A few words from the PrincipalZlatko Pear

Talent on show at EMPAC

Earlier this week we were entertained by the impressive array of talent at our College. Family members were treated to dance routines, comedy skits and singing. The excitement and feedback from the local community has been fantastic. It takes a lot of courage to stand on stage in front of peers and family. I am really proud of all the students who were prepared to challenge themselves by moving out of their comfort zones and performing for over 200 people.

Thank you to all the students who worked behind the scenes to make sure transitions between acts went smoothly. Finally thank you to Adam Lindsay and Jo Milford for donating many hours patiently advising and coaching students after school.

Building News

If you have been past the new building recently you would have noticed that it is very close to completion. The builders are now completing the final internal work and the planning for the landscaping is taking shape. The furniture has been ordered and will arrive early next term. We are still on track to take possession in week two or three of next term.

Hats compulsory during Term One and Four

It is still damp and grey outside and it feels like it has been for months, so it seems a bit strange to mention SunSmart. However, Myrtleford P12 College is a SunSmart School. This means that all our students need to wear a hat when outside during Term 1 and Term 4. Along with all items of uniform, logoed College broad-brimmed hats can be purchased from 'Billy and Me'. If you are having problems purchasing uniform due to genuine financial difficulties please contact me at the College to confidentially discuss your situation.

Last Day of Term 3

A reminder that Term 3 will conclude Friday 22nd of September. Students will be dismissed from school at 2:30pm on that day. Buses will be at school at that time to take students home. Classes for Term 4 will begin on Monday 9th of October.

Myrtleford P-12 Performance Evening 2017

COLLEGE ANNOUNCEMENTS

Alpine Shire

Alpine Shire 2017 Youth Awards

Last Friday (8th September) the annual Alpine Shire Youth Awards were held at EMPAC. The event was organised and hosted by a committed group of Myrtleford young people from Myrtleford P12 College and Marian College and highlighted the many and varied contributions and achievements of the young people in the Alpine Shire.

Myrtleford P12 College was well represented:

- **Briana Hines** (Academic nominee)
- **Brooke Sinnett** (Finalist in the Community category),
- **Tara Brown, Rebekah Chisholm, Grace McGurgan, Amy Rogers, Johanna Wade and Zali Young** (Community nominee group)
- **Courtney Furlong** (Endurance and Persistence nominee)
- **Isis De Bortoli** (Sports and Recreation nominee)
- **Dylan Jenkins** (Visual Arts and Media nominee)
- **Georgia Milford** (Visual Arts and Media nominee)
- **Lara Selzer** (Visual Arts and Media nominee)

Special congratulations goes to **Harris Doodewaard** who won the Rural Award category.

Congratulations also must go to **Lucy Anderson, Rochelle Jupp** and **Tom Scott** who were part of the organising team and each had roles hosting parts of the event.

FREE DRESS DAY

Show your support with a \$2 donation and help raise funds for school uniforms for the Sindhuli School in Nepal.

Every \$10 raised provides a child with a full school uniform

WHO	Helen Giles and Filipa Withers, from Alpine Health / Alpine Institute, are personally volunteering their support and will be teaching at the Sindhuli School.
WHY	To provide resources and assistance to school children in need, and deliver the money raised directly to the school, for uniforms.
WHEN	Travelling November / December 2017
WHERE	Sindhuli District, Nepal

100% of the money goes directly towards the uniform.

**Friday
September 22nd**

Casual Day with \$2 donation

**Proudly
supported by
the SRC**

Future Makers Program

Currently we have fifteen Year 9 students participating in the twelve day Future Makers Program at the Outdoor School at 15 Mile Creek. Over the first couple of days they have built a jetty and pontoon that was able to support all of the group at the same time! They have also been mountain biking on bush tracks, refining their paddling skills in canoes in preparation for the trip, having a great time on the flying fox at night, and making their own paddles to bring with them down the Murray.

