## A few words from the Principal.....

### A semester worth celebrating

Congratulations to our College community, students, parents and staff, on a successful twenty weeks of learning. This half year has again been a busy one for our College with lots of activities happening inside and outside the classroom. As mentioned in the previous newsletter, the College has been involved in a very comprehensive review process. The findings of the review have been very positive and recognise the hard work of our school community in building an excellent learning environment that supports the needs of all our children. The reviewer's report will be completed early next term and will form the foundation of our new four year Strategic Plan outlining our goals, strategies and targets for the 2019 – 2023 cycle. We look forward to sharing this with you.

### End of semester reports

Semester One reports have been completed. Prep to Year 6 reports have been sent home. Reports for students in Years 7 to 12 are now available on Compass. The midyear report is an important indicator of how your child has progressed in their learning. Parents will be able to get a sense of whether their child is maximising their learning opportunities and what their child's strengths and areas for improvement are. An important role that parents can play in this process is to discuss with your child their goals for the second semester.

### End of Term

On behalf of all the staff at Myrtleford P12 College I would like to wish all our families a safe holiday period. Keep warm and we look forward to seeing everyone next term. School resumes for Term 3 on Monday the 15th July.

...Zlatko Pear

**5C's Moments of Awesome for the first half of the year!**  
**We couldn't decide on ONE event to share, so we've all decided on our top three moments of awesome so far this year!**

1. Math, because it is my favourite subject. Also it is great because people don't know stuff but when they learn it they will be 'click click click', and they say just "I learnt something just then, great!"  
 2. INTER SCHOOL SPORTS, because of how much fun we had and all the adults could see how much we have improved.  
 3. Writing, because we can tell them about poetry, the onomatopoeia and also similes and way more. We can show how great and amazing we are. *-Sienna*

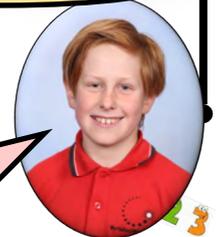

**5C**

1. P.E. with ya boy Mr Sharp. He is fun, like all the time.  
 2. A magpie pooped all over the wall.  
 3. Miss Hawkes getting swooped by the magpie that pooped all over the wall. *-Josh*

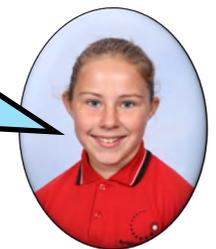

1. Following Miss Conroy on her bike ride because it was fun!  
 2. Art, because I learnt something I didn't know.  
 3. Math, because I know more about things than I used to. *-Ashlee C*

1. Science, because we got to learn about our solar system. I've never learnt about our planets so it was a great experience.  
 2. Sport, because its great exercise and it is a colossal amount of fun.  
 3. Maths, because it's not just boring worksheets. We can work in a group to solve awesome problems." *-Will*

1. My favorite part of the term was writing because I learnt about figurative language.  
 2. I also liked reading.  
 3. The last thing I enjoyed was math. *-Jordan F*

1. My favorite subject would probably be P.E., because we are outside and have lots of fun.  
 2. I also liked setting personal goals because we got to reflect every week and achieve something new.  
 3. I liked math because we went outside and got to research every topic we did. *-Molly "strong bones" Knobel.*

1. Watching the bird fly inside.  
 2. Choosing the class jobs.  
 3. Getting to do only 8 things in homework. *-Riley "Lil' Ninja" Lenanne.*

**Top 3 moments**

1. Inter school sports because we got to do many different sports.  
 2. Italian.  
 3. Art. *-Geordie*

1. Writing, because we got to do poems and I LOVE poems. Also we got to do Narratives.
2. Art, because we get to do paper mache and a LOT more fun things.
3. P.E with Mr Sharp, because he makes the stuff that we do fun. Also, I like playing some sports that we have done! -Ayla

