Prep to Year 6 Celebration Evening

EMPAC was packed to the rafters last Wednesday night for the Prep to Year 6 Celebration Evening. It was another successful school event and a fantastic community occasion. Family and friends could not help but be impressed with the maturity, talent and leadership qualities of our students.

Our children deserve the best possible education and we will continue to work hard to provide an environment that helps them achieve their full potential. We are very proud of all our children and I look forward to them progressing through the College and becoming leaders of the Myrtleford P12 College community.

Thank you and well done to all the Prep to Year 6 staff and students. More details regarding the award winners can be found in this newsletter.

Goodbye to our 2018 Year 12 Class

Our Year 12 students completed formal classes this week. All students attended a general assembly yesterday to say goodbye to the Year 12's. They shared a morning tea and a catered lunch with College staff. The first VCE exam is English which will be held on Wednesday 31st October. All exams will be held at the Ablett Pavilion. The whole College community wishes them well. The Year 12 graduation evening will be held on Thursday 22nd November.

Year 12 students in dress up for their last day at school.

Twilight Fair

A reminder that the Parents Club Twilight Fair will be held on Friday 9th November. Please come along to have some fun and support our hardworking parents whose fundraising helps support all our children. Looking forward to seeing you there.

Student Free Day

A reminder that classes will not be running on Monday 5th November. All staff will be engaged in professional development for the day, including updating their first aid qualifications. Normal classes will resume on Wednesday 7th November following the Melbourne Cup Holiday on Tuesday.

Myrtleford P12 College is a Child Safe School.

All our Child Safe policies can be accessed on the College website.

Prep – 2 Zoo Trip – Friday 12th October, 2018

On Friday, 12th October, over eighty Prep-Grade 2 students and staff woke nice and early for our trip to the Melbourne Zoo. We began to assemble at the SLC from 6am and by 6.20am we were all on the bus, ready to go.

Merv and Luke, the bus drivers from Alpine Spirit, did a wonderful job of driving us down to Melbourne safely. The excitement and enthusiasm of the students was

bubbling the whole way down, which spurred the teachers on!

Once we got to the zoo, the moods of everyone were at an all-time high. We began with a quick snack and then off to see the seal show, where a seal named Tarwin, taught us the importance of blowing bubbles and not releasing balloons into the air.

Over the next few hours, the Prep and Grade 1 students

went to a zoo 'lesson' where they learned all about different animals and their habitats, while the Grade 2 students got to explore the zoo and discover as many animals as possible.

It was such a fantastic day of discoveries and learning, with lots of new memories made. This trip is not possible without the support of the Parents Club and we wish to thank them very much for their continued support of this trip. We would also like to thank the parents for having the students at the bus stop on time.

Prep – 2 Team.

SECONDARY HUME ATHLETICS

Myrtleford P-12 College sent a small but talented Athletics team to Hume Athletic Carnival. The team members were Declan Bren, Dominic Bedendo, Liam Morgan, Liam Macgowan, Zachary Allan and Ned Pascoe. The conditions at Alexander Athletics track were perfect for a great day of competition. The results for the day were:

Dominic Bedendo 1st 16 Males High Jump with a 1.8m jump

Declan Bren 1st 16 Males 200m running race

Liam Macgowan 3rd 14 Males 1500m running race

Liam Morgan 3rd 14 Males Javelin

Zach Allan 2nd 13 Males Discuss

Ned Pascoe 5th 14 Males Long Jump

Both Declan and Dominic have qualified to represent the College and Hume Divisions at the State championship in Melbourne on the 22nd October.

A fantastic effort by all of our competing students.

Clint Slotegraaf

PRIMARY SPORT

Term 4 has seen the primary students attend multiple sport outings already, with many more still to come. In week one, we took one of the largest primary Athletics teams we have ever had to Wangaratta to compete in the annual Ovens and Mitta district carnival. The students all put in an outstanding effort, with special mentions going to Lachlan Macgowan (5), Lily Notarianni (4), Summer Caponecchia (5) and Clancy Crisp (5), who all qualified through to the Hume Region carnival for their respective events.

These students all had commendable results at the Hume Region Carnival last week – with Summer picking up a 3rd place medallion for her efforts in Hurdles. We are so proud of her results, given she only started training for hurdles late Term 3 and has not previously competed in this event! Well done Summer!

Following this, all Year 5/6 students enjoyed a fun day out at the Cricket T20 blast series hosted by Cricket Victoria. For the second year running, our girls team beat St Marys in the grand final (by 1 wicket!) to qualify through to the regional finals in Shepparton in the coming weeks. It was a nail biter of a match!

