## A few words from the Principal...

### Myrtleford Festival – College Float

I hope everyone enjoyed the Festival Parade on Saturday as much as I did. It was a fantastic community event! I was very proud of the number of students and staff representing our college. Our walking float was a great success with over fifty excited students and numerous staff taking part. The students looked fantastic in their costumes representing the progression of local industries over the years. We were the largest and most colourful float in the parade. The judges obviously agreed, awarding us the first prize in our category.

Once again, I received lots of positive feedback from community members about our students and how good they looked in their outfits. A very big thank you to Philippa Cartwright who spent many, many hours making the props and organising the students and staff during the day. These added colour and excitement to our float. Thank you also to all the staff who volunteered their time to attend.

Photos of the parade are included in this newsletter. Well done to all involved.

### Learning Conferences

Progress reports for Term One will be sent home early in the first week of Term Two. Parent/Teacher Learning Conferences will be held on **Wednesday 20<sup>th</sup> April** (Second week in Term Two). All parents and guardians are urged to attend Parent/Teacher Conferences. We value your input and stress the importance of the home and school partnership. In order to maximise the value of these sessions it is important that students are also present.

### 2018 AFL Premiers visit Myrtleford.

On Tuesday our Year 3 to 6 students attended a football clinic with St. Kilda footballers. The students were involved in a number of training drills and then had the opportunity to ask the players questions and have items autographed.

### End of Term One

Next Thursday 24th March is the last day of the term. Students will be dismissed at 2:30 pm on that day and classes will resume for Term Two on Monday 11th April. As this is the last newsletter for the term, I would like to wish all our families a safe holiday period.

*.....Zlatko Pear*

# Myrtleford Festival Parade

The theme of this years festival was **BACK TO THE FUTURE** and in keeping with the theme and acknowledging the original Tobacco and Hops Festival our College paid a tribute with a trilogy about agriculture and industry in our valley.

### The First Banner-- Once Upon a Time

The Golden Leaf and all who farmed the tobacco which brought great prosperity to our valley.

### The Second Banner---Then and Now

The Timber and Hops industry.

### The Third Banner---Now and Into the Future

Amongst the beautiful Autumn Leaves we harvest a diverse agriculture. The last banner was our P-12 College banner.

*Mrs Philippa Cartwright*

## Myrtleford P12 College

### Winner of the "Most Creative Entry"

# Year 3C reflections on Howman's Gap...

Last week, 3C and 4M went to Howman's Gap from Wednesday to Friday. Students participated in a variety of team work and resilience building activities like rock climbing, high ropes, challenge trail and orienteering. This was a fantastic camp, which was enjoyed by all. A big thank you to the staff at the YMCA and Mrs Howell and Mr Crisp for helping out at the camp.

*Mrs Connors*

**Group 1**

Our favourite activity at camp was archery. Our group learnt how to use a bow and arrow. Our favourite food was the hot dogs and lamb. We enjoyed our camp.

**Group 2**

We enjoyed all the activities we did. It was an extraordinary experience. The helmets we used for our activities were called 'brain sucking squirtles'. Our favourite activity was the challenge trail. Zoe fell in head first into the creek. There was extraordinary food.

**Group 3**

Our favourite activity at camp was the challenge trail, the giant swing and bush art. The food was delicious. We had for dinner lamb, roast potato, pasta, soup, salad and bread rolls. For lunch we had hot dogs and bread rolls. For breakfast we had eggs, beans and bacon.

**Group 4**

At camp our favourite activity was the giant swing, but Selena's favourite was the high ropes. We also liked the challenge trail. It was muddy. Our favourite food was pasta and our favourite dessert was apple crumble with custard. Our teacher was Mrs Howell and our favourite instructor was Dave. We watched Surf's Up and went to bed at 10 o'clock.

## Year 4's Report on the Howman's Gap Camp

On the 9th of March, we went to Howman's Gap. When we got there, we had lunch. After lunch we played a game called Evolution. Then we went to see our rooms. After that we went on the high ropes where nearly everyone went all the way up the ladder and climbed across the log and touched the tree. Even Mrs Connors did it and she was terrified! But she still went all the way across the log. Getting down was scary because you had to walk back to the middle and jump backwards!

*Kade, Hayden, Sharmane, Alex and Clancy*

We started by doing the Giant Swing. It was scary but fun. The annoying part was putting on the harnesses because you get a massive "wedgie". You can go extremely high.

Next we did bush art. It was amazing. Pas made 'Jeff Bob' and a big fat house. We had to pick up things off the ground such as dead leaves and sticks. It was fun.

The next day we did orienteering. We went into groups and whoever found the most letters was the winner. It was hot but we enjoyed it.

*Pas, Catie, Hari, Ryan and Lodi*

Camp at Howman's Gap was amazing. Group three enjoyed the second activity which was the Giant Swing. Gen screamed her head off. It was funny when Andrew sang 'I believe I can fly'. Ethan liked how high he went. Jack had no idea what to pull because there was a big rope and a small rope. Matilda had a big smile on her face even though she felt like she was going to vomit. Everybody had to pull the rope. It was so much fun.

