Issue 20 : 10th December 2021

## Calendar

### December

- 13 7/8 Wangaratta Bowling/Swimming
- 14 Prep-6 Award Ceremony 9.30am MPR
- 14 7-9 Bike Ride
- 16 Year 6 Graduation Celebration Day
- 16 7-12 Awards Evening 6pm EMPAC
- 17 Last Day of Term

### Inside this issue:

Alpine Shire Youth Awards	2
Around the College	3
From the IT Room	4
New Parents Club Contact	5
Health Corner	7
Year 7 Golfing	8
Molly Korb living her dream	8
Year 9/10 STEM	9
Reader's Theatre 5HF	10
Social Enterprise Year 6	11
Volcanoes in Year 5	12
Brain hats in Year 8	14
'A bit of fun' competition	14
Preps and buddies	16
Talking Maths	17

## A few words from the Principal.....Zlatko Pear

### Year 7 – 12 Awards Evening

A reminder that the Annual Year 7 – 12 Awards Evening will take place on Thursday 16<sup>th</sup> December at EMPAC. This will be a fantastic event showcasing and celebrating student academic achievement. A reminder that students in Years 7 to 11 must wear full school uniform. The evening starts at 6:00pm and we look forward to seeing you there.

### Orientation Day

Tuesday 7<sup>th</sup> December was the State-wide Orientation Day. It was an exciting day as students across the school 'stepped-up' to their 2022 classes. It was also great to welcome new students and their families to our school. Our 2022 Prep students completed a four day transition program by spending most of the day at school. I get the sense that everyone is looking forward to school starting next year.

### Canteen Closure

The canteen will be closed for the last week of school. This means that students will need to bring all their food from home for these days. The canteen will operate as normal when school resumes next year.

### Last day of school.

A reminder, that the last day of school for the year will be **Friday 17<sup>th</sup> December**. On that day students will be **dismissed from school at 1:00pm**. Buses will arrive at school at that time to take bus travellers home. Classes for 2022 will commence Monday 31<sup>st</sup> of January.

*...Zlatko Pear*

# Alpine Shire Youth Awards

The Alpine Shire Youth Awards recognise and celebrate the contributions and achievement of a diverse range of young people aged 12 – 21 years across the Alpine Shire. Myrtleford P12 had a number of nominees across a variety of categories of whom we are all very proud.

## MP12 Student Nominees:

**VCAL Group award – (Curtis Tanner, Connor McAuliffe, Declan Mason, Nicholas McIntyre-Ellis and Shai-Kwan Clarke) – Community Service**  
**Riley Ellero – Performing Arts**  
**James Whitford – Academic**  
**Maddison Dylan – Visual Art**  
**Tyler Heywood – Rural**

We are pleased to announce the following students were award recipients and received their acknowledgement at the award ceremony on Friday 27<sup>th</sup> November.

**Tyler Heywood (VCAL)**  
received the Rural Award

**Riley Ellero (Year 9)**  
nominated for the Performing Arts Award  
and  
received the overall Alpine Shire Youth Award for the 13 – 16 years age category.

**Riley Ellero**

**Tyler Heywood**

Congratulations for all nominees and winners.

# Around the College...

Thanks Mr Lindsay for bringing the birthday cheers to all staff and students throughout 2021! We love the hat!

Mr Sharp's Year 7 class still love a story at the library!

Jeremy the library elf....he's been getting up to a lot of mischief!

The chickens have hatched in the Prep room!

Tub cleanout in 3/4M before camp....

# From the IT room

## Years 7-12 Bring Your Own Device (BYOD) Computer Program

### Minimum Standards

Most of our computers are windows machines. However, computers that run the Apple OSX operating system can be catered for. **Other devices such as Ipads, Tablets, chromebooks, mobile phones do not suit our environment.**

As a minimum, both Window and OSX devices must have:

- Windows 10 Pro/enterprise/education or OSX 10.8 or greater (Windows 11 is OK)
- a Physical Keyboard
- Celeron Processor or greater
- 4GB Ram or greater
- 128 GB hard drive or greater
- 11.6" screen
- 6 hour battery life
- Wireless card (ac or gn)

A carry bag is highly recommended

### Our Suppliers:

Two suppliers have established websites to assist in the purchase process:

- **Learning with technologies** <http://myrtlefordp12.orderportal.com.au>
- **JB-HIFI** [www.jbeducation.com.au/byod](http://www.jbeducation.com.au/byod) School = **MyrtlefordP12**

These Sites will give purchasers more flexibility in repayment, warranty, and insurance options.