Today (Friday) the students are heading off to the Murray River to begin their five day canoe on a stretch of the Murray River heading towards Swan Hill. Photos to come next week.

Jenni Gardner

Walk to School month is an initiative of Victoria Health to encourage students to walk, ride or scooter to and from school to kick-start healthy walking habits which can lead to good health for life.

Myrtleford P-12 is participating in this program by running a variety of activities and competitions throughout the month of October.

Classes will be recording when students walk, ride or scooter to and from school and then these results will be tallied up and entered into the Walk to School website. Students could win a variety of prizes for the amount of times they can get to and from school using healthier means.

We understand that some students must catch the bus or be driven to school, so Rosemary has organised some lunchtime walks around the oval. Students who don't have the ability to walk to school could join in this activity which counts towards their class chart.

We have also included some safe 'Drop and Walk Zones' which may help you organise some walk days with your children. Please encourage your child to take part in these initiatives and activities so that a healthier lifestyle can be promoted.

Walk to School Month will kick off in the beginning of Term 4, along with a Big Breakfast at school on Tuesday 17th October from 8:30am.

More details about the various programs running through October will be sent home via the class teacher or in the College Newsletter.

Mr Adam Lindsay

Myrtleford P12 College

Walk to School

Drop and Walk Zones

Beginning of Prince Street (1.2km)

Students can be dropped at the beginning of Prince Street near the Great Alpine Road and walk all the way along Prince Street until they reach the school. Footpath is all the way along the road.
RISK = crossing a couple of side streets

Cundy Park (1km)

Students can be dropped at Cundy Park and walk along O'Donnell Street and then Prince Street to the Pedestrian Crossing. Footpath is all the way along the road.
RISK = Driveways and crossing one side street.

Be RESPECTFUL : Be RESPONSIBLE : Be a RESPONSIBLE COMMUNITY MEMBER : Be SAFE

OCTOBER IS.....

WALK TO SCHOOL

MONTH

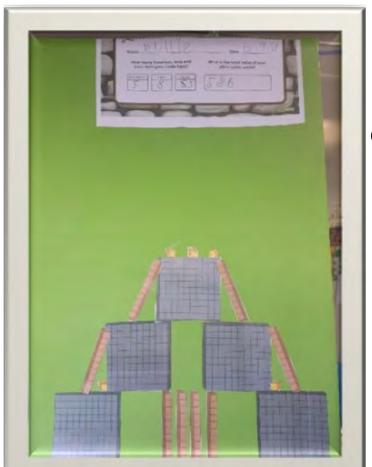

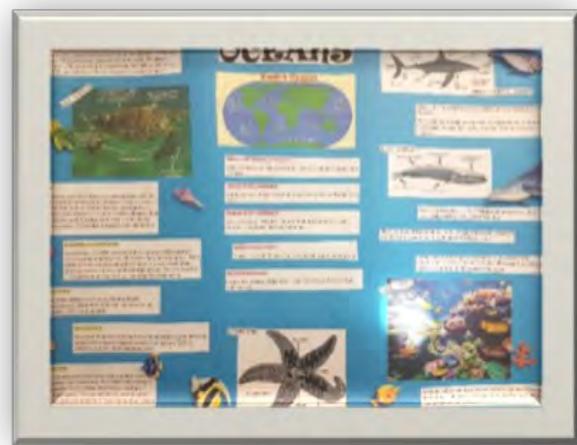

So walk, ride or scooter to and from school this month!

Year 6 students showing off equipment we received from an Alpine Shire Grant for the College's participation in this initiative.

It has been a super busy term in 2L!! In Integrated Curriculum, we have been learning about Biological Science, specifically, different types of habitats around the world. We learnt about the rainforest, coral reef and desert habitats and how the animals and plants that live there survive. The students have been busy researching, preparing and presenting an oral presentation on their chosen habitats. Here are just three of the presentations we have had so far this week:

2L Happenings!

