## A few words from the Principal.....Zlatko Pear

### Kinder Transition

We are very pleased that in 2020 we will once again have two stand-alone Prep classes of approximately 13 -14 students each. These class sizes will provide our students with the best possible environment in which to begin their formal schooling. This will also enable our teachers to build strong relationships and allow them to work closely with every student to tailor an individualised learning program to build on strengths and develop areas of need.

The transition program will formally start on Tuesday 19<sup>th</sup> November when we will welcome our 2020 Prep students to the Myrtleford P12 College community for their first experience of 'big school'. It will be the first in a series of visits aimed at making the transition from Pre-school to Prep as smooth and anxiety free as possible. The students will be at school for a morning session and will be involved in a variety of exciting activities. The transition program will also include teachers visiting our students at the Kinder and will conclude with the State-Wide Orientation Day on the 10<sup>th</sup> of December.

### Dropping off and picking up students

The end of the school day is a very busy time on the roads around the school. Please talk to your children about road safety, particularly about crossing the road and watching out for cars.

As you are aware, Prince St, along the front of the College is a **restricted zone**, meaning students should not be dropped off or picked up along that stretch of road. Parents are also reminded that the car park off Prince St is not to be used as a pick up or drop off point. Parents can pick up and drop off students legally and safely along Mummery Rd. Please support the College in keeping our children safe.

### Year 10 and 11 exams

All students in Years 10 and 11 will complete formal end of semester exams in the week beginning the 18<sup>th</sup> November. This will be followed by five days of 'Headstart'.

### Myrtleford P12 College is a Child Safe School.

All our Child Safe policies can be accessed on the College website.  
<http://www.myrtlefordp12.vic.edu.au>

## COLLEGE ANNOUNCEMENTS

## NAIDOC Competition News

Shea Dyball from Year 2 is one of only 20 pupils across the state to receive a NAIDOC Medal of Excellence as part of an initiative to promote respect and harmony within school communities. One of the ways the Department of Education promotes awareness of NAIDOC Week is through a competition open to all primary and secondary school students in conjunction with Australian not-for-profit organisation Koori Kids.

The 2019 NAIDOC Week School Initiative Competitions saw thousands of students submit their creative entries in a number of categories including a colouring competition for Years K-2, a short story competition for Years 3-6 and creative writing/essay writing for secondary students in accordance with the national celebration. Shea received a medal for her entry in the colouring competition and this was presented by Major Ron Janas at our P-6 Assembly today. Congratulations on this great achievement, Shea!

*Mr Lindsay*

## Premier's Reading Challenge

Well done to these students. They completed the Premier's Reading Challenge this year, reading or sharing the required amount of books from the Challenge list. Fantastic job!

## COLLEGE SPORT ANNOUNCEMENTS

### YEAR 10, INTERMEDIATE GIRLS TABLE TENNIS & YEAR 8, JUNIOR GIRLS CRICKET HUME COMPETITION.

Last week on Tuesday and Thursday, I was lucky enough to accompany some very talented girls across two different sports, Table Tennis and Cricket.

On the Tuesday, Jemmima Wales, Soraya Richardson, Coby Bisinella & Madi Barbisan took on Shepparton, Alexandra & Wangaratta to battle it out on the table tennis courts.

And while there were some good battles, Myrtleford was unlucky to be pipped at the post to come third in the tournament. Each round saw the girls play a

singles match each against their opponents and then team up with a partner for a doubles match.

On Thursday we headed off to Wangaratta again, to play cricket. This time it was with the Year 8 girls, Dakota O'Sullivan, Matilda Lyons, Hannah Pear, Lani Cousins, Olivia Buckley, Jess Cooper, Taylah Geddes, Ava Brock & Summer Caponecchia. The girls won two of their three games which put them in the final at the end of the day against a very polished Wanganui team. The outcome was not in our favour but we still brought home the runners up flag.

The girls showed their skills both batting and fielding with some fantastic bowling and quite a number of 6's. Both days were good fun and played in good spirits. All the girls did our school proud and they should be commended for their efforts. A quick Maccas stop on the way home is always a bonus too ;-)

*Danielle Caponecchia*

### YEAR 5/6 BOYS REGIONAL BASKETBALL

The boys played well, but the opposition was tough. We played four games in total, and won one.

