A few words from the Principal...

COLLEGE COUNCIL – NOTICE OF ELECTION AND CALL FOR NOMINATIONS

The College Council elections for members of the Myrtleford P12 College will take place over the next few weeks. Detailed information for parents is included on page 15 of this newsletter.

The College would like to thank Bernadette Hays, Melissa Brown, Dallas Lyons, Peter Gunson and Matthew Hines for their input and commitment during the past two years as representatives on College Council. All outgoing representatives are eligible to nominate for another term.

This means that there are five parent vacancies for this term. Nomination forms will be available at the general office at the school from next Tuesday 14th March and must be lodged by 4 pm on Tuesday 21st March. If there are more nominations than vacancies an election will be held. College Council meets twice a term on a Wednesday at 5:30pm. The first meeting of the new council will be held on Wednesday 29th March at 5:30pm. If you have any questions regarding Council representation please contact me at the College.

MYRTLEFORD FESTIVAL – COLLEGE FLOAT

Our College will again be involved in the parade at the Myrtleford Festival next weekend. We look forward to having as many students as possible participating. This year the theme will be ‘Then and Now – We are the time travellers’. We will be meeting on at 4:15pm on Sunday near the large tree in the Pre School car park, Duke Street. The pick-up point at the conclusion of the parade will be the grassed area at the rear of Coles car park, towards the Uniting Church. Students are invited to dress as ‘Dr Who’ or in an associated ‘time travel’ costume.

MAGPIES TO LAND IN MYRTLEFORD

We have recently received news that eight Collingwood footballers will visit our school on Wednesday 15th March. Students will be involved in a number of training drills and then have the opportunity to ask the players questions. Hopefully for Buckley’s coaching future the Collingwood players manage to pick up some valuable tips from our students.

1000 BOOKS BEFORE SCHOOL

Teachers at Myrtleford P12 College are pleased to let parents know about the '1000 Books Before School' Program run by public libraries in Victoria. The idea is to enhance the literacy skills of children by reading to them from a very early age, hence the name '1000 books before school'. Research shows that babies, toddlers and pre-schoolers develop literacy skills by listening to stories, engaging with pictures, singing, rhyming and 'reading together'. The more books children hear, the better prepared they are when it comes time for them to learn how to read. Research shows that children who are read to six or seven times a week have a literacy level almost a year ahead of children who are not read to at home. By reading to your child or sharing books with them for around 15 minutes each day, they get a head start, and you will read around 1000 books over three years.

You can register as part of this program at the Myrtleford Library.

This week's Green Card Winners. Congratulations on demonstrating our school values!

Congratulations to the six students who participated in the Ovens and Mitta Swimming Carnival in Wodonga last week. Liam Macgowan, Liam Morgan, Tom Crisp, Ned Pascoe, Amy Gunson and Lucy Anderson all had a fantastic approach towards representing Myrtleford P-12 College. Amy Gunson and Lucy Anderson have both qualified to represent our school at Hume Region on March 21st.

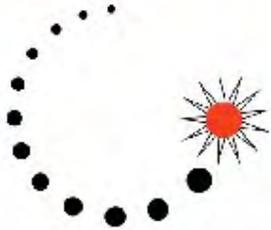

Amy Gunson won the Age Group Champion, on the day, after receiving two firsts, two seconds and a third place to have her qualify for the 50m Freestyle, 50m Butterfly, 50m Backstroke and the 200m Individual Medley at the next level up. Lucy received two firsts and three thirds and has qualified for both the 50m Breaststroke and 50m Backstroke events.

Well done to all of you for a great effort and we wish the best for Amy and Lucy at Hume Region later this month.

Hola from the Art Room!!

Hola from the Art Room!! It's only taken me a year and a quarter to get my first newsletter item in, but here it is! Yay!