1. P.E., because I love going outside and getting active.
2. Reading, because I love making up narratives and reading funny stories.
3. Following the bike ride, because I loved watching Miss Conroy's videos of her getting active and having fun. -Ashlee M

1. Writing, because it has improved and I write a lot more since the start of the year.
2. Math, because I have improved a lot.
3. P.E., because we got to do football. -Jordyn N

1. P.E., because it's fun and we can learn new things.
2. Winter sports, because we didn't have to do any school work.
3. Maths, because I got to learn new things about angles. -Logan

Top 3 moments

1. Learning about angles and using a protractor.
2. Playing footy with Mr Sharp.
3. Scoring five goals in basketball in interschool sports. -Archer

5C

1. Science, because we get to learn about light.
2. Maths, because I like plus and subtraction.
3. Cooking, because its nice AND YUM. -Gabe

1. Maths, because it has been my favorite subject and I've liked it for nearly my whole life.
2. P.E., because it is fun to run around and learn more sport.
3. Reading, because I get to read more of the Captain America books, to see which is better. -Brackston

1. My favourite part of school for the first semester has been winter sports, both footy and soccer.
2. P.E., because I love sport and I learnt so many techniques whilst having a ball.
3. Italian, because we did virtual reality. -Alex Robertson

1. Shining the light to see the colours in science.
2. Making friends because I get to play with them. I love playing with the younger kids as well. I'm also getting more confident.
3. Art and drawing because it's crafty (like me). -Lillian

**The Year 8s have completed a novel study this term on 'Nevermoor – the trials of Morrigan Crow'. Here is a sample of a student's response. Great work Ainoah! -Sarena Roso**

## THE NEVERMOORIAN INSIDER

### *WHAT GOES ON INSIDE THE HEAD OF THE DEVIL? INTERVIEW WITH EZRA SQUALL/ THE WUNDERSMITH HIMSELF.*

BY: AINOAH SEVILLA

Have you ever wondered what goes on inside the head of Nevermoor's most nefarious citizen? Well it's your lucky day. This is no normal article about any celebrity, this is the man, the myth, the legend himself, the nefarious Wundersmith. Today, Mr. Ezra Squall, has agreed to come in for an Interview. This Interview took place outside of Nevermoor and no one was harmed in the making of this article. Scared? Good, now look away for this may give you nightmares and fill your head with thoughts. Want to know more? Continue reading, I applaud your courage and inquisitiveness. Last chance to look away.....

Mr. Squall and the Wondrous Society asked that his picture would not be shown to the public.

#### Warning:

This Interview was authorized by the Society and Mr. Squall himself. Do NOT under any circumstances go looking for the Wundersmith. A treaty was signed for the making of this article and special equipment was used to ensure he did not follow us back to Nevermoor.

Over a century ago, Mr. Ezra Squall, the Wundersmith, got banished from Nevermoor. Over the course of the interview, he asked us to call him Mr. Squall rather than the Wundersmith. He kept a calm demeanor throughout the interview and not once did he lose his cool, well he may have unleashed his rage once, but he just sat there answered questions and strangely, hummed a lot. Weird isn't he? Also, he looks surprisingly young for a centenarian, more like an evil Captain America and Older Lord Voldemort, well at least he has a nose. Be ready for answers that are selfish, nefarious and extremely narcissistic.

Now onwards to the actual interview. When asked about his thoughts on it he stated, "I honestly don't get why, I was just using my power in the way that I wanted to, there's nothing wrong about that. Not to do so would only make it useless and weak. I see it as a gift that I should use to its full extent". Yeah right, because your "using of my gift" did not kill anyone, Oh wait it did.

Anyways, I later questioned him on his intentions with the "cursed children" and what he does with them, out of curiosity. He replied "They either pose a threat to me and my power or have potential to become my heir. The Hunt of Smoke and Shadow hunt them down for me and... Wait, why do you want to know?" Unfortunately, I couldn't get any more information about this topic, dismissive much?