In Maths, we have been learning about three-digit place value. We made three-digit place value castles and we got to choose any number we liked by rolling a dice three times. Here are some of our castles.

HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

YEAR 3 VISTIS TO THE LODGE

Year 3 C headed to Myrtleford Lodge on Friday 1st September and like the other classes before them they took their readers and read to the residents. They then surprised them by pulling their xylophones out of their bags and playing for them. The students then shared their expertise with the residents helping them to have a go at playing. Once again, all had much fun and laughter and our community of sharing continues to grow.

YEAR 9

Five Year nine students represented the College at a Communities that Care workshop looking at the Smart generation materials in reducing alcohol consumption by young people and encouraging young people to delay alcohol consumption at least till they are 18 if not older. The students learnt all about how the brain and body can be affected by alcohol especially in adolescents. They will bring their knowledge back to school to share with the rest of the Year 9 level and also organise a parent information evening in Term 4.

Quote for the week: Music Unlocks Self –expression Intelligence Creativity

BOYS STATE SOCCER 5TH SEPTEMBER 2017

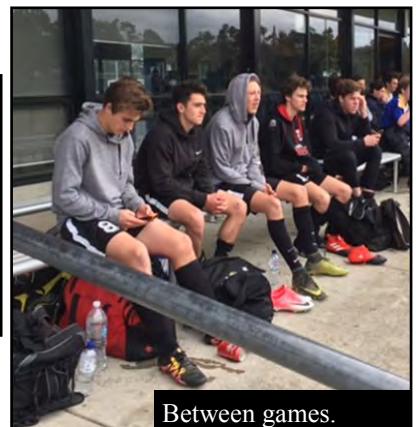

Venue Bentleigh Greens Stadium, Cheltenham Melbourne.

Students Involved:

Year 12: Tom Scott (Captain), Sam Rogers, Connor Caponecchia, Wayland Wales

Year 11: Jack Milford, Fletcher Caponecchia, Tom La Spina, Azia Feltrin, Jack Woodall, Patrick Bren, Will Quirk

Year 10: Sam Pirrone, Riley Lunardi.

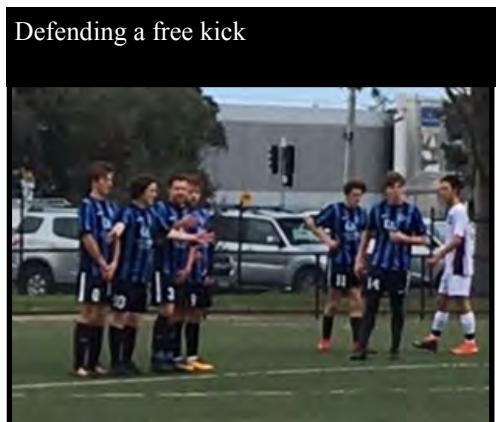

Between games.

The team travelled to Melbourne on Monday 4th September to play the Senior Boys Soccer Championships. Their first game was at 9.15 on Tuesday morning. There were two pools of competition with the winners from each pool going through to play an afternoon final.

Their first game was against Lavalla College. It was a very even contest until Lavalla scored a quick two goals. In reply Myrtleford scored two (Patrick Bren and Fletcher Caponecchia) evening the score again. We had a chance to take the lead with a free kick in the dying seconds, but no luck.

On the attack against Dandenong

Defending a free kick

The second game saw the team play Dandenong High School- with 2000 students and hundreds in their Years 11 and 12 to choose a squad from, they were a formidable opponent. At least two of their players were either Melbourne Victory or Melbourne City Youth players. Not to be outclassed, the game was poised 1 goal each (thanks to a Jack Milford finish) when in literally the last 40 seconds Dandenong managed to slip a late goal through to take the win.

Our third game was against Rowville Secondary College, a school which specialises in Soccer. Again a quality team with a number of Victory or City Youth players. This game also resulted in a very tight 2 -1 loss, a great goal to Azia Feltrin, with sadly his second goal attempt being denied by the crossbar -it was a very close contest.

