### A semester worth celebrating

Congratulations to our College community, students, parents and staff, on a successful twenty weeks of learning. This half year has again been a busy one for our College with lots of activities happening inside and outside the classroom. Our students continue to excel academically, in the arts and on the sporting fields. Student leaders have represented the College at a variety of community events and state level forums. Our secondary students are enjoying learning in the new building. We now look forward to a break before Term Three, during which most of our planning for next year will take place. Well done!

### End of Semester reports

Semester One reports have been completed. Prep to Year 6 reports have been sent home. Reports for students in Years 7 to 12 are now available on Compass. The midyear report is an important indicator of how your child has progressed in their learning. Parents will be able to get a sense of whether their child is maximising their learning opportunities and what their child's strengths and areas for improvement are. An important role that parents can play in this process is to discuss with your child their goals for the second semester.

### End of Term

On behalf of all the staff at Myrtleford P12 College I would like to wish all our families a safe holiday period. Keep warm and we look forward to seeing everyone next term. School resumes for Term 3 on Monday, 16<sup>th</sup> July.

### Myrtleford P12 College is a Child Safe School.

All our Child Safe policies can be accessed on the College website.  
<http://www.myrtlefordp12.vic.edu.au>

### THE CANTEEN WILL CONTINUE TO BE CLOSED on TUESDAYS and WEDNESDAYS IN TERM 3

This means the students will need to bring all their food and drinks from home on Tuesdays and Wednesdays during Term 3.

# College Achievements in Sport

Several College teams participated in the Ovens and Mitta competitions on Tuesday. The Year 8 soccer team won their round robin and have qualified for the Hume Soccer competition later in the year. The report from Mr Tyson is below. The Year 7 girls Badminton won their round robin competition and have also qualified for the Hume competition. Well done to all the teams involved.  
*Clint Slotegraaf*

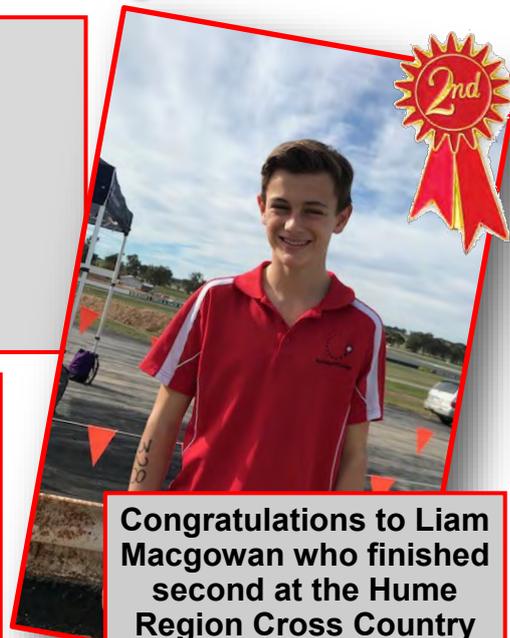

## OVENS AND MITTA SOCCER

On Tuesday 26th June our Year 8 representatives headed to Albury for the Ovens & Mitta Soccer Competition. The team consisted of Liam Macgowan, Liam Morgan, Molly Brock, Amy Gunson, Addison Bedendo, Kynan Borsi, Levi Young, Tom Crisp, Cameron McPherson and Damon Harrington. We were only able to field a team of ten players due to the other sport that was being played on the same day, however even though we were short a player, we ended up playing like we had significantly more than eleven on the pitch due to the level of talent within the team.

For someone who has had very little to do with soccer, I was mesmerized by the razzle and dazzle on display. The skills, fitness level, strength and outright dominance shown by the team, from the first game through to the final whistle of the Grand Final, left me in awe of the talent we have at this school. I saw a lot of individual brilliance from each player, but there can be no doubt the presence of Liam Macgowan and Liam Morgan gave the team a certain aura of invincibility and sense of security. From the outset I witnessed opposing teams dismantled by the brilliance of Molly Brock in both defence and attack, Damon Harrington making attacking runs at will, Kynan Borsi as the ever reliable support and assist player, linking players with quality passes. Levi, Tom, Amy and Cameron were strong in all facets of the game, running rings around their opposing players and the ever present Addison disrupting any attacking runs before they gathered momentum. The sharp shooting and silky smooth runs of Liam Macgowan earned him man of the match followed closely by the leadership and long range boot of Liam Morgan as running close second. The team claimed the win in the Grand Final, so they will now represent the College at the Hume Competition next term.