Thanks to Adam Pascoe for driving and scoring.

*Donna Bigger*

### CRICKET BLAST DAY

Students in Years 5 and 6 had a 'BLAST' at the cricket last week, where they participated in a cricket competition against some of the other schools in the area.

The winning Grade 5/6 girls team. They will play in the Regional Finals on November 22nd.

## Year 9 Future Makers Camp

We have been incredibly proud of all Year 9 students participating in the 2019 Future Makers program across the last two weeks. They supported each other beautifully during the camp, and displayed lots of resilience, leadership and team spirit.

Their camp included a very successful 100km canoe journey, over five days. Students paddled from near Tocumwal to Barmah Lakes, along the mighty Murray River. On the second day, challenging weather included rain, hail and 40km/h headwinds! The wooden paddles in the photo were made and used by students on the paddle. Most paddles survived intact!

A huge thank you to all staff who supported students by attending the camp: Sharon Antonello, Clint Slotegraaf, Phillip Tyson, Lia Mitchell, Jake Sharp and Adam Lindsay.

Jess Macrae

**OLD SCHOOL MUSEUM VISIT**

On Friday 3H and 4M ventured down to the old school museum. The students loved looking at all the wonderful items on display and asked very valuable questions to extend their knowledge. Just a reminder that the museum is open on Sunday's from 2-5pm Thank you to John Taylor for his time and wisdom.

**Year 8 Debating**

In English this term the Year 8s have been preparing for debates. In class this week they completed informal 'partner debates' with a peer audience. The speakers were prepared and able to quickly formulate their rebuttals. As audience members they were respectful and gave helpful feedback. Well done Year Eights!  
*Ms Roso*

**Responsible Pet Ownership**

Prep- Year 6 students attended a "Responsible Pet Ownership" talk on Wednesday. Some students had the opportunity to personally meet "Basil" the dog.

Their take home message was...

Owning a pet is a lot of fun and a big responsibility. We need to:

- Choose carefully
- Look after it and all it's needs
- Register our cats and dogs

The students learnt how to be safe around dogs and were reminded to always ask before patting someone's dog.

# Year 4s recount of the Celebration Night

Some of the Year 4 students' recounts of Celebration Night. The students wrote and then self edited their pieces.

*Ms McIntyre*

## Celebration Night

Celebration Night, is about finishing the year out good with a fun thing like dancing or a play or a fairy tale and some other things!!!

First off Ms. McIntyre suggested Old Town Road and I said "yes" but everyone else said "NO. People put it on too much it is ruined." But then Riley suggested the song (fight song) then we all did a vote on songs that we suggested. Then Ms. McIntyre counted up the votes and fight song WON!!!

Then after a long week of working, that Friday we did our first practice! It went pretty well if you ask me then the next Friday we did practice once again. And once again it was pretty good!!! But then we did practice again but this time it was in front of P-6 I was nervous! But Maddie and I were laughing a lot all through it we did not do our best ☹️

Then a couple of days later it was our first dress rehearsal down at EMPAC. Finally it was done after a long time sitting on out butt it hurt a lot I mean a LOT!

Then the day it was a matinee and of course the year sixes did the best one (superheroes unite) it was amazing!!!

Finally it was the night the celebration night I was really scared but then really excited. Then it was our go and for some odd reason I felt fine. But then the curtain's opened and I got all of my nerves back but then I danced I got my confidence back I am so weird.

But after the year threes second performance (Charlotte's web) my back was killing me. Finally it was the year six's (superheroes unite) it was amazing I loved it.

Then it was the end the night the most frightening thing because you don't know if you are going to get an award but then it was Millie and Kyran got the awards I felt really good for them.

Finally it was the end of the night I went straight to Mum and Andy. Now that was the end of my celebration night!

~By Paige.K~

... "Originally we were going to do boot scooting, singing to Old Town Road, but we did Fight Song."  
Kobe Chisholm

The point of celebration night is so we can celebrate the end of the year in front of the primary students and parents.

Our class 4M did a voting system to choose our act we had to vote between 'Old Town Road, 'Sucker, 'My House and 'Fight Song. The majority of the class voted for fight song.