*Matilda, Genavieve, Ethan, Jack and Andrew*

### THE CHALLENGE TRAIL!

At camp, Group four had an amazing time on the Challenge Trail. The first activity on the Challenge Trail was really difficult. We had two materials to use to get across the little creek. The two materials were rope and a metal plank. We did it by tying the rope to the end of the plank and slowly lowered it across the creek. It took for ages but we finely figured it out.

The next challenge on the Challenge Trail was not as difficult. Ethan Jenkins was the first to swing on the Tarzan Swing across to the other side which was imaginary Tasmania. Then it was Ava's turn and she did it easily but nearly fell off. We were not that successful but we all got across.

We ran as fast as we could to the next challenge thinking it would be easy. But we thought wrong! There was six stumps across a swamp. We had three pieces of wood to do real life dot to dot. We lay the logs down and everyone walked across. We then realized that we needed another 2 logs. We all got so annoyed and all fell in. We got so muddy but finely figured out how to do it. Jake and Summer were the first to get across. We did this by taking a couple of people at a time. Wil fell in five times! The worst fall was Wil landing on his back in the swamp. After we had all done this we were late for dinner.

Dinner was mouth watering! They are such good cooks. We had used so much energy we went back for seconds. After dinner we had a delicious desert of apple crumble and custard.

*Ava, Wil, Ethan, Codie, Jake and Summer*

## Halogen Leadership Conference 2016

On Wednesday 2<sup>nd</sup> March, the Year 6 Captains and Vice Captains (Liam Morgan, Amy Gunson, Declan Barratt-Hassett and Ashlyn Buckley) went down to Melbourne for the National Young Leaders Day (Halogen Conference). We heard some guest speakers talk about leadership.

Here is what the students had to say:

*I enjoyed the Halogen Conference, especially one of the speakers who won the World Poetry Smackdown. He had a more interesting and intriguing way of teaching and informing us about leadership.*  
– Liam Morgan

*I liked Henry Baker, the poet who won the World Championship for Poetry Slam. He presented two poems, 'Bumble Bee' and 'Paper People'. The 'Paper People' poem was amazing. He stated his opinion in it and added heaps of alliteration which sounded amazing. It went for a bit longer than 'Bumble Bee' but it didn't get boring at all.* – Amy Gunson

*My favourite part of the Halogen Conference was listening to the poet read out his poems. He was amazing! The poems made sense to me and he was very inspirational. He made me want to write my own poems and made me want to try new things.* – Declan Barratt-Hassett

*My favourite part of the Halogen Leadership was meeting new people and leaders. I also liked learning how they got to where they are now. I especially liked the positive words like, 'Never Give Up' and 'Keep Trying'.* – Ashlyn Buckley

### Amy made the final at Hume Regionals!

On Wednesday I went to Shepparton for a swimming competition. I made it to Shepparton from the previous competition last Tuesday in Wangaratta, where I got second in the 50m butterfly. There were two heats. I got second in my heat which put me through to the finals. At the finals I got fifth overall with a time of 42:19 seconds. The person that got first went through to Melbourne to swim. It was a really fun day.  
*Amy Gunson*

### St Kilda Footballers visit to Myrtleford

## VCE Geography Field Trip to Winton Wetlands

On Monday March 7th the VCE Unit 3 Geography class travelled to the Winton Wetlands for a field trip. The purpose of the trip was to gather primary and secondary source data on the change in land use at the site. There have been three major land use changes at the site. Firstly the site was used as productive farmland, both cropping and grazing. The site was then compulsorily acquired by the government to house the Lake Mokoan irrigation water for Shepparton fruit growers. This also provided a number of recreational opportunities for the Lake users. The third change involved the decommissioning of Lake Mokoan, allowing for the Winton Wetlands Conservation site to develop.

The class was lucky to have a tour of the site by Mr Leigh Humphries. Mr Humphries grew up on a farm at the Winton Wetlands conservation site. His family had their farm acquired for the production of Lake Mokoan and he had first hand knowledge of the process of having to leave his home, and then watching the construction of Lake Mokoan and later, the decommissioning of the site.

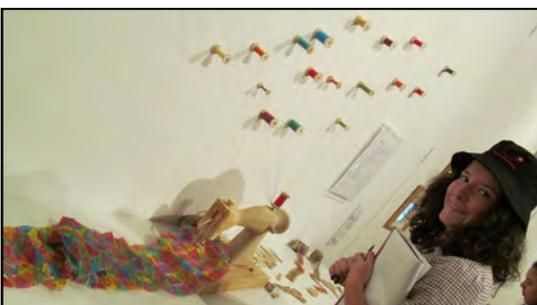

Students were able to take photographs of the area and complete other geographical data gathering. This assignment will be continued in the coming weeks to include a talk with the Winton Wetlands Conservation group, to discuss the latest use of the site.

*Krys Evgenedis*

## Years 9-12 Art Excursions

On Friday 11 March a combined group of textiles and Studio Arts students visited the Wangaratta Gallery to view the current exhibition of contemporary textiles from the Tamworth Triennial show. Students were given a talk about how the show comes together, installation challenges and the role of the curator in a gallery setting. The trip was subsidised by the Wangaratta Art Gallery.