You are encouraged to use these sites / suppliers as the companies are used to supply education institutions and they know our minimum standards. You are not however compelled to use them as long as you have a device that meets the minimum standards.

Please see the College website for more information on **Warranty and insurance, Software required** and a **Q&A** section.

As always please contact the College if you have any questions or are having difficulties with the supply of a BYOD device, there are a number of programs that may be of assistance.

**Could all IT equipment (computers and WiFi devices) that were borrowed during 2021 please be returned to the College library before Friday, December 17th.**

**The canteen will be CLOSED the last week of the term. Students will need to bring their own food from home.**

# ALL BOOKS

**Back to the LIBRARY!**

It is time to get all books

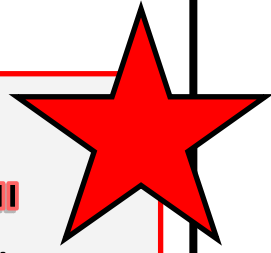

**PLEASE!**

returned to the library in order for end of year tasks to be completed. Please check your shelves, under the beds, in the cupboards and in the school bags for any library books that need to be returned.

**PLEASE BRING IN OR SEND IN LIBRARY BOOKS AS SOON AS YOU CAN!**

Please note : you will be asked to replace lost or unreturned library books.

## Parents Club News.....

**We have a new Parents Club president!**

Margaret Phillips is the new President of the Parents Club.

The Parents Club is always looking for new volunteers, so if you are interested or would like to contact Parents Club, please use the new email address [mp12parentsclub@gmail.com](mailto:mp12parentsclub@gmail.com)

This email is accessed by Margaret and the new Secretary Melissa Barry. All help is welcome!

A poster for 'Santa's Come to Visit' with a colorful geometric background of red, green, and pink triangles. The text is centered on a white background with a gold border. At the top is a pink star. The text reads: 'SANTA'S COME TO VISIT', 'SANTA PHOTOS \$25', 'Extra photos are \$15 each', 'PHOTOS AVAILABLE EVERY FRIDAY, SATURDAY AND SUNDAY FROM 10-2PM UNTIL CHRISTMAS', and 'B E B O R A M I A TRADING' with a diamond-shaped logo between 'B E B O R A M I A' and 'TRADING'.

Will Orchiston (absent)  
Riley Clarke (absent)

**Congratulations!!**

**COVID requirements**

To support our efforts to keep all students and staff safe at our school, there are a number of requirements in reference to COVID 19.

**QR CODES**

QR codes are located at the main entrance to the school, and at the entry to school buildings.

For contact tracing purposes, parents should use the QR code at the school entrances when going on-site.

If however the parent/family member is entering a school building, they **MUST sign in at the front office and show proof of vaccination.** Please see information provided in the Principal's messages on the front page.

**FACE MASKS**

Whilst on site, parents, family members and visitors must abide by the current Chief Health Officer's orders, including social distancing and the wearing of face masks.

Students in Years 3 and above and staff are also currently required to wear face masks whilst indoors.

**HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge**

It was lovely to get back to the Lodge with Year 3 last week and Year 5 are heading down next week. I also managed to get some great advice from our senior friends at the Lodge for those students leaving school. At the Year 12 dinner I presented a video to the students highlighting their time in Year 10 doing class at the Lodge and now the residents passing on their advice to them. Here are some of the photos.

**Breakfast** – we will celebrate our last breakfast for the year on Friday the 10<sup>th</sup> of Dec. Holiday breakfast/lunch packs are available. If your family would like one, please contact me at the school.

**Talks from Vic Police** Year 7-9 have been fortunate to listen to Leading Constable Surrey Hunter, our Youth Resource Officer over the last week. The presentations from Surrey gave the students great insight into online safety and the law. Please have a chat with your students about the topics covered.