As time went by our class did some practice on the moves for Fight Song. The moves were swaying arms then up down heart around x2, wispy arms then we had to flex our muscles! After we did boxing stance we had to run then arms to the side sharply.

When I got home I chose my outfit it was an Adidas track suit and a yellow T-shirt.

Eventually it was celebration night .The first performance was Safe and sound then Charlotte's Web part 1, Ghost Busters, Fight Song, Charlotte's Web part 2, You're welcome, The Discovery and Settlement of Australia in 18 minutes flat, Square Dance 'til the cows come Home and then Superheroes Unite.

At the end me and Amelia got an award. I got the college Academic Award and Amelia got Friends of the college Achievement Award.

After celebration night I felt extremely tired.

By: Kyran .C

# Year 4s recount of the Celebration Night

Some of the Year 4 students' recounts of Celebration Night. The students wrote and then self edited their pieces.

*Ms McIntyre*

## My celebration night experience

Celebration night is a time when everyone from prep to year six come together to celebrate the year that we have had. It is also a time for our community members and parents to enjoy themselves while we perform.

Me and my class had trouble deciding on our celebration song. After we voted a few times we finally voted on Fight Song.

When we started practicing our dance most of us didn't like it. After practicing for two weeks everyone started to like it but we still had to get the timing right and that was hard to do because some of us were going too fast and others were going too slow, but some people had it perfect.

Getting our costumes was really easy because all we needed was dark pants and bright tops. So most people had theirs ready.

At first the matinee performance made me really nervous but we did really well. There had to be more than fifty people in the audience. In the matinee performance the year six's did a performance called super heroes unite, the preps did square dance until the cows come home and the grade 3's 2 part act of Charlotte's web. These are the other classes acts, grade fives: The Discovery and Settlement of Australia in 18 minutes flat, grade 1,2L's: You're Welcome from Moana, 2O's: Safe & Sound and 1W's: Ghostbusters.

On Wednesday night it was basically the same as the day performance except there was way more people watching and more pressure on us to do our best and we did our absolute BEST that we could!

I felt really nervous before both of the performances but after them I felt happy and proud. It was amazing to do that and remember all the moves. After the performance my mum said, "I'm really proud of you."

By Charlie Burns

## Celebration night

Wednesday the 16<sup>th</sup> of October 2019 was the day Prep-6 performs a dance or a play to basically finish the year. Our celebration is a way of celebrating for all the hard work we have done.

We had to vote on our act, we had a chance to pick out of: Sucker, My House or Fight song. I picked Fight Song. We ended up rehearsing Fight Song to Kids Bop Kids, so we practiced on Fridays. Then I went on holidays, besides it was school holidays. 2 weeks later, everyone was back at school we practiced two times a week it was tiring but I think it payed off.

Eventually the day came 2O did a dance for called Safe and Sound. After 3M and 3H performed Charlotte's Web it was Ghostbusters before us. After that was 4M {us} we performed Fight Song. Then year 12 L, 5, Preps and last but not lest grade 6. That was the matinee performance {day} I felt so nervous I would explode.

On the day I was nervous because everybody can get shy when they are performing in front of a big crowd. On the night, I was feeling ready. Firstly because I have already don't it and secondly, because Ms Mac said, "Go a bit crazy, still do the moves, but have fun! You all look so serious!"

I don't like looking serious so I laughed so much, Luqel made me laugh too!

By Maddie Reid

... "In the waiting area I was super nervous that I would muck up all the moves but I didn't"  
Kobe Chisholm

# Spooky Disco

Primary students had spooky fun at the Halloween disco for primary school age students, organised by Ren Thoenes and Kaleena Kneebone. They and their helpers transformed the Multi-Purpose Room with decorations and had games, a costume parade and dancing, plus served up popcorn and sweet treats. Thank you Ren and Kaleena plus helpers Dee VanRoewan, Haley Arbuckle, Kerry Versteegen, Leonie Sharma, Rowan & Stephanie Hulsbosch, Sandi Ward-Savage, Sukey Hughes and Suzanne Cusack. Kudos to Year 7 students Alessi Alam, Andrew Toohey and Ethan Jenkins, who did a fantastic job as DJs, compiling music and videos for the evening.