Thanks to Trish Bardoe for accompanying us.

On the following Monday, the Studio Arts students had a subsidised trip to Melbourne to visit three separate galleries and shows. This was organised by the Australian Centre for Contemporary Art, as part of a special program for rural students. Our first stop was at a commercial Gallery, **Sarah Scout Presents** in Melbourne's CBD, followed by a look at **Westspace** to

hear how an Artists Run Initiative differs from a public or commercial gallery. The students were then given an extensive tour and lecture of the current challenging exhibition at Australian Centre for Contemporary Arts which showed the work of eight of the top young contemporary artists in Australia. The session ended with a practical collaborative art activity. Thank you to all the students for their exemplary behaviour and the positive way in which they represented our College.

*Miss Inga Hanover*

## Other College Announcements

### EARLY LEARNING IS FUN (ELF) PROGRAM

Dear Parents/Caregivers

Over the holidays could you please sort through any books you have at home and then please donate any unwanted books that are suitable for early readers to our ELF program at school.

By *Breanna and Riley*

We would like to have some more books to use in our ELF program to encourage more young children to enjoy reading books.

By *Jai*

Any books can be left at the front office of P-12 for Dee/ELF

By *Jess*

ELF Book Swap Boxes are scattered throughout some local businesses and provide free and easy access to books for community members. Students involved in the ELF program sort through donated books to ensure they are appropriate and add them to the community book boxes. From there, community members are free to “swap” a book to read and share at home.

All donations will be gratefully accepted with thanks,  
Dee (ELF Co-ordinator @ P-12)

**We  
need  
books!**

## Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Myrtleford P12 College is excited to be participating.

The Challenge is open to all Victorian children from birth to 16 years in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by the closing date of the challenge.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

If you would like your child to participate, please pick up a consent form from the library.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll.

For more information about the Victorian Premiers' Reading Challenge and to view the booklists, visit:

[www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)

Mrs Kath Morgan (Library)

If you're interested in leading positive change within our school and developing your leadership skills then you should join our 7-12 leadership team. The leadership team meets every fortnight and discusses fundraising, excursions, events and any issues raised by members.

If you are interested in joining our team please speak to our College Captains and Vice Captains.

**Captains:** Chloe Sinnett and Sam Forbes

**Vice Captains:** Rochelle Jupp, Lucy Anderson and Tom Scott

**COOLING OFF AT MYRTLEFORD FESTIVAL**

Wonderful to see M-P12 students and staff enjoying themselves and looking exceptional in the Myrtleford Festival parade. On such a humid day, Parents Club was pleased to provide frozen fruit juice boxes to help them cool off at the end. Thank you to FoodWorks for discounted pricing and for storing the frozen drinks.

**FUNDRAISING**

Thank you to everyone who ordered bulbs, which will be delivered early Term 2. Our next activities will be seeking donations of small items for our Mother's Day stall and watch for your pie drive order form second week of May.

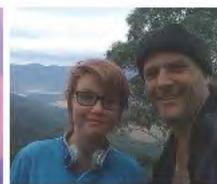

**SCHOOL FETE**

Save the date! 4:30pm Friday 4 November

**BIG WALK**

Do you get tempted by too much chocolate at Easter? Overcome the guilt by doing the Big Walk on Saturday 26th March. This is a beautiful 11km hike up Mount Buffalo along a marked track. Parents Club supports walkers along the route with water, fruit, soup and a BBQ lunch, as well as provide a shuttle bus to bring walkers back down the mountain. We need volunteers before and during the event to help marshal walkers, prepare food, publicity and more. The Big Walk is a major fundraiser for the school so please spread the word that it's on and get involved.

**MT BUFFALO THE BIG WALK  
9AM EASTER SATURDAY  
26 MARCH 2016**

**Next meeting :  
15th April 9am  
Prince St  
Staffroom**

The Big Walk is 11.3km from Eurobin Creek Picnic Area to the Chalet  
4-5 hours walking (one way) with return bus provided  
Walk starts 9-10am at Eurobin Creek Picnic Area at base of Mt Buffalo  
Hydration & fruit stations along walk plus soup & BBQ lunch at the top  
\$15 Adult or \$25 Family  
Supporting Myrtleford P12 College Parents Club  
Info & Registration 0438 403 068 or Facebook.com/The Big Walk

**CHICKENS & GARDEN**

Eggs from the school's hens can be bought at the Front Office, with funds used to purchase their grain. The four chicks hatched in the incubator in Mrs. Lock's Grade 2 class are now 4 to 5 weeks old and are well-integrated with the school flock of five hens and a rooster. Other birds have been visiting the vegie garden too, including these two magpies cooling off under the sunflowers when the sprinklers were on. The garden is also producing purple beans, tiny tomatoes, potatoes, late corn and we're trialling growing loofahs. Loofahs are an annual vine with yellow flowers and fruit like a zucchini, which is dried to make the sponge-like body scrubbers. Let us know if you would like seeds to grow your own once we harvest.

*Claire Stock*