**THOUGHT FOR THE WEEK:**  
 “The holiday season is a perfect time to reflect on our blessings and seek out ways to make life better for those around us.” Terri Marshall

**Holiday supports** for health issues or just someone to talk to remember;  
 Your local doctor’s clinic 5751 9900

Have a wonderful Christmas and holiday time, remember to slip, slop, slap, wrap and be safe. ...*Rosemary*

# Year 7 Golfing

Year 7 students have finished their year of Sport learning the skills for golf. The improvement over the three sessions was great - with all students enjoying a few holes at the Myrtleford Golf Course. A nice way to finish given the lack of interschool sport this year due to restrictions - it was great to be out and about.

Many thanks to the Myrtleford Golf Club for allowing the use of their facilities, and a special thanks to our volunteers and staff for supporting the program: Andrew Milford, Stuart Robertson, Graeme Sanderson and Danielle Caponecchia.

*Mrs Sanderson*

# Molly Korb

## One Step Closer to Realising Her Dream

Former MP12 student - Molly Korb is one step closer to realising her childhood dream of professionally dancing ballet on the international stage.

Molly's recent nomination for the Alpine Shire Youth Awards recognised her dedication and achievements thus far in her performing arts journey - but the best is yet to come!

Last year, Molly studied part time at Myrtleford P12, whilst studying ballet part time at an elite studio on the border. This year, Molly made the decision to study Ballet full time - therefore studied school via distance.

Despite the numerous lockdown interruptions, Molly has persevered, recently auditioning for the Queensland Ballet Academy.

Her successful audition means she is moving to Brisbane to follow her dreams!!! This is exactly what she has been working for and she is thrilled.

In addition to this, Molly has just been selected as a finalist in an online competition and will travel to America in March next year to dance to an audience of over 20 talent scouts in the US.

Congratulations Molly – Your hard work is definitely starting to show, and you are one step closer to performing in your dream gig - with the Russian Ballet.