Our backline defenders Tom Scott, Sam Rogers, Fletcher Caponecchia and Riley Lunardi worked very hard all day to deny these teams further opportunities to score. In the midfield Connor Caponecchia, Jack Milford and Pat Bren worked tirelessly to get balls forward and assist the defence, while up front and on the wing a combination of Azia Feltrin, Wayland Wales, Jack Woodall, Will Quirk and Sam Pirrone attempted to get through some quality defending from the other teams. In goals, Tom La Spina was responsible for many fantastic saves – someone had to put their hand up to be goalie and while we missed his skill playing on the field the team needed someone strong in goals and that was Tom!

Well done to the whole team. Mr Slotegraaf and Mrs Milford were very proud of your efforts on the day and if just a couple of things had gone a little differently we would have been in the final. For a school of our size to be so competitive against such large schools gives a clear indication of the talent of the boys involved.

The team who went through from our pool, (Dandenong High School) did so with a very narrow margin and were the ultimate winners of the final. So close...

Jo Milford

Goal keeper Tom.

Captain Tom Scott directing play against Dandenong.

Warming up

YEAR 7 in MELBOURNE

When we went to Melbourne, we did so many exciting things. My most favourite thing was the Laser Tag, because I kept shooting Mrs. Antonello.

Nathan Brown

My favourite thing we did when on the Melbourne camp was visiting the MCG. At the MCG we learnt all about the history of football and cricket in Australia.

Sam Armstrong

Camp was awesome. We did so many different things; my favourite was laser tag and walking around the Queen Victoria Market and eating Nutella donuts.

Liam Macgowan

CHECK IT OUT:
<http://artvo.com.au/>

Melbourne camp was awesome. Going around to the different areas and activities with my friends made the experience even better. My favourite activity was the laser tag; it was intense and fun. I wish we could have played it for longer.

Liam Morgan

The highlights of camp were the laser tag and visiting the MCG, and the food was good. I really enjoyed travelling on the trams, especially when we had a conductor who told really good jokes.

Cameron McPherson

YEAR 7 SCIENCE-ROCKET LAUNCHING

Year 7 students were thrilled to watch Mr. Cohen launching model rockets for Science class. They measured the flight height and flight length of the same model rocket using different strength motors. The impressive heights the rocket reached caused some students to be distracted from their timing duties!

Year 9 Consumer Choices Displays

The Year 9 Humanities class have been studying "Consumer Choices" this term. As a finale to their studies they devised their own marketing campaigns for products and services of their choice. During a Thursday afternoon double session the students transformed their classroom into a marketing extravaganza! Some students chose to work alone and some elected to work in groups.