## *MORE INFORMATION ON THE INTERVIEW WITH MR. EZRA SQUALL, THE WUNDERSMITH.*

Not actual image of Mr. Ezra Squall

Still reading? Wow, you must have a knack for knowing and unknowing things or a knack for sleeping soundly at night despite having a brain full of nightmares. The following part of our conversation is quite more sinister than the previous part, so If you didn't get scared reading the parts before be warned, this is NOT for children who are easily frightened and you might have a bit of trouble sleeping after reading this.

It has been recently revealed to me by Ms. Morrigan Crow and her patron Captain Jupiter North that Mr. Squall has been interested in making Morrigan his apprentice and heir. When asked about this, Mr. Squall's mood has changed and with a thin smile he stated, "Ms. Crow has been quite an interesting person, she has the power and I believe I can help her, unlike those *Wundrous* Society fools". Yes I'm sure you can "help" her.

Ezra Squall has also stated, "Not accepting my offer was a big mistake that she has made. Unlike those imbeciles in the Wundrous Society, I could help her become just like me, a truly powerful Wundersmith." One of the last questions we got to ask Mr. Squall was how he felt about Morrigan, the trials and the Society, "Nonsense" he replied, "a person should be judged on their power and only the best should join". "Think of the wasted talent that could have been useful, "virtues" and "great personalities, Bah!", he added "the Society really should be making better choices on how they pick, that is how I am different to them, I know the best and have a clear view on potential, they do not and one day they will fall." Creepy, huh.

Here comes the best part, the cherry on top of this article. Be warned, he is a psychopath and might be using this interview to manipulate and wreak havoc, he might attempt to use this to learnmonger.

Ever wonder on what he plans next? Here you go, the answer handed in a silver platter. What does he intend to do? As he answered this question, he has the largest, menacing grin on his face. "What do I plan to do? I would get revenge and you people of Nevermoor? Ha! You all would not stand a chance. Be ready, Morrigan, I WILL get you one way or another, the Gossamer line? Child's play". Nearly screaming, he added, "YOU HAVE NOT SEEN THE WHOLE OF MY POWER, MORRIGAN. THE WUNDROUS SOCIETY WOULD NEVER, NEVER, BE ABLE TO KEEP ME FROM MAKING YOU MY APPRENTICE AND HEIR, JUST WAIT. **PEOPLE OF NEVERMOOR, YOU WILL COWER BEFORE ME, AFTER ALL THESE YEARS I WILL FINISH WHAT I STARTED, JUST YOU WAIT. YOU KNOW WHAT I CAN DO, I CAN DO IT ALL AGAIN**". Then, he smiled and then stormed off, disappearing into the darkness.

And... He just vanished on us, rude I know. Well that wraps up this interview. Was he telling the truth? Or was he just saying empty threats for the sake of fearmongering? Whichever it is the people of Nevermoor should not panic, the Wundrous Society is investigating on the recent happenings and nearly has an answer on how to defeat Mr. Squall or at least keep him out.

**Next week: Interview with the one and only Cadence Blackburn. Find out what her intentions were on helping the one and only, Morrigan Crow. Is she her friend or foe? All in the next article coming next week. Preorders available.**

**COLLEGE ANNOUNCEMENTS**

This week we are saying farewell to Maud. Maud is a Year 11 exchange student from France. She has been in Australia since the beginning of the year and has made good friends in the Year 11 class, who have promised to visit her in Europe! Despite having limited English skills when she joined us, she has been able to participate in the VCE program with some very good results. She has been a positive and friendly addition to our community. We wish her all the best and to come back and visit us in the future.

“We’re really grateful that she decided to come here, and be a part of our class, and we’re going to miss her a lot when she leaves. Au revoir Maud” –Mirella Mason  
Good luck Maud!