*Mrs Sanderson*

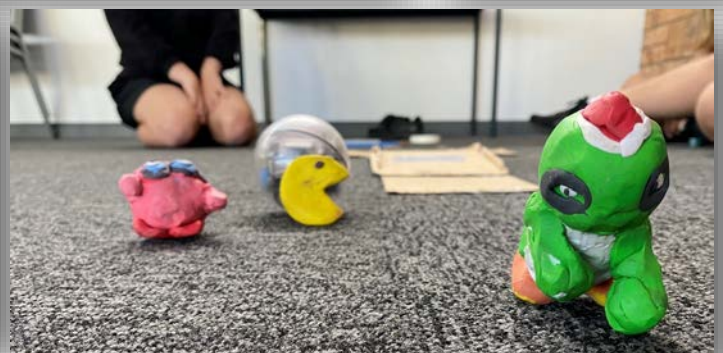

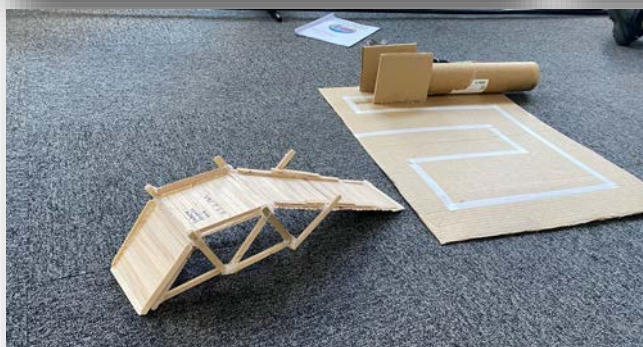

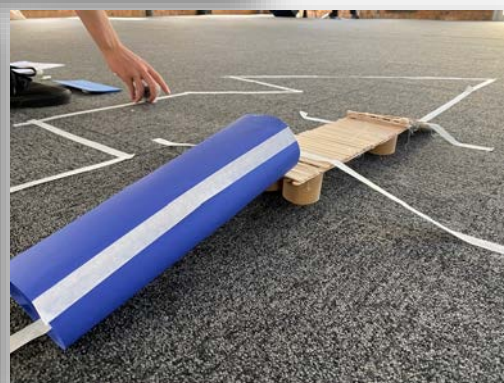

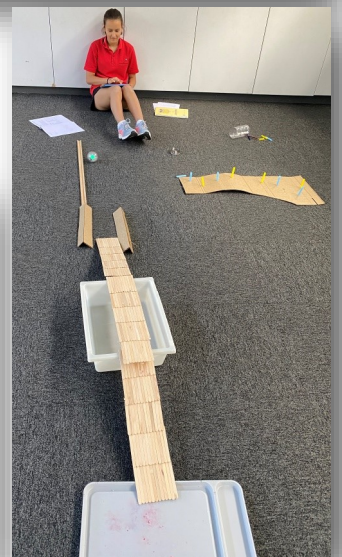

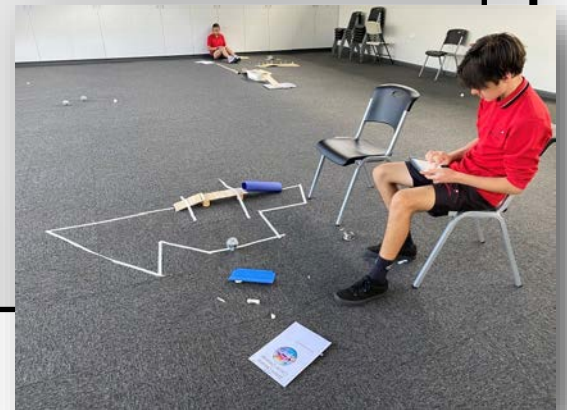

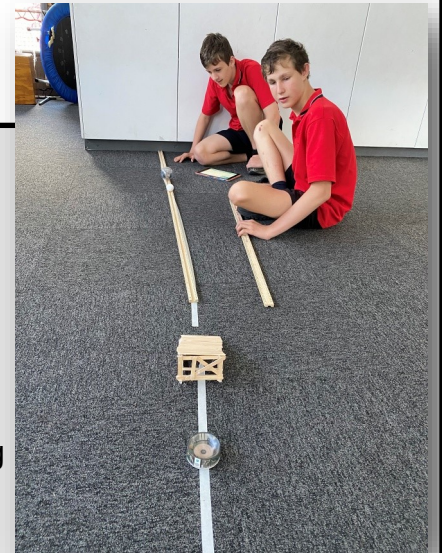

# Year 9/10 STEM

We are very excited to offer a STEM (Science, Technology, Engineering and Mathematics) elective for students in Years 9 and 10 in 2022. To give students a little taster, we have been using Sphero robots to learn how to code and begin our study of the engineering design process.

Students have spent time getting familiar with the Sphero and its coding platform by learning how to navigate simple mazes. They were then tasked with building an obstacle course for the Sphero. Students constructed obstacles for their course, aiming to accrue as many points as possible for the different components they add to their course. Finally, students set out their obstacle course in the Multi Purpose Room and coded their Sphero to make their way through the course, autonomously.

So much fun and creativity!

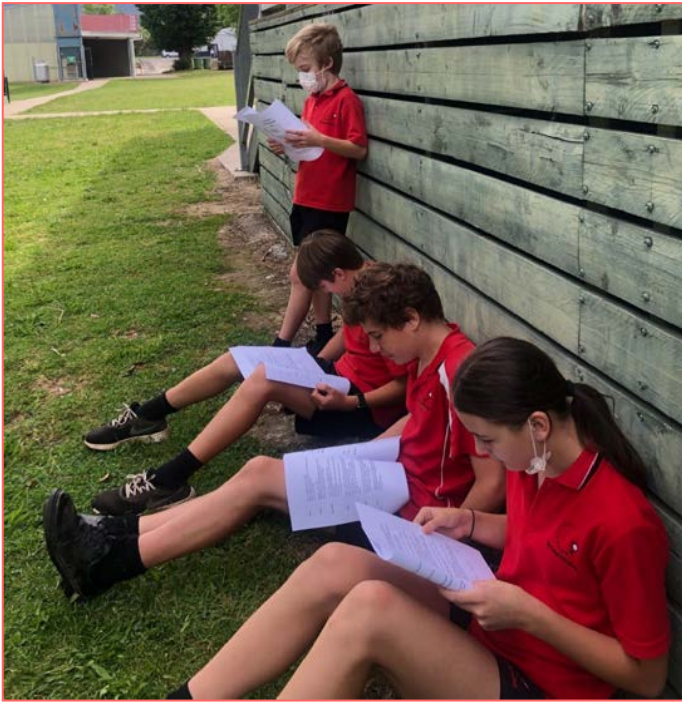

*Ms Vlahandreas*

# Readers Theatre scripts in 5HF

Utilising a series of Readers Theatre scripts, the students of 5HF have integrated their reading, speaking and listening skills to present mini-plays to their peers, including: Roald Dahl's wicked-take on Cinderella, Charlotte's Web, Fantastic Mr Fox and Three Billy Goats Gruff. There have been plenty of laughs and fun throughout rehearsals and the final performances.

