are underway for our first blood bank drive of the year with some staff donating last night. Miss Ash (pictured) made her first donation, well done Miss Ash. Students are booked for Friday March 18th. Remember 1 in 30 will need some type of blood product during their life time however only 1 in 30 donate. If you would like to become a donor our closest blood bank is Wangaratta, you can call for an appointment or further information on **13 14 95**

Myrtleford Lodge Visits

Our visits to Myrtleford Lodge Aged Care are about to commence this Friday. Year 9 students have been offered the opportunity to participate in this program during their Big Picture class. We will visit weekly and work towards a shared vision to produce something for the Lodge and the school. Ideas we have are life stories, artwork and a 2017 calendar. This is a wonderful community service opportunity that was well embraced by last years VCAL and MCAL students, with some great work experience opportunities also coming to our students.

Quote of the week:

"A laugh is a smile that bursts. Do something great for yourself- LAUGH"

Breakfast Tuesdays

Breakfast is off to a flying start, with big numbers attending each week and lots of smiles happening. I have some very enthusiastic student helpers which is great. Remember breakfast is free to all students P-12 and staff every Tuesday morning from 8.20am in the canteen. All you need is a smile, so see you there.

Parent Immunisation Information

Year 7 immunisation

The Secondary School Immunisation Program aims to ensure that students and communities are protected from diseases such as diphtheria, tetanus, whooping cough, human papilloma virus and chicken pox. Schools distribute the vaccine consent forms and **local council** delivers the program free of charge to all Year 7 students at school.

The Secondary School Nurse Program supports this government initiative and the school Adolescent Health Nurse will be facilitating education and information workshops to all Year 7 students before the Immunisation Program commences this year.

Research demonstrates that immunisation saves lives and makes it possible for Victorians to live free from the illness and disability caused by many infectious diseases. The adverse and allergic reaction rates for these immunisations are extremely low and students will be monitored by staff following their immunisation to further safeguard this. It is normal to have some redness or swelling at the immunisation site, but this is only temporary.

Your student will bring the vaccine consent form home from school so please keep a lookout for this form and return the signed consent form to school by the return date, whether your child is being immunised at school or not. If you have any further queries please contact the Immunisation Department of your local council or online at <http://immunehero.health.vic.gov.au>