I was equally impressed seeing how humble and non assuming we were and how everybody embodied the true nature of sportsmanship, demonstrating this towards opposing teams during and after games. Special thanks goes to Tom LaSpina for helping with refereeing duties and Richard Morgan for his specialized coaching throughout the day. Overall, it was an outstanding effort and I wish this team the best when they represent this region in the Hume Competition. Outstanding!!

*Mr Tyson*

**Congratulations to Liam Macgowan who finished second at the Hume Region Cross Country by a narrow margin of only 5 metres. He has now qualified to represent the College on the 19th July at the State Cross Country Championships at Bundoora Park. We wish you luck Liam.**

**35 years and still going strong!  
Jump Rope for Heart**

- Each year Heart Foundation Jump Rope attracts more than 300,000 students
- 1,300 schools are involved
- 500,000 sponsors comprising families, friends and members of local school communities

Established in Australia in 1983, Heart Foundation Jump Rope for Heart is renowned for being Australia’s most popular physical activity and fundraising program in schools. The program is designed to encourage a positive attitude towards exercise, healthy eating and heart health. With more than 25 per cent of children considered overweight, there is still much to be done and skipping is a great start to developing life-long healthy habits.

Myrtleford P-12 Primary students Grades 2 – 6 have been undertaking a Jump Rope for Heart Program over the last five weeks. It was great to see students really get involved in this great initiative with Paige Kiss being the biggest fundraiser for the school with \$305. Lachlan and Hunter Macgowan came a close second and third in the fundraising efforts. Thanks to all the students that managed to fundraise some money and get involved in this great program. On Wednesday some students demonstrated their learnt skills for the rest of the primary students and staff. It was a spectacular show of skill!

Mr Slotegraaf

Hi I'm Sahara and I'm in Grade 5. So a couple of months ago I got the worlds most exciting letter....EVER! Guess who it was from? Well you probably haven't guessed! It was from Malcolm Turnbull. Yes....that's right! The Prime Minister of Australia. Despite the fact I sent my letter to him in December 2017 he sent his to me in January! I can't remember what I said but it must have been pretty important for him to type back.

# MUSIC UNDER THE BUS SHELTER

Thursday last week students and staff alike were entertained by Jordyn, Archer, Jethro and guitar teacher Phil Hogan, as they played a few songs under the primary bus shelter. Many students enjoyed listening and dancing to their music. Well done Jordyn, Archer and Jethro! Thanks to guitar teacher Phil for assisting the students to showcase their musical talent.

## INSTRUMENTAL MUSIC LESSONS!

Here at Myrtleford P12 we are running an instrumental music program teaching guitar, bass, ukulele, and band/ensemble. The program is run by Phil Hogan, who has 30 years experience playing in bands and a Diploma in music. The cost is only \$50 per semester (super cheap!) and instruments/amplifiers are supplied.

For enquiries ask at the front desk.

## ITEMS WANTED for SCIENCE

- clear 1.25L plastic soft drink bottles
- fish-shaped soy sauce containers that come with take away sushi
- a few shoe boxes

Thank you in advance, Claire

## MAGAZINES WANTED!

The MYCAL English class will be needing some magazines early next term for a Literacy activity. If you can help out by donating some old magazines such as New Idea, Woman's Weekly, Women's Day, etc it would be greatly appreciated. They can be dropped to the SLC staffroom to Sharon Antonello this week or in the first 2 weeks of term. Thank you. Sharon Antonello

## Story time

Little brothers and sisters, you're invited to a special ***story time at big school!*** We believe that reading is powerful in helping little people learn and grow. So much so, that on Thursday mornings from ***8:45-9:00am*** during Term 3, we will have a special story time and book swap for little brothers and sisters. So come along to ***Mrs Lindsay's*** classroom each Thursday morning and join in the fun! Hope to see you there!!

Year 3 were happy to share their delight in the Student Council Lazy Day on Wednesday. Dressed in pyjamas or comfortable wear, students Prep-Year 12 donated a gold coin towards the Student Council Fundraising Event.

Another great event organized by our Student Leaders!

## PARENTS CLUB NEWS

### MOTHER'S DAY STALL

Officially, Mothers Day was several weeks ago but we all know that mothers & others deserve recognition every day ;) A belated update that students enjoyed another Mother's Day Stall in May, raising over \$500. A new format this year saw Parents Club source gifts, though several families still kindly provided items - thank you to known donations from Chays McIntyre and Kim Menz, and to other anonymous donors. Suzanne Cusack spent many hours organising the event and wrapping gifts, along with helpers Tarrina Brock, Marita De La Rue and Fiona Thomas, and student helpers Genevieve Cusack and Ava Brock. Well done!