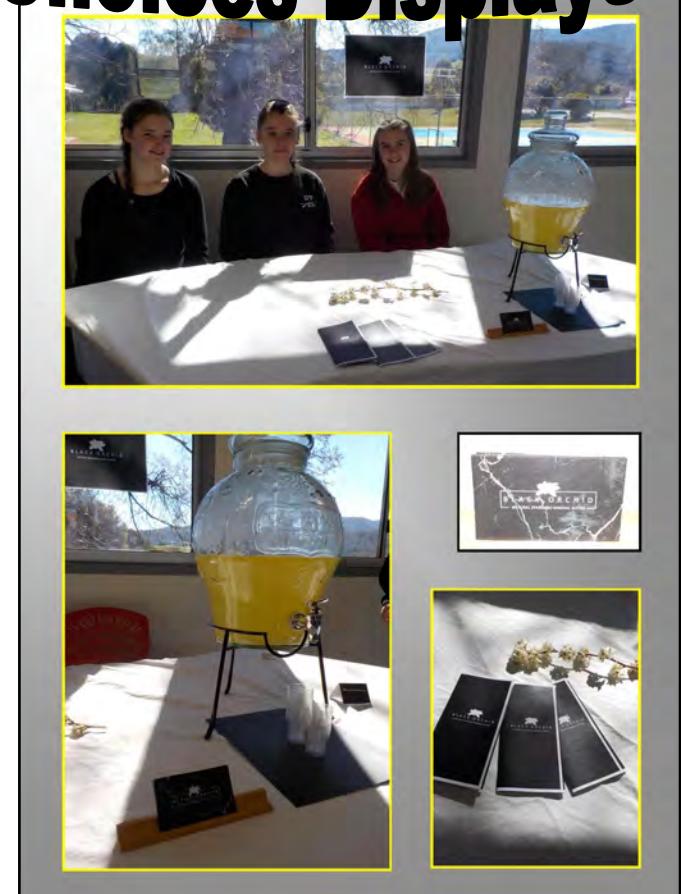

They marketed; make up remover, electronic phone products, D. J. services, T-Shirts, Myrtleford P-12 College, Wedding event services, homeless aide bags and soft drink. The displays were highly attractive and offered information about their product as well as inducements to visit their stalls such as food, lollies and drinks.

Parents and staff were involved in visiting the displays, talking to the students and assessing them according to assessment criteria. I would like to take this opportunity to congratulate the students on their hard work and enthusiasm. I would also especially like to thank the Parents and Staff who attended the event in their own time. A special thanks to Kath Morgan who photographed the event and produced stunning posters of the students in action.

Unit 3/4 Practice Exam Timetable

Tuesday 26th –Thursday 28th September (Week 1 T3 holidays) Unit 3/4

Students undertaking a Unit 3/4 subject, and completing scored assessment, will be completing a set of practice exams during the first week of the Term 3 holidays (Tuesday 26th – Thursday 28th September). These practice exams will be held at the St Mary's Hall Marian College.

Start time	9.00am	1.30pm
Tuesday 26th Sept	English – 12.15pm	Health & Human Dev – 3.45pm Specialist Maths Ex 1 – 3.45pm Studio Arts – 3.15pm Outdoor & Enviro – 3.45pm
	9.00am	12.30pm
Wednesday 27th Sept	Methods Ex 1 – 10.15am Further Maths Ex 1 – 10.45am	Legal Studies – 2.45pm Chemistry – 3.15pm VCD – 2.45pm
	9.00am	1.00pm
Thursday 28th Sept	Psychology – 11.45am Business Man - 11.15am Biology – 11.45am	Media – 3.15pm Physics – 3.45pm

Students should have all received a copy of the timetable. If you/your child is unable to attend, please let your/the class teacher know. Another set of practice exams are scheduled to take place Wednesday 11th – Friday 13th October (week 1 Term 4).

If you are unable to attend for any reason, please let me or your subject teacher know. If you have any queries, please contact me – gardner.jenni.j@edumail.vic.gov.au or 5752 1174.

LEARNER DRIVERS GET YOUR FREE LESSON TODAY!

keys2drive is a revolutionary approach to learning road safety and the free driving lesson is an opportunity for the learner drivers, driving instructor and parent/supervisors to learn it together.

The Federal Government has committed a further \$16 million in the 2017 Budget to continue funding **Keys2Drive**.

To register for your **FREE** lesson go to www.keys2drive.com.au

For more information contact the L2P Coordinator 0418736665 or l2p@alpineshire.vic.gov.au.

**FREE
driving
lesson!**

VOLUNTEER OPPORTUNITY

Do you hold a full licence, have a good driving history and able to commit to a minimum of 1-2 hours per week?

Why not become an L2P mentor and assist a young person aged 16-20 years gain the 120 hours of supervised driving required to sit for their drivers licence.

The L2P Learner Driver Mentor program is funded by TAC and managed by VicRoads to help young people who may not have access to a driving supervisor or a vehicle.

As a volunteer you will be given access to a community vehicle via a calendar booking system, undertake a comprehensive 1 day VicRoads training session and receive guidance throughout the program by a professional driving instructor. You will also receive ongoing support by the program coordinator with invites to monthly mentoring meetings to network with other volunteers.