In the coming weeks we have our 5/6 cricket and basketball teams heading to Shepparton to play qualifying schools in the regional finals for these sports. We wish all those involved the best of luck.

PARENTS CLUB NEWS

TWILIGHT FAIR

The countdown is on for the second biennial Twilight Fair on Friday 9th November.

Primary and senior student classes are organising an array of activity and games stalls, such as the wet sponge toss, donuts on a string and the watermelon smash. Fun!

For dinner there will be a broad menu of food items including homemade bolognese & pasta, BBQ, pies, spring rolls and Vietnamese dishes, as well as Fair treats such as fairy floss, toffee apples and milkshakes.

Food Tech students have also been busily preparing Christmas cakes and assorted preserves, perfect for the upcoming gift giving season.

Also come along for rides & amusements, Myrtleford Historical Society's school display, second hand books and treasures, and the return of the popular Haunted House.

HELP PLEASE!

For the coffee and cake stall, requesting donated cakes, slice or biscuits. Plates will be sent home next week or are available from the Office. Please deliver donations to the Office on the day of the Fair (Fri 9/11).

Also seeking donations of small, low cost items for the lucky dip.

Keen to help and haven't got a job? Contact Claire 0439488378

NEXT MEETING: 1:30pm Friday
2nd November in the staffroom

We need donations for the Lucky Dip at the School Fair! Any little gifts are good; toys, gadgets, rubbers, pencils, wrapped sweets, picture frames, soaps, art and craft goodies, keychains, etc...

Please drop any donations into the office. Remember it only has to be little. Lucky Dip at the Fair will only cost a gold coin!

Ashley's Corner

Newsletter Article One.
 Warning, may include some sarcastic comments.
 Welcome to the first installation of Ashley's corner!
 Where I talk about something completely random within the school community. As a first piece, let me introduce myself a bit. I'm an enthusiastic writer, and I'm always looking for new juicy future articles that may come around!

One of my favourite things I love doing as a person is homework! Specifically, Maths Mates! Aren't they just the best thing in the world!? Homework is a great opportunity outside of school to do math problems that feel fun and challenging. Especially the problem solving questions you may find on the high school Maths Mates. Those are easily the best!

I personally am a Year Nine student, about to enter Year Ten. Whilst I love my class, as I seem to be able to make friends everywhere, the best thing about Year Nine is easily the exams! Exams, if you didn't know, are really hard tests, similar to Naplan tests. They are just totally awesome! On that note, rainbows are also awesome in every single way!

Lastly, check out this sick selfie photo someone got of me inside of class.

MYRTLEFORD SHOW ART WORK DISPLAY
 Be sure to check out the students Art work at the Myrtleford show! The students have been working very hard all year and much of their work is on display this weekend.
 Thankyou to all my helpers during the set up process!

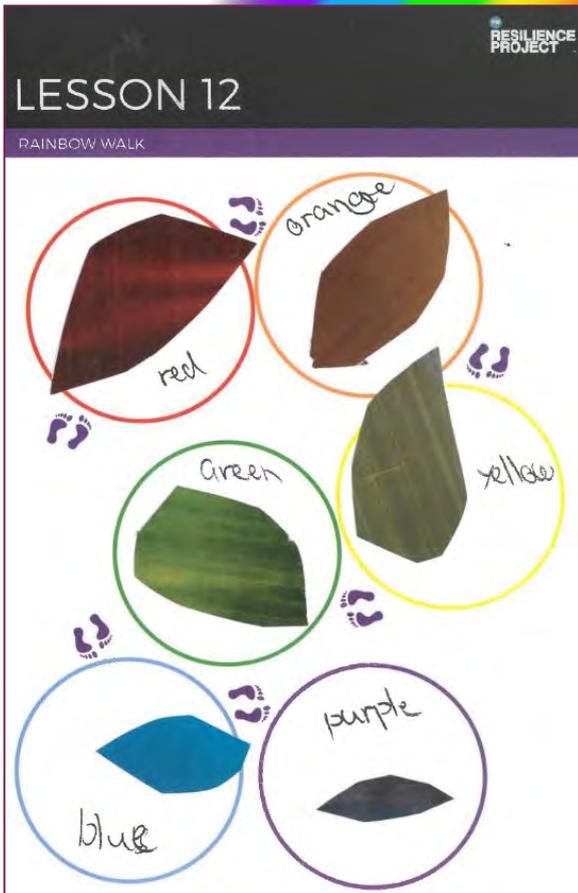

A little sneak preview...

