### Year 12 Exams

Our Year 12 students have now completed their VCE work requirements. They are approaching this break with plenty of revision and exam preparation work to be completed. They will sit practice exams during the first week of the holidays and attend revision classes during the break. They will be back at school for three weeks in Term 4 before they begin the formal end of year exams. Parents can support them by ensuring adequate time is set aside for home study over the next few months.

### Hats compulsory during Term One and Four

A reminder that Myrtleford P12 College is a Sun Smart School, this means that all our students need to wear a hat when outside during Term 4. All uniform items, including hats can be purchased locally at 'Billy and Me'. If you are having problems purchasing any uniform items due to genuine financial difficulties please contact me at the College to confidentially discuss your situation.

### End of Term - Well done Myrtleford P12 College!

Congratulations to our whole College community, students, parents and staff, on an excellent first three terms. On behalf of all the staff at Myrtleford P12 College I would like to wish all our families a safe holiday period. We look forward to seeing everyone next term. School resumes for Term 4 on Monday 8th October.

# SNOW EXPERIENCE YEAR 5/6

## Aaron and Declan's recount....

### Snow camp

On Wednesday, we went to the Bright Chalet to go skiing, most people on our camp had never skied before. The newbies went in one group and the more advanced went in another group, then we got fitted into our stuff. Our room was the best, we had a king bed, single and a bunk also there was four in our room; Declan, Alex, Aaron and Jonah.

We all went in to the nearest town, which is Bright. We got to choose little groups and were allowed to go anywhere in town. Declan, Alex and Aaron went to Subway for something to eat, we all got similar subs. Then our group went to Sweet Retreat and got lots of lollies. We all met at the Bright Clock Tower and then headed back to the Chalet.

Once we got back to the Chalet it was just all relaxing in our room. We had our showers and got ready for dinner. The dinner was half decent, we had baked potatoes, chicken nibbles, lasagne and fried chicken. Seth (aka KFC)'s whole plate was covered and Mrs Bigger had none.

On Thursday we went cross-country skiing at Dinner Plain with our instructor Nathan. Nathan taught us to ski down a little slope at Dinner Plain. And then we did a little loop around Dinner Plain. Dinner Plain is a little place where the cattleman used to go for dinner because there was berries and lots of food. Then at lunch time we went back to have lunch. For lunch we had beef sausages and snow cones in cups.

On Friday we went downhill skiing, sadly we did not get to do Summit or the Big D because it was too windy for the lifts to run. Our instructor Simon taught us to go down a small hill. It was hard with the roaring wind blowing in our faces, it felt like a million pins hitting our chins and necks, pretty much anywhere that wasn't covered. Around us there were lots of adults learning to downhill ski as well.

After skiing we went to Dinner Plain to pick up the more advanced group. We had our lunch and left, but when we were passing Hotham the bus got leaves and dirt in its fuel and broke down. Then we had to wait four hours until the other snow bus came to take us down the mountain, back to Myrtleford and our wonderful families. While we were waiting we played hot potato with the football. It was fun and we included everyone.

Finally the new bus came to save us from freezing or starving to death, because we didn't feel like eating our class mates. Then we headed down the mountain because a bus driver from Omeo was really nice and gave up two hours of his own time. He was only going to Bright and he was going home to rest, but instead he took us home to Myrtleford.

### MYRTLEFORD P-12 PERFORMANCE EVENING 2018

*Congratulations to all the students that performed on Wednesday night. What a fabulous evening of entertainment! Many thanks also to producer Jo Milford, and her many helpers behind the scenes as stage hands and technical assistants, and staff that helped and participated in any way.*

## Talking art with Mrs Craftwright

Well what a fun and busy term it has been in the Art Room! As you have probably already seen, the hallway is alive with so many wonderful creations. We have made papier mache sculptures and now we are all busy weaving; Branch weaves, God's Eyes, pom poms and more. I'm so impressed with the skills and creativity shown by our clever students and I'm hoping that these new skills will come in handy over the holidays, as students have a go at transferring their new techniques into creating more of their own master pieces at home. I know quite a few have already started making their own weaves at home and teaching brothers and sisters, which is so lovely to hear. Please come and check out the art work up near the Art Room before or after school but please remember to show respect and not touch any, as they are all very precious. Thanks to those who have donated wool to the Art Room. After such a busy term creating, our stocks are low so all donations of wool are greatly appreciated. Enjoy the sunshine!

## Myrtleford Alpine Race Team (MART) 2018

Over 60 students and 28 teachers and parents were involved in this year's MART program. Twelve primary and secondary students learnt to either ski or snowboard for the first time with those students now confidently tackling the big slopes at Hotham.

At more advanced levels, we have seen a flowering of skills and confidence, particularly among a group of young hotshot primary school level skiers. The skills and confidence displayed by these youngsters shows promise of great things ahead.

From each of the schools, sincere thanks to all the parents and teachers who have generously given their time and expertise to make the 2018 MART program a success. We cannot run this program without your support, dedication and care.

With thanks - Ms. Kate Hawkes, Mr. Phillip Newman & Ms. Cate Sutterby (Marian), Mr. Adam Davis (St Mary's)

## On the FARM

On Tuesday we had our first ever school excursion! We went for a small bus ride out to Mudgegonga for a visit to Mrs Craftwright's farm. We were so lucky to have such beautiful weather for exploring.

We did some animal feeding, collected the eggs, built a scarecrow, did

some farm baking and enjoyed the sunshine. We had the most exciting day with some very tired eyes on the way back to school.

Ms McIntyre, Mrs Craftwright and I were super impressed by the students remembering their manners and being safe on the farm.

All of the Preps and their teachers would like to say the biggest thank you to the Cartwright family for allowing us to visit and learn from their farm.

*Miss O'Donohue*

Savannah and Harli enjoyed making the farm biscuits  
Cooper enjoyed going on our farm walk and exploring the different areas.  
Cierra enjoyed feeding the animals.  
Charlotte: 'My favourite thing was the dogs on the farm.'  
Shyanne: 'I liked making the scarecrow the best.'  
Emmerson: 'I loved seeing the horses.'  
Pippa: 'I liked playing in the cubby.'

## YEAR 4 RAISING AWARENESS OF PLASTIC POLLUTION

As part of our River Detectives Unit the students have been learning about the devastating effects that plastic pollution is having on our environment. As part of this Unit of Work they designed a poster to help bring awareness to our local community of this issue.

On Tuesday 18<sup>th</sup> September the Year 4s walked up to the shops in Myrtleford to present their posters to the local shops. As you are out and about in Myrtleford in the near future please look out for these posters and read the interesting and alarming facts that the students have written about. We would also like to thank all the shop keepers who listened to the students present their posters and for allowing them to put their posters in the shop windows.

## HOLE NO MORE!

The school took the opportunity to turn a maintenance job into a class session. AJ Gribbon a local plasterer was called in to fix a hole in the wall, so a number of students came along to watch and ask questions about what was involved in plastering. A number of the students got the chance to experience a bit of hands on with AJ. Pictured here, Emilee McPherson and Jack Quinn. Thank you AJ.

## VCAL RAFFLE A PICNIC TABLE

On Thursday 13th and Friday 14th September, VCAL students organised and conducted a raffle down at COLES supermarket. They were selling tickets to raise money for former Myrtleford P12 student Jordan Miller. The prize was a picnic table constructed by Emilee McPherson. The winner of the Raffle was Geoff Jagoe from Ovens. He was very happy with his win, commenting on how well the table was constructed, and also what a great cause the students were raising money for.

On behalf of the VCAL class I would like to thank the Staff, Students, COLES and the community for supporting the VCAL raffle.