The Macgowan family have been busy lately, with all three boys qualifying for the Albury Wodonga Football Association representative soccer teams in their respective age groups. Hunter in the Under 11s, Lachlan in Under 12s and Liam in Under 15s. They participated in a tournament recently in which all three teams were country champions of that tournament. Congratulations boys!

**HUME CROSS COUNTRY RESULTS**

Congratulations to Liam Macgowan, who placed first at Hume Cross Country. He will represent our College at the State Cross Country Championships held in Melbourne on 18th July.

**WANTED!**

The Science department are seeking **1.25L plastic soft drink bottles** for upcoming experiments.  
Collect them over the holidays!  
All donations much appreciated.

**ACCESSING REPORTS FOR YEAR7-10**

The reports for Years 7-10 can be accessed via COMPASS on the link below:

OR

via the Compass App

Available free from both Apple and Android stores

Use your parent credentials to access your child’s reports.

**PARENTS CLUB NEWS with Claire Stock**

**POPCORN GIVEAWAY**

Parents Club offers several free lunchtime giveaways each year; last term was icy pole sticks and this week we fired up the popcorn machine. Using 14 packets of kernels, we made approximately 280 bags of popcorn for students and staff to enjoy. This added to the casual day atmosphere for the Adopt a Farmer fundraiser, organised by the Student Representative Council. We appreciate the help by Kaleena Kneebone, Haley Arbuckle and my mum Helen White, for making and handing out the popcorn.

**PIE DRIVE**

Forms for tasty treats from Heiner’s Bakery were handed out over the past week to the youngest student in the family. Didn’t get a form? There are spares available from the Office. Students have the holidays to sell the sweet and savoury pies, pasties, vegetarian rolls and lamingtons, with forms due back by Monday 22nd July. Orders will be ready for collection between 3:00-3:30pm on Wednesday 31st July. Seeking helpers to pack orders on the day - contact Claire if available 0439488378.

**FRESH FRUIT FRIDAY**

Prep to Year 7 students enjoy weekly platters of chopped fruit. FoodWorks Myrtleford generously donates \$50 of fruit each week, with extra fruit purchased by Parents Club as required.

Ann Orchiston and her team of volunteers have been awesome preparing the fruit throughout Term 2, however we need a new leader. This involves receiving the donated fruit then slicing it Friday mornings between around 8:45-10:00am with a team of volunteers. It is also possible to do some fruit preparation Thursday evenings, such as chopping oranges. Ask students about Fresh Fruit Friday and you’ll hear their enthusiasm for healthy eating, and they will be devastated if the program ceases. It’s time for someone (or a group) to step up or lose the program.

**NEXT MEETING: 1:45pm on Friday 16th August in the Prince Street staffroom.**

## Time online

**Help your child achieve a healthy balance in their online and offline activities.**

**How much is too much?** There is no magic figure. The right amount of screen time can depend on a range of factors like your child's age and maturity, the kind of content they are consuming, their learning needs and your family routine.

It can be easy to focus only on the clock, but the quality and nature of what they are doing online, and your involvement, are just as important.

**Signs to watch for:** less interest in social activities like meeting friends or playing sport – not doing well at school, tiredness, sleep disturbance, headaches, eye strain, changes in eating patterns, reduced personal hygiene, obsession with particular websites or games, extreme anger when being asked to take a break from online activity, appearing anxious or irritable when away from the computer, becoming withdrawn from friends and family.

**Reducing your own screen time sets a positive example.**

- **Help your child manage their online time**
- **Stay engaged and encourage balance** – keep an eye on the games, apps and devices your child uses by sharing screen time with them. Help them stay aware of their important offline activities, like hobbies and sport.
- **Create a plan** – involve your child in creating a family plan that balances time spent sitting in front of screens, with a variety of offline activities.
- **Use available technologies** – parental controls and tools to monitor online time allow you to measure and set limits on device use of internet access. But be honest and open with children about why you want to use these technologies.