A few more words from the Parents Club....

As well as the array of Show activities on Saturday 27 October, be sure to check out the artwork and cooking entries by Myrtleford P12 students. Mrs Craftwright gave a huge input of time preparing group displays and entries by every primary student, with labelling help from Kaleena Kneebone and students Zoe Lyons, Alyssa Allan, Will Slater, Nathan Gunson & Emlyn Connor.
 It takes time to display the work too, and this was curated by Kaleena Kneebone, Jacquie Davis, Tara Menz and Meagan Parr (St Mary's), plus Year 11 student helpers Alyssa Allan, Sam Pirrone and Riley Lunardi.
 Great work, thank you-*Claire Stock*

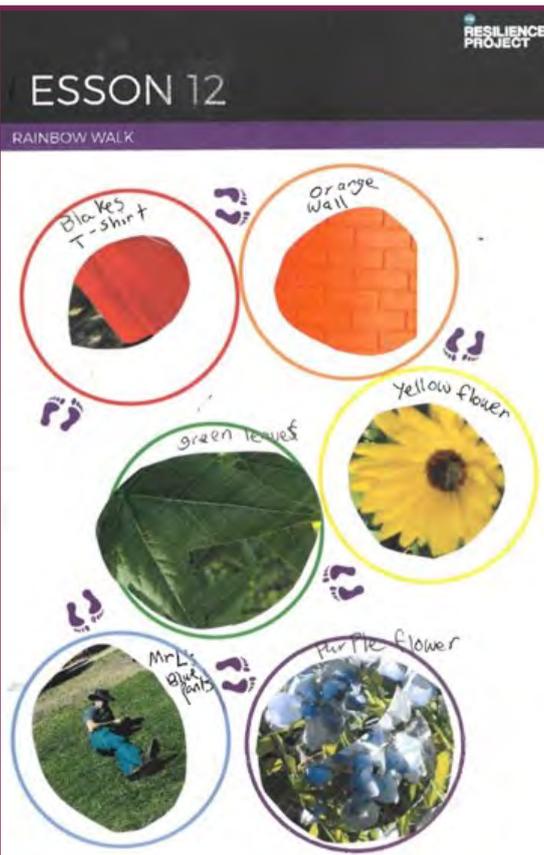

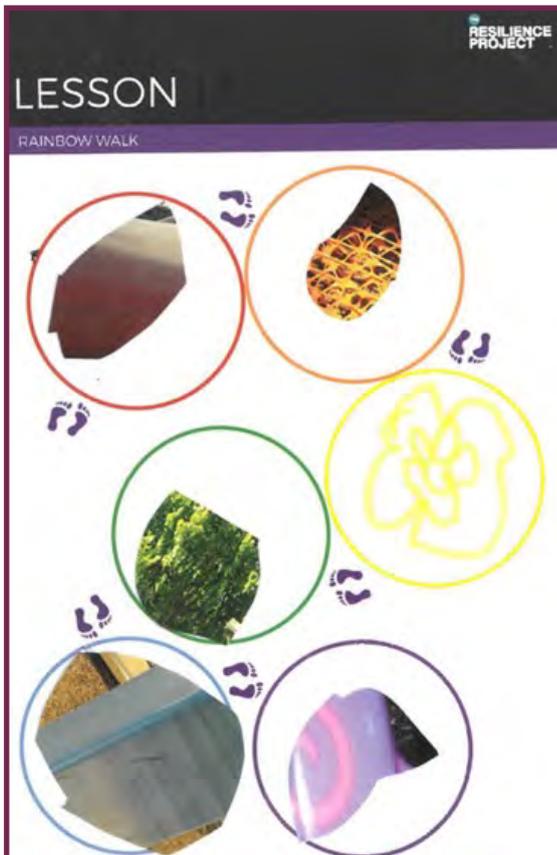

Rainbow Walk in 6L

Rainbow Walk in 6L

The Rainbow Walk is a mindfulness activity where you notice things around you using the colours of the rainbow. 6L did this activity as part of the Resilience Project. We worked in groups of five to walk around the school and take photos of things using the colours of the rainbow. For some examples we did a T-shirt as red, an orange as orange, grass as green, a glue stick as yellow, the sky as blue and a painting as purple. This is a good activity to do if you are stressed out as it helps you relax and take your mind off your problems.

WALK TO SCHOOL

Lunchtime walks for 'Walk to School Month' have had a very keen participation by the primary classes, even bringing their stuffed animals along! It is lovely to walk around the school and visit the beautiful settings we have here at Myrtleford P12 College.