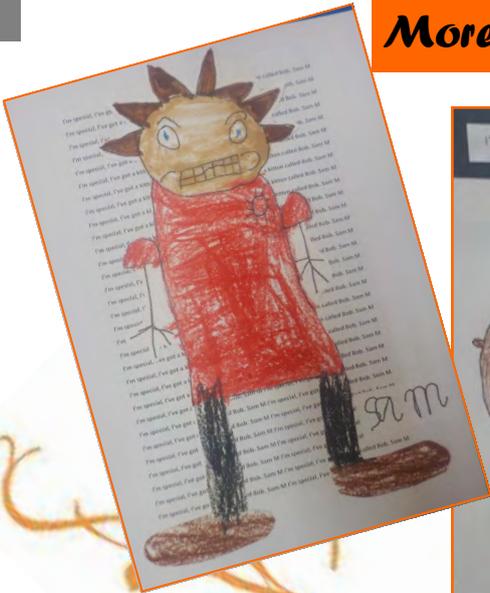

I want to start by saying a big thank you to all my students that come every week super keen to learn and have fun. We all made our promise in Week 1 that we would make our Art Room a fun and stimulating environment where everyone feels encouraged and safe to take risks and use their imaginations. It has been such a positive start to 2017 so keep up the good work everyone.

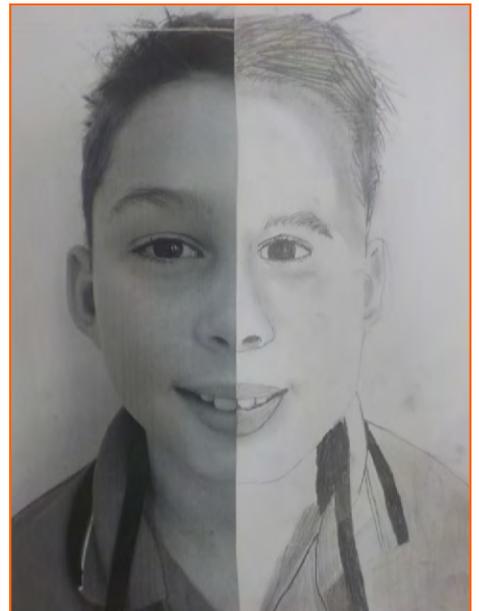

This term we have been focused on all things **PORTRAITURE**. From our new Preps all the way up to Grade 6 we have been looking at what features are on our face and how to divide the face up to help us put those features in the right place and the right size. We have discussed what makes a good portrait and different ways of creating portraits. As you can see from the amazing photos we have been experimenting with lots of different mediums from drawing and water colour to collage using paper and items collected from the school garden.

More Student Artwork....

I am so impressed with the work that has been created so far and am looking forward to having lots of it up for display to share with family and friends in our very first Art Show planned for early Term 3.

YEAR 7 SPORT

The Year 7's were lucky to have a visit from the Myrtleford Savoy Soccer Club last month. The Club ran a clinic on basic soccer skills and introduced students to the fun of soccer. Thanks to members of the Savoy Soccer Club for sharing their love of soccer. Year 7 also had a visit from former student Sam Morgan during their PE lessons to help with their javelin technique in preparation for the College athletics carnival planned for the first week of Term 2.

YR 9 & 10 PSYCHOLOGY IN ACTION

On Friday 3rd March, the Year 9 & 10 Psychology students put into practice their knowledge of the structure of a neuron. Their task was to create a neuron out of lollies and label each part with its function. The students were all fully engaged and the end result was a colourful display of knowledge (and the sugar had many more neurons firing as well!).

PARENTS CLUB NEWS

FREE FROZEN FUN

For our first giveaway this term, Parents Club was pleased to organize Free Frozen Fun last Friday. Parents Club helpers Josie Robertson, Elizabeth Toman and Kym Durling, handed out frozen fruit juice icy sticks to students and staff, cooling everyone down during a hot lunchtime.

