A few words from the Principal.....Zlatko Pear

COVID REGULATIONS

It is pleasing to see that we are slowly returning to 'normal' operations. Inter-school sport, excursions and overnight camps are now permitted. Despite the easing of many restrictions there are a number of rules regarding visitors to schools.

The Government states that;

Parents and carers who enter school buildings must check in using the QR code.

Parents and carers who enter school buildings must also have had at least one dose of COVID-19 vaccine and must have had two doses of COVID-19 vaccine by 29 November 2021 or have a valid medical exception with the following limited exceptions:

- when attending to administer medical treatment to their own child when the treatment cannot be administered by the school
- when attending to collect their child who is unwell and cannot leave the school building unaccompanied by their parent/carer.
- when attending for a momentary period that does not involve any sustained contact with staff or students, for example, to collect a completed art project or similar.

Parents and carers attending any event or activity inside a school building including, but not limited to tours, graduations, kindergarten transition, whole of school events are required to show evidence of vaccination.

Meetings and other discussions (such as Student Support Group meetings) with parents and carers who do not meet vaccination requirements should be held virtually.

Parents and carers attending school sites for drop off and pick up who do not enter school buildings do not need to comply with vaccination requirements.

Please let me know if you have any question regarding vaccination expectations.

2021 No School Days

We have one remaining student free day for this year. This will be on **Wednesday 17th November** – Report Writing Day. This means that there will be no classes running on this day. Please let me know if you have any concerns or questions.

COLLEGE ANNOUNCEMENTS

The staff carpark is **not** a safe place to drop off your children. Please use the drop off points in Mummery Road (outside the SLC building) or Prince Street (bottom corner of the basketball courts).

PLEASE DO NOT DROP OFF STUDENTS IN THE STAFF CAR PARK

Being There: Dad dates make each child feel special

Top Tips

- · Dad dates are one child at a time.
- · Book it in and try not to cancel.
- Focus on connecting.
- It doesn't have to be elaborate.
- · It can sometimes be special.
- · Really listen to your child on your date.
- The more you do dad dates the

Spare Cans or bottles?

One of our parents Tamara Fabris, her Mum and daughter, are off to Uganda next year, and has requested your help to raise money for food packages and sanitary packages for vulnerable people in the Pader district of Uganda.

Any donations of cans or bottles is welcomed to aid their fundraising efforts.

Please contact Tamara for further information or to arrange for collection of your donations.

Canteen News

Please note that the canteen is now operating on usual days.

OPEN MONDAY, THURSDAY AND FRIDAY

BREAKFAST CLUB

Tuesday in the SLA for cheese toasties **Friday** in the canteen for toast and cereal

Breakfast is FREE and available for everyone to enjoy

LIBRARY NEWS

Did you know that you can check if your child has a library book?

Head to http://myrtlefordp12.librarysolutions.com.au and log on through the "sign in" button on the top right, and then at the sign in page, click on the little 'G' (bottom right), and log on using your child's google classroom log on.

This is also where you can explore the many books we have available in the College library.

If you have any issues with this process, please feel free to email me kathleen.morgan@education.vic.gov.au

Unfortunately at this stage this is only available for Year 3-12 students. Prep-Year 2 students will need to contact me at the library vis phone or email, or ask their classroom teacher.

Need to SELL or BUY text books?

Each year we have a second hand book exchange in the library where you can drop off texts for sale, or buy second hand text books for Year 7 English, and all Year 11 and 12 subjects in 2022.

Many parents /students sell their books privately, but the second hand exchange is available for those that want to make use of it.

If you have any of the books below that you would like to be included in the sale, please bring them into the library with your nominated price, and when sold I will contact you to arrange for collection of your money. Please note that there is no guarantee that your book will sell.

If you are looking to purchase from the exchange sale, all sales are made in CASH ONLY- as the money is directly given to the seller. Please note: we cannot reserve books.

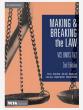

Workbook can't be written in to sell

Workbook can't be written in to sell

COVID requirements have changed

To support our efforts to keep all students and staff safe at our school, there are a number of requirements in reference to COVID 19.