If you are interested in coaching a young person to become a safe drivers, call Alpine Shire Council 0418 736 665 or email l2p@alpineshire.vic.gov.au.

TONIGHT!

SCHOOL BANKING

Weekly banking encourages the good habit of savings plus earns great rewards for students. All year levels can participate by simply opening a Youth Saver account at any Commonwealth Bank branch. Bring your bankbook to the Prince Street staffroom on Tuesday mornings between 8:45-9:15 AM. Dedicated parent helper, Jo McIntyre and new volunteer Marita De La Rue, will be there to help you bank and save. Thank you, ladies!

SEED CREATIONS

This is a new gardening fundraiser with affordable plant cubes that we're trying. You can select from a big range of decorated "grow hair" cubes, as well as mini garden herbs, strawberries, tomatoes, chilli plants, flowers and more. Please return order forms and payment to the Front Office by Monday 18th September.

FATHER'S DAY STALL

Prep to Grade 6 students once again enjoyed shopping for gifts for their dads and other family members at our Father's Day stall on 1 September. The donated items from school families were most appreciated. Thank you to Kym Durling for organising the stall and her team of gift wrappers (Josie Robertson, Nat Zanotto and Minette Ramia) and stall helpers Josie Robertson again along with students, Georgia McRae, Genavieve Cusack and Ava Brock).

Program may be altered due to unavailability of supplies/venues/volunteers etc. We apologize for any inconvenience this may cause if this occurs.

Remember
to dress according to the weather as we will be outside at some stage every day

ACTIVITY STATIONS:

The featured activities are just part of the program. We also have self-guided (but supervised) activity stations ie. colouring/craftwork, puzzles, games, dress-ups, quiet corner, and free play. These stations are available throughout the day and allow children to have choices in what activities they would like to participate in. Outdoor play is also available daily, so please ensure children have appropriate clothing.

WHAT TO BRING EACH DAY (including excursions)

- DRINK BOTTLES – water is available for refilling
- Lunch each day unless specified that it will be provided.
- Any utensils needed for lunch.
- Sunscreen and a Hat (Summer & Spring)
 - Sensible shoes (no thongs or backless shoes)
 - Tops which cover shoulders (no singlets, or tube tops)
 - Bag for belongings and crafts completed during the day.
 - Clothing appropriate for weather variations ie rain, sunny, chilly etc.

PLEASE NOTE - LUNCHES AND SNACKS: We will be providing morning and afternoon tea daily and lunches where listed on the program. Children will be required to bring their own lunch on other days. We ask that, in accordance with our nutritional policy and healthy eating guidelines that lunches contain NO form of packet food (chips, shapes, cereal bars etc) and NO lollies or sweetened drinks (water only) and that sandwiches do not contain honey, jam, Nutella or sprinkles (100's & 1000's). Some examples of what will be offered for morning and afternoon tea are: Fruit platters, Dip and crudité, sorbet, icy poles, muffins, smoothies, soup etc. A selection of fruit from a fruit bowl will be available throughout the day. If you have any queries, or require any suggestions for lunch options, do not hesitate to ask Arlene.

> **SIGNING IN:** All children must be signed into care when dropped off. When you sign your child in you are giving permission for them to partake in the day's activities, and agreeing to the terms and conditions of using Outside School Hours Care. If there are any activities listed that you would prefer your child didn't partake in, please let the staff on duty know if your child is sensitive to face paints).

> **PACKED LUNCHES:** Please ensure that the lunch your child brings complies with our healthy eating guidelines, and that it is ready to go ie, if a food is to be served hot that it comes in a thermos, if cold, an ice pack is provided, and that any cutlery required is in their lunch box. We are unable to heat foods and cannot guarantee fridge space.

> **CLEAN UP:** From 5:30pm each day, we cease activities and clean up for the day. If your child is still in care at this time, they will be asked to participate.

Thank you and hope you enjoy the holidays!