### FRESH FRUIT FRIDAY

Parents Club and students were pleased to see the return of these weekly fruit platters during Term 2, and for the rest of the year. Dedicated volunteers chop up enough fruit for the twelve primary classes thanks to the generous donation of \$50 of fruit from FoodWorks Myrtleford every week. Parents Club also supplements by purchasing fruit from FoodWorks as required. Delicious!

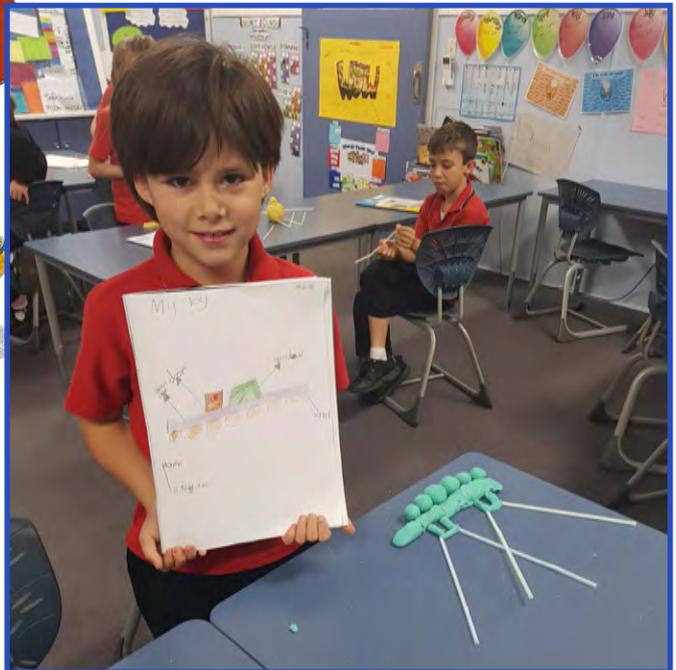

### PIE DRIVE

Watch for your pie drive forms early Term 3 to stock up on sweet & savoury pies and lamingtons to see you through the winter months. *Claire Stock*

# Creating toys with 2H

Year 2 have been studying 'Past and Present' as part of their integrated curriculum this term. We have been looking at the changes of toys over time and then followed the design process to create a new toy before making it out of playdough.

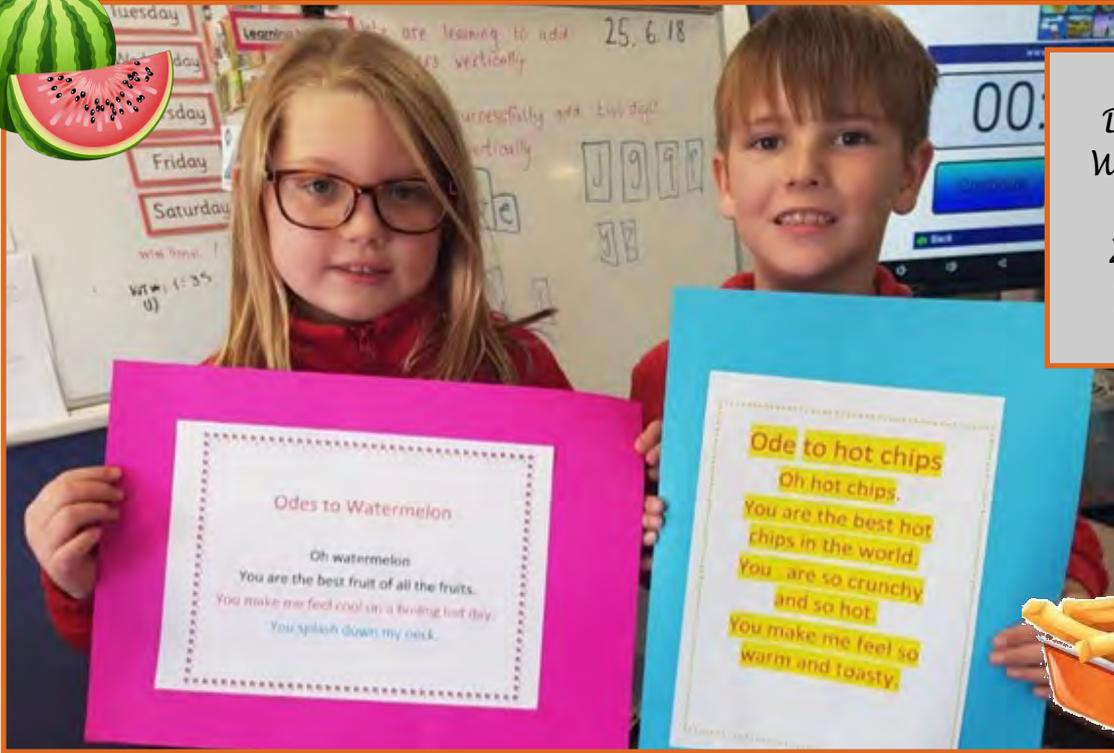

*Miss Hourigan*

# 2L Happenings!

We have had a super busy term and we are excited about the upcoming school holidays. In Literacy, we have been looking at Poetry.