QR CODES

QR codes are located at the main entrance to the school, and at the entry to school buildings. For contact tracing purposes, parents should use the QR code at the school entrances when going on-site.

If however the parent/family member is entering a school building, they **MUST sign in at the front office and show proof of vaccination**. Please see information provided in the Principal's messages on the front page.

FACE MASKS

Whilst on site, parents, family members and visitors must abide by the current Chief Health Officer's orders, including social distancing and the wearing of face masks.

Students in Years 3 and above and staff are also currently required to wear face masks whilst indoors.

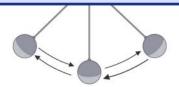

Year 11 Physics

Year 11 Physics students designed and conducted their own pendulum investigation. Liam's pendulum was a very creative set-up, which yielded excellent results.

Students needed to create an experiment to determine the effect of mass, arm length and angle of displacement on the oscillation of a pendulum.

Ms Mitchell

In the Trade Training Centre... with Mr Murray

It was race time again for the Once-a-Semester Pine Racer Challenge. With prizes for the best presented car and the most race wins on the day. The Year 7 students were given the design challenge to build a fast Pine Racer. They researched how to build them and how to make them go fast.

Over 15 heats the winner was decided, Hayden Durling coming out on top with 13 wins, followed by Dane Magyar in second with 12 wins, equal third went to Jac Lewis and Archer Novak with 11 wins.

Best Presented was another tight contest with Zali Morgan and the TACO car taking out top honors.

On Friday 29th October, Sahara Giles from Year 9 planned an activity to do with the P-6 students to acknowledge and celebrate our First Nations People's culture as part of a NAIDOC event.

Unfortunately, our NAIDOC Day was cancelled due to COVID, so it was wonderful to have Sahara willing and enthusiastic to make the event possible.

She started by getting the students into a Yarning Circle which is an opportunity for people to gather and take part in a group conversation. It can be to discuss issues, to check in with each other, celebrate successes or to investigate inquiry questions. Any topic is possible in a Yarning circle

and can happen at any part of the day.

Sahara shared her cultural background, her tribe and where they live. She also acknowledged the traditional owners of the land and paid respect to elders - past, present and emerging.

The rest of the activity centred around all the students contributing to a piece of art that was

designed by Jarryd Carberry in Year 7. He designed a canvas print that combined the two flags of the Aboriginal and Torres Strait Islanders as a symbol of bringing these First Nations Peoples together.

This artwork will signify Myrtleford P12's way of respecting, acknowledging and healing the country- by healing the people. Each student in P-6 added their thumbprint to the canvas to complete the colours.

Thank you, Sahara, for your passion and enthusiasm in this project.

HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

Puberty classes are up and running for Year 6, and Year 7 and we are looking at healthy relationships

Sexuality education is important and should start when children are young. Talk about feelings, relationships and values. Primary and secondary school children need age-appropriate information about sex and reproduction. At Myrtleford P-12 we will be using a resource developed by the DET as part of standard curriculum. Puberty brings about dramatic physical and emotional changes that may be frightening to an unprepared child. If you have students in Year 6 and 7 now is a good time to be talking to them about growing up. **Ask your child what they learnt today!**

The Year 6 class have started social enterprises to learn about economics, design, prototyping and entrepreneurship and are donating their profits to help a cause they care for.

Buying their products will support our local kids in this journey, giving them the skills and 'know how' to create future employment opportunities for themselves, most importantly, in the Myrtleford community. So get out your cash and spend away!

In the following pages you will find the students' created advertising and order forms for their social enterprises.

To order:Please fill out the relevant order form and return it to the please fill out the relevant order form and return it to the front office of Myrtleford P-12 College along with cash front office of Myrtleford P-12 college along with cash front office will then contact you when the products payment. The students will then contact you when the products payment. The students will then a student at MP12 it will are ready for pick up (if you have a student at MP12 it will be sent home with them.)

Alternatively, you can place your order via email to Alternatively, you can place your order via email to donna bigger@education.vic.gov.au the information required please ensure that you include all the products. for the students to give you the correct products.

Thank you for supporting our local kids!