RIDING DEVELOPS ABILITIES (RDA)

RDA is a fortnightly horse riding initiative for students who need a little extra care, attention or encouragement. As well as learning to ride and care for a horse, students improve their fine & gross motor skills, social & language skills, concentration and team work. Parents Club has donated \$200 to RDA to subsidise ten students from our school, lowering their individual cost to \$120 each.

RAFFLES

The recent Mansfield Zoo raffle was phenomenally supported, raising \$700 for Parents Club which is used to subsidise all students' camps/excursions and other fun activities. Three new students to our school won the prizes - 1st Lily Picciocchi from Prep L (zoo voucher), 2nd Jenson Durling from Grade 1W and 3rd William Koers also from Prep L. Thank you to Mansfield Zoo, Michelini Wines and Shell Myrtleford for donating the prizes and to everyone who bought a ticket. With Autumn colours already showing, our wood raffle will be early this year. Watch for tickets coming home with the youngest student in the family next week.

Camp overnight at Mansfield Zoo

Wake up to the ROARRR of the lions. See the happy faces of the Capuchin monkeys at dawn. A fun and exciting adventure for the whole family! Available September - May each year. Bookings essential! www.mansfieldzoo.com.au PH (03) 57773576

HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

Year 7 immunisation

Parent Immunisation Information

The Secondary School Immunisation Program aims to ensure that students and communities are protected from diseases such as diphtheria, tetanus, whooping cough, human papilloma virus and chicken pox. Schools distribute the vaccine consent forms and **local council** delivers the program free of charge to all Year 7 students at school. Dates for Myrtleford P12 are March 29th, June and October.

The Secondary School Nurse Program supports this government initiative and the school Adolescent Health Nurse will be facilitating education and information workshops to all Year 7 students before the immunisation program commences this year.

Research demonstrates that immunisation saves lives and makes it possible for Victorians to live free from the illness and disability caused by many infectious diseases. The adverse and allergic reaction rates for these immunisations are extremely low and students will be monitored by staff following their immunisation to further safeguard this. It is normal to have some redness or swelling at the immunisation site, but this is only temporary.

Your student will bring the vaccine consent form home from school so please keep a lookout for this form and return the signed consent form to school, whether your child is being immunised at school or not by the return date. If you have any further queries please contact the immunisation department of your local council or online at www.immunehero.helath.vic.gov.au

Blood bank

Preparations are underway for our first blood bank drive of the year with students booked for Wednesday March 22nd and staff booked to go on the evening of March 16th. Remember 1 in 3 will need some type of blood product during their life time however only 1 in 30 donate. If you would like to become a donor our closest blood bank is Wangaratta, you can call for an appointment or further information on **13 14 95**

Myrtleford Lodge Visits

Our visits to Myrtleford Lodge aged care commenced on Friday 24th of February. Eight year nine students have put their hand up to visit each week. Ideas we have are life stories, artwork, a 2018 calendar. Last Friday the students began sharing life stories with some of the residents with the plan to produce a book of shared stories. This is a wonderful community service opportunity that was well embraced by last year's year 9 visitors and we hope it will continue into the future.

Breakfast Tuesdays and Fridays

Breakfast is off to a flying start, with big numbers attending each week and lots of smiles happening. I have some very enthusiastic student helpers which is great. Remember breakfast is free to all students P-12 and staff both mornings from 8.20, due to the canteen being out action we are set up outside. All you need is a smile, so see you there.

2017 SCHOOL COUNCIL ELECTIONS - INFORMATION FOR PARENTS

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

There are three possible categories of membership:

- **A Mandated Elected Parent Category.** More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child's school as long as they are not employed at the school.
- **A Mandated Elected DEECD Employee Category.** Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.
- **An Optional Community Member Category.** Its members are appointed by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant. In view of this, you might seriously consider standing for election as a member of the school council or encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

What do you need to do to stand for election?

The Principal will issue a notice and call for nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent Category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council where their child is enrolled.

Once the nomination form is completed, return it to the Principal within the time stated on the notice of election. If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.
- Contact the Principal for further information.