**Next Parents Club Meeting is Friday 29th November at 1.45pm**

# Talking About Careers

## with Danielle Caponecchia

For more Careers News and information you can go to [www.myrtlefordp12careers.com](http://www.myrtlefordp12careers.com).

This is a great resource and tool for both students and parents to use. Feel free to contact Danielle if you wish to know more about the portal and how it can be used.

### An Opportunity to do an apprenticeship in Cabinet making has become available in the Myrtleford area for someone who is interested and keen to work in this industry.

Below is some information on the career:

#### Career in Cabinet Making

Cabinet makers specialise in cabinetry which involves using specialist carpentry tools and techniques. Cabinet makers are skilled at using the latest technology in designing, manufacturing and finishing quality fitted furniture for areas like kitchens, bathrooms, showrooms, shop fittings, etc.

Most cabinetmakers are employed by companies that manufacture kitchens, bathrooms, furniture and prefabricated wooden components. These companies are often small businesses that make custom-made items or undertake repairs and restoration, or larger companies that manufacture and install fixed or free-standing furniture for commercial and residential projects.

Contact Danielle at the school for further information or if you are interested in this apprenticeship opportunity.

### VTAC KEY DATE REMINDERS

**ATARs and Study Scores Released** - Thursday 12 December at 7.00am

**Change of Preferences for December Offers Close** – Saturday 14 December 2019 at 4pm

**Change of Preferences for January Offers Close** – Friday 20 December 2019 at 4pm

#### VTAC Offers:

**December Offer Round** Wednesday 18 December at 2.00pm

**January Offer Rounds** for International Students from Tuesday 7 January 2020 at 2.00pm

**January Offer Round for Domestic Students** Wednesday 15 January 2020 at 2.00pm

**February Offer Rounds for Domestic Students** Monday 3 February 2019 at 2.00pm

Also, students applying for courses that have extra essential requirements (i.e. submitting a folio, a preselection kit, arranging an interview, sitting the CASPer, etc.) are reminded that failure to meet the deadline date for these means students may no longer be eligible for selection into their desired course.

**For more details regarding important dates, and applicable fees, please refer to VTAC Key Dates**

[www.vtac.edu.au](http://www.vtac.edu.au)

## Ashley's Corner

Hey everybody, I'm back again wanting to discuss the importance of being yourself. Judgement is something that we all face at some point during our lives, and it is important not to let yourself be affected by it. In today's day in age, personality is vibrant, and people have begun to accept others being different in their own ways, but even so, judgement does still exist.

People can be affected by many things, be it your friends, family, or pressure being around others. The key point to remember is to be yourself. If somebody doesn't respect the way you truly are, then they don't deserve your attention, the people who truly matter the most in your life are the ones who wouldn't judge you for who you are.

If you feel distressed or anxious about what you are like, just know that the best thing is to just be yourself. Sometimes you can feel like the whole world is against you, but there is always someone out there that is there for you. I know what its like to be judged based off personal interests, but never let that get to you, your personality is what makes you unique, and somebody who I know, would stand out from the crowd.

Ashley O'Brien (Year10)

## IN THE COMMUNITY

### ALPINE LIONS FEMALE FOOTBALL CLUB 2020

**AFTER A SUCCESSFUL 2019 SEASON WHERE THE WOMEN'S TEAM MADE THEIR FIRST FINALS SERIES AND YOUTH GIRLS THEIR FIRST GRAND FINAL, ALPINE LIONS ARE NOW RECRUITING FOR THE 2020 SEASON FOR WOMEN'S, U17'S AND U14'S COMPETITIONS.**

Alpine Lions Female Football Club has a positive fun family culture with a focus on player development, with 6 of players selected for Murray Bushrangers 2019, 7 preselected for 2020, a player representing Vic Country, and a new Alpine Lions Youth Academy for player development.

**ALPINE LIONS PLAYERS** have been returning to their original primary schools and running **FREE** sessions and talks for boys and girls, and bookings for these for Term 4, 2019, or Term 1, 2020, are available via Youth Girls Coach, Craig Dent, via [cram@restoriant.com.au](mailto:cram@restoriant.com.au)