We wrote an acrostic poem about ourselves and then we wrote an ode to our favourite food. It was great fun using 'WOW' words when describing our favourite foods. Here are our odes.

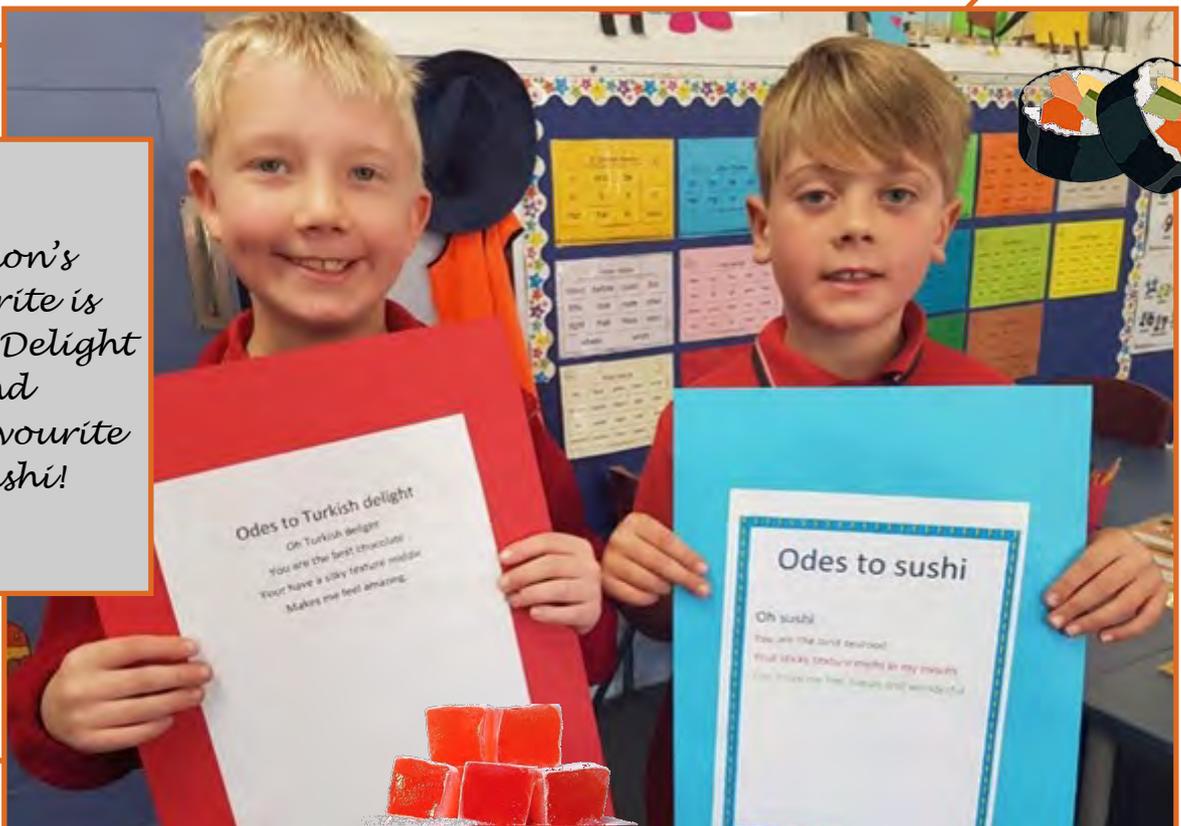

*Daisy loves  
Watermelon  
And  
Zack loves  
hot chips!*

© Can Stock Photo

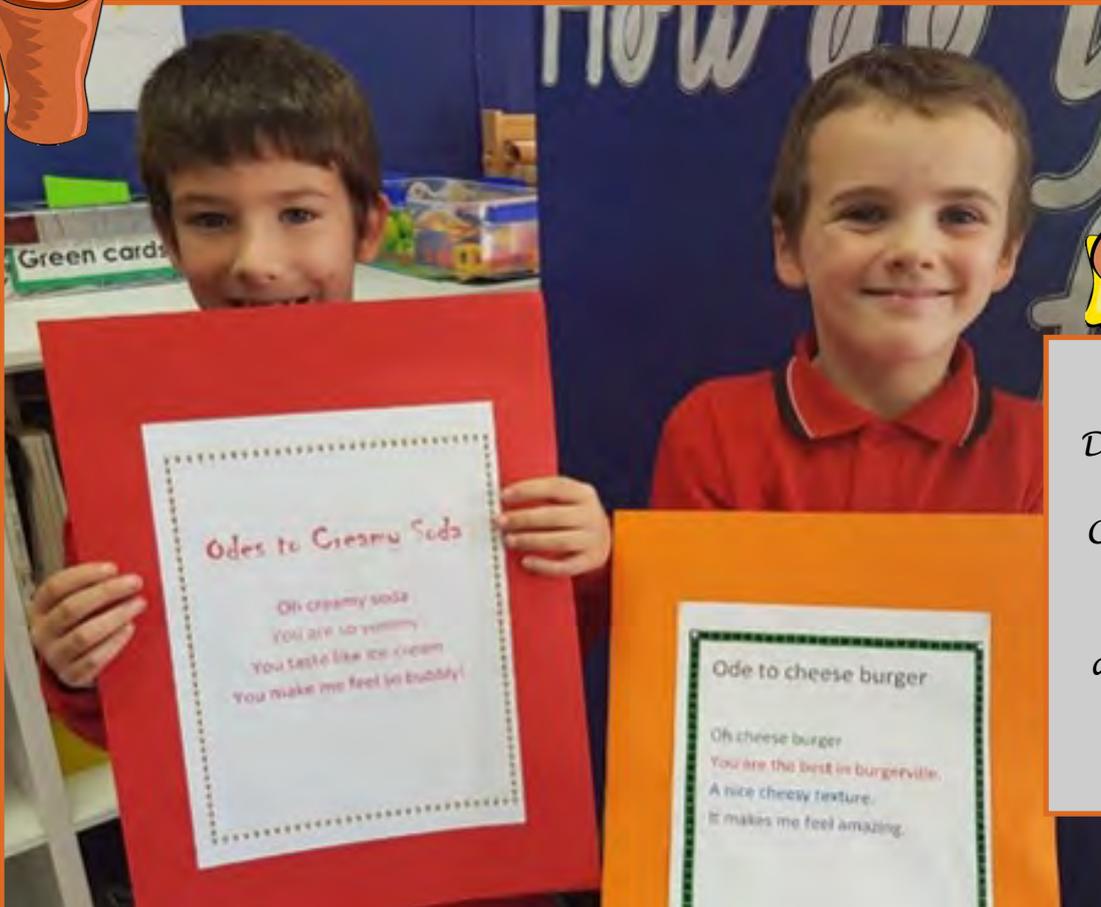

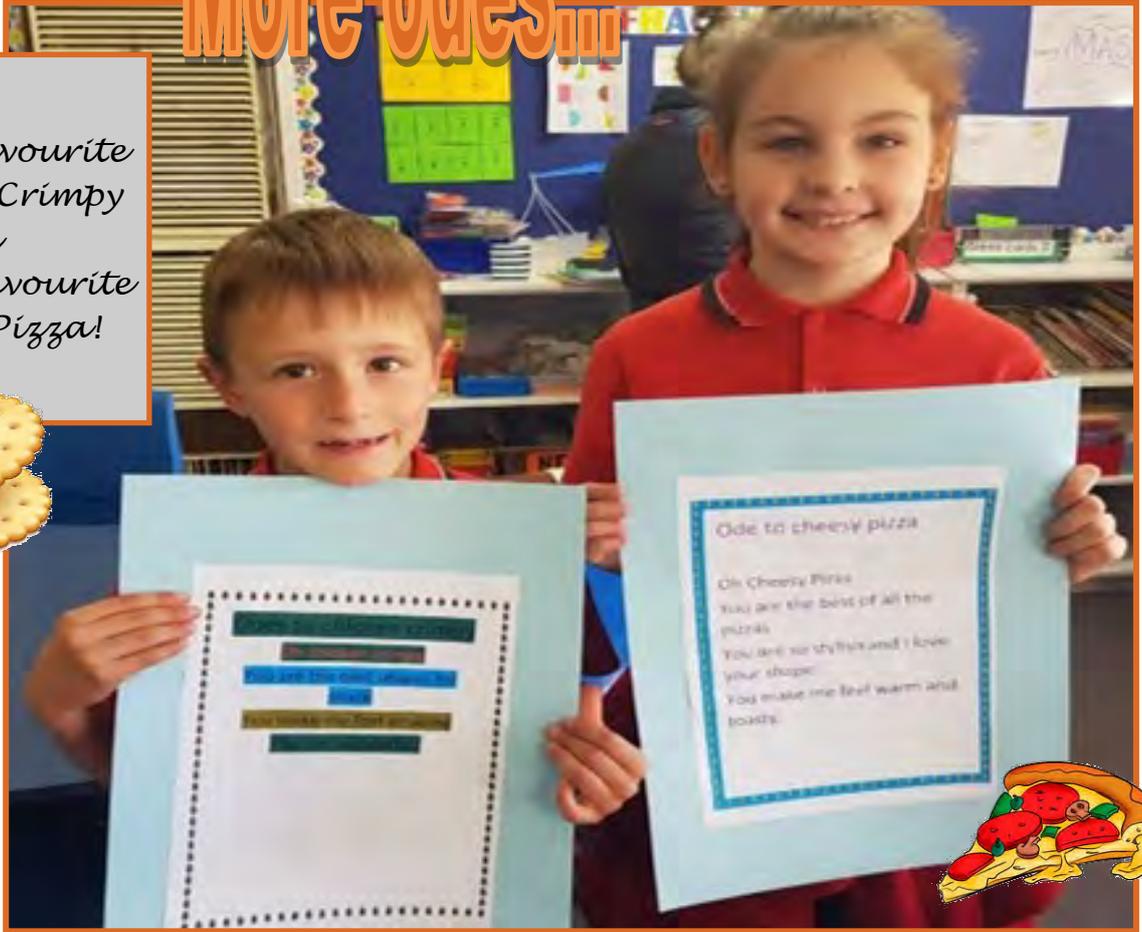

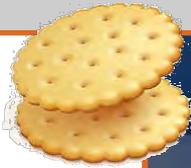

*Damon's  
favourite is  
Turkish Delight  
And  
Tex's favourite  
is Sushi!*

# More odes...

*Easton's favourite is Chicken Crimpy and Isabelle's favourite is Cheesy Pizza!*

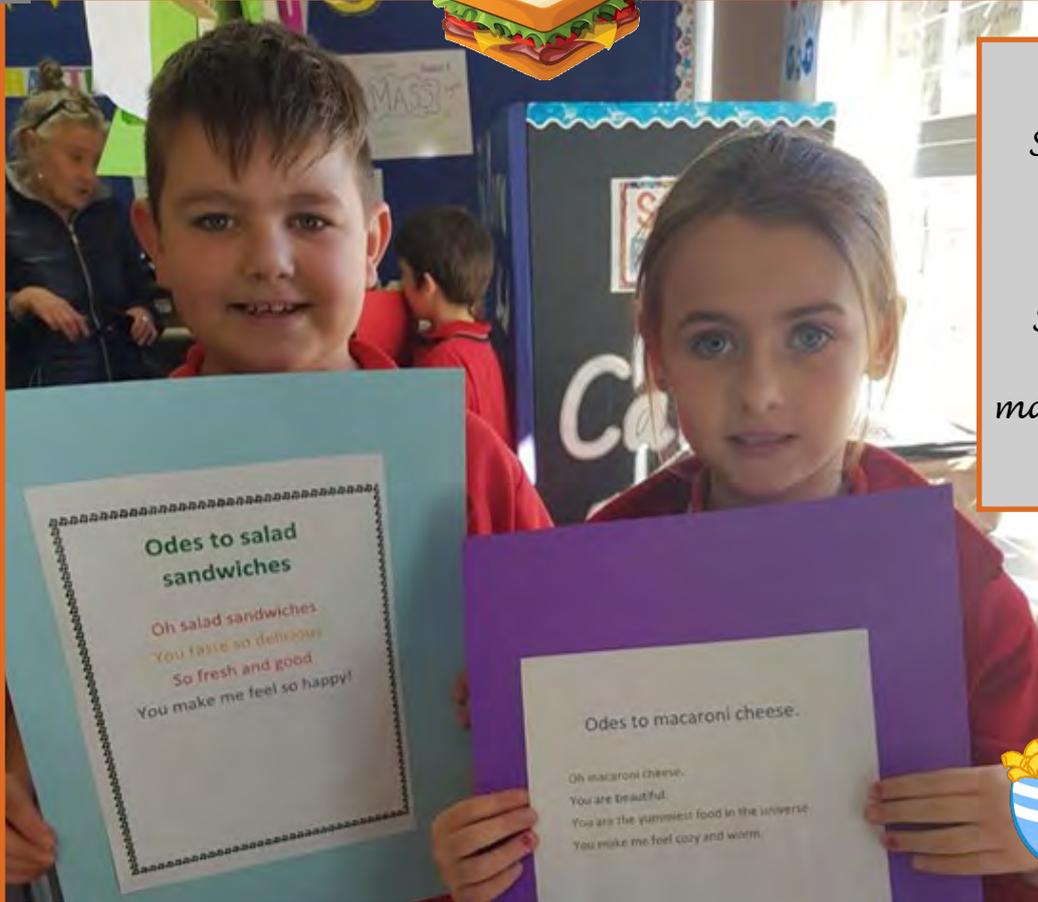

*Deegan wrote about Creamy Soda And Sam wrote about cheese burgers!*

### Odes to Creamy Soda

*Oh creamy soda  
You are so yummy  
You taste like ice cream  
You make me feel so bubbly!*

### Ode to cheese burger

*Oh cheese burger  
You are the best in burgerville.  
A nice cheesy texture.  
It makes me feel amazing.*

*Samuel wrote about salad sandwiches  
And Sienna wrote about macaroni cheese!*

*Max loves Sushi  
and Maddy loves cucumber!*

It is with saddened hearts that we also say goodbye to Max! We wish him and his family all the best in Darwin. Grade 2 will miss you Max! - Mrs Lock

# HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

## Prep O and Year 1 AH visits to Myrtleford Lodge

Prep O had a visit to Myrtleford Lodge on Tuesday June 12<sup>th</sup> and Year 1 AH visited on Friday June 22<sup>nd</sup>. Both classes read to the residents then joined them in singing some nursery rhymes. The pet therapy dog even joined in when Prep O visited. The smiling faces in the photos says it all about how much our visits mean to everyone.

**HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge**

Myrtleford Lodge's pet therapy dog also joined the class last Friday.

**Quote of the week:**

Our children need our presence, not our presents.

**Generation Next –The mental Health and Wellbeing of Young People**

I was lucky to attend this conference on Friday June 8<sup>th</sup>. One of the talks that stood out the most for me was the importance of sleep in adolescents. We had a very informative session about teen sleep problems and solutions from Dr Chris Seton. I am very keen to share more of this with parents in the near future but I will give you a brief outline here.

**Are sleep, learning and mental health problems linked?**

What we know is; the three biggest health problems for teens are sleep deprivation (doubled in last 15 yrs), teen mental health problems (tripling since 2008) and learning outcomes in 15 yr olds is declining.

**The most googled question worldwide is.....Why am I always tired???**

Two out of three teenagers don't get enough sleep. The majority of people believe older teenagers need less sleep than their younger peers.

**Science says sleep need is constant at around 9 hrs from 12-18 years of age!**

I look forward to sharing more of this information and solutions with you next term.

*Rosemary*

**YEAR 12 EXAM PREPARATION**

At the end of their VCE the year 12s have to complete external exams for each of their subjects. The English exam is a three hour exam where they have to complete three essays. Two of the essays are focused on texts they have read during the year, however they are not permitted to bring these texts or any other materials into the exam. To help prepare they completed a three hour practise exam this week – Not an easy task. Well done to the year 12s, and keep up the hard work next semester. The finish line is in sight!  
 -Sarena Roso

*Keep up the hard work...the finish line is in sight!*

## 7-12 NEWS with Jenni Gardner

### Year 9 - 12 Exams

Congratulations to all the Year 9 – 12 students who completed their exams two weeks ago. Feedback from the Year 11/12 exam supervisors was that the students behaved in an appropriate manner for exams and generally did a good job of staying until the end of the exams. Well done.

Unit 3/4 subjects will have their next set of formal practice exams during the Term 3 holidays (Wednesday 26th – Friday 28th September). These will be followed by another set of practice exams during the second week of Term 4 (Monday 15th – Wednesday 17th October), in preparation for the VCAA end of year exams beginning with English on Wednesday 31st October. The end of year exam timetable for Unit 3/4 subjects has been released on the VCAA website – next term students will be issued with copies of their individual exam timetables.

### Reports

7-12 student reports will be available on Compass this Semester. If parents would prefer a hard copy report or if you need information about how to log onto Compass, please contact the College office.

### Student Leadership - VicSRC Congress

During the upcoming Term 2 holidays we have four students participating in the VicSRC Congress. This is an exciting gathering of student leaders from across Victoria held at Ormond College Melbourne University over three days. Students participating include Brianna Hines (VicSRC Executive member), Rowan Hulsbosch, Amy Rogers and Shanae Werthmuller. We wish these students all the best and hope that they return next term brimming with exciting ideas for improving our Student Council and better representing the ideas and concerns of the student population.

### Year 9 Future Makers Program – advance notice

Myrtleford P12 College has been fortunate to be offered an opportunity for the Year 9 cohort to participate in the 15 Mile Creek Outdoor School Future Makers Program. For 2017 the program will take place during the last two weeks of Term 3. It is intended that the program will be offered to Myrtleford P12 College Year 9 students for the next three years (and possibly in the years beyond this). After this year we will be able to negotiate with the 15 Mile Creek staff over the timing of the program, but for this year we are locked into the end of Term 3. It is intended/hoped that all of the Year 9s will participate in the program.

From the information provided by 15 Mile Creek ...

*'The 15 Mile Creek Future Makers Program is delivered with a strong curriculum connection to Myrtleford P12 College (MP12). The 15 Mile Creek curriculum will be embedded in MP12's Year 9 program and be delivered in partnership between Outdoor School 15 Mile Creek and MP12. The purpose of the program is to develop future ready young people. As per Outdoor School's vision to be "educating for sustainable living", students will be challenged to become initiators, leaders and managers of change in a world where they have the ability to influence their own futures. The program delivers the learning capabilities through hands on experiential learning. Initially the 15 Mile Creek learning capabilities will be delivered within the Year 9 curriculum, during normal timetabled classes. The program then involves a two week residential component where students attend 15 Mile Creek and undertake a five day, student-led canoeing expedition down the Murray River. Teachers from both MP12 and Outdoor School 15 Mile Creek will deliver elements of the program with a collegiate team teaching approach.'*

A parent/student meeting is being planned, and more information will be made available to students/parents this week/early next term.

### Alpine Shire Youth Awards

The Alpine Shire Youth Awards Committee are excited to announce that nominations for the 2018 Alpine Shire Youth Awards are now open. The Alpine Shire Youth Awards is a great opportunity for our community to acknowledge and celebrate the valuable contribution young people are making in many areas of our community.

Nominations are open to young people aged 12 – 21 who work, live or study in Alpine Shire, nominations close on Wednesday 1st August 2018.

**Nominations  
Close  
Wednesday  
1st August**

We invite members of the public, schools and employers to nominate young people for awards in the following categories:

- Academic : recognising an individual who is dedicated to aspects of academic study.
- Community: recognising an individual or a group who has the welfare of their community and the people within it at heart
- Endurance & Persistence: recognising a young person who has demonstrated personal growth and endurance to overcome hardships or to achieve their goals. This may be demonstrated through but is not limited to family, culture, sexual orientation, geographic location, long term unemployment, health, disability or education
- Sports and Recreation: recognising a young person who demonstrates a strong commitment not just to his/her personal sporting achievements but to the wider benefit of the sport
- Workplace: recognises a young person undertaking part- or full-time work, traineeship or apprenticeship who consistently displays a strong work ethic and a high level of professionalism
- Rural: This award recognises an individual who shows commitment to agriculture or rural life in the Alpine Shire, through work, study or lifestyle
- Performing Arts: This award recognises a young person or group who display/s their skill or talent through performing arts; it is for an individual or group who displays a large amount of determination to succeed in their field
- Visual Arts and Media: We invite young people who excel in the areas of visual arts and media to nominate themselves for this category; their excellence could include (but is not limited to) photography, drawing, sculpture, painting, fashion, textiles or film.

Every nominee will also be considered for the Alpine Shire Youth Award for 12-16 year olds and 17-21 year. The winners of each category will receive a trophy and prize money with runners up receiving a certificate of acknowledgement.

The Youth Awards evening will be held at the Mount Beauty Community Centre on Friday 7th September and includes local young performers, a guest speaker and dinner.

We are very keen to nominate as many Myrtleford P12 College students as possible – if you know of anyone who you think should be nominated, please let us know, if you are not able to complete the nomination yourself.

Nomination forms can be accessed via the Alpine Shire web page or contact the College office.

**MAKE A DIFFERENCE IN THE LIFE OF A CHILD**

Every day, foster carers with UMFC make an incredible difference to children who are unable to live with their own families. Foster carers can be single, married or partnered, they may own their own home or rent, they work in or way from their homes, some have children some don't. Some of our carers provide respite care one weekend a month, while others prefer to care for children in emergency or short term placements.

Foster carers need a commitment to children, a willingness to undertake training and assessment and the eagerness to give it a go. Training and 24 hour support is provided. Carers receive a non taxed reimbursement.

Our carers tell us that the good times far outweigh the tough, and their lives are enriched as they help a child move toward reaching their potential.

UMFC is currently seeking foster carers in your region. For more information contact Jeanine on 02 6055 8042, or 0429 552 520 or our see our Facebook page or [www.umfc.com.au](http://www.umfc.com.au)