*Ms Hawkes/Mr Fullwood*

# Social Enterprise Academy Market Day

On November 25<sup>th</sup> the Year 6 class travelled to Beechworth for the Social Enterprise Academy Market Day. This was a day to celebrate their achievements in Social Enterprise and to sell some of their wares! The students had a fantastic day, really enjoying the upbeat atmosphere, buying and selling products and the chance to see what students from other schools had created. Some students even got interviewed for TV and newspapers!

There is still a small amount of stock left from our social enterprises, If you would like to get a last minute Christmas gift, please see the front office. *Ms Bigger*

# Year 5

## Volcanoes

The burning red papier mâché volcanoes were squirting out red mixtures of dye and baking soda which made the simple volcano erupt into the real thing. By Joshua

The red papier mâché volcanoes spewed out a mixture of baking soda, vinegar and red food dye acting as if it were a real volcano. By Damon

The volcanoes were really fun to work with, I really enjoyed it especially when the volcano erupted. By Kade Morgan

Well my eruption wasn't that good but I'm sure with the right components it would look great! By Sam. M

The red burning hot stuff inside the volcanoes is called magma. By Meyah

The papier mâché volcanoes were fun to watch but my papier mâché was really bad because it didn't explode high at all. By Jenson.

The volcano was fun because we got to explode it and Blake, Austen and I put extra stuff in it. By Jake

The exploding papier mâché volcanoes were red and really satisfying to watch. By Hudson

The volcanoes bursted out red food dye, baking soda and vinegar, they all acted like it was a real volcano. By Easton

The volcanoes were like real volcanoes, just way smaller and not flaming hot like real ones. We put the bi-carb soda and vinegar, then it exploded. By Leon

Before the volcanoes erupt, always take out the funnel! By Liam Hynes

The papier mâché volcanoes where like a smaller replica of the real thing. By Charlie Gios

With the volcanoes they went boom, boom then white stuff came out. By Israel

The volcano burst out with black and red fluff and spread over the town. By Samuel

They were fun, lots of fun and I loved the lava. By Max

Volcanoes erupting from our paper mâché is a cool experiment, you need to use baking soda and vinegar mixed together and it makes a huge fake eruption! By Aliza

The volcano had a chemical reaction with the vinegar and baking soda making it erupt bright red foam. To do it we had a cup of vinegar and poured drops of red dye then we had to quickly add baking soda causing it to explode. It was an exciting experiment to do and I'm glad I was a part of it. By Sein Pai Ling

These volcanoes were amazing, first we poured in some vinegar, then we put in a few drops of red dye, finally we put in the baking soda. The vinegar and baking soda made a reaction to cause the red foam to burst all over the place! By Tiahna Patten

The papier mâché volcanoes were very similar to real volcanoes because they erupted the same way, I felt like God creating those volcanoes and making them erupt. -Aiden

# Year 5

We started the procedure by first doing the papier mâché then another day we painted and finally erupted

The volcano experiment was a good way to see a volcano explode and understand the power and strength of the blast, though it was only a small volcano it still showed the acts of a real one. By Millie

I had so much fun I even tried it at home and my family loved it. Now I know so much more about volcanoes. By Connor

The volcano experiment was awesome but some worked better than others. Most of the volcanos looked so good but some of them were unfinished. By Madi

I really like the science experiment but I wish we could have used more baking soda and vinegar. By Austin

The volcano was fun and with my partner Zack, we had a limited time to do it but I got to explode it with Kade and Connor Dyball! It was fun! By Shane Barnik

The volcano experiment was really fun, watching it erupt was my favourite part of the lesson. By Zack

The volcano experiment was cool. Nearly all the volcanoes exploded differently. I was surprised that some went way higher than others and some hardly left the volcano. By Daisy

Making the volcanoes was fun, but watching the volcano was more fun! Some people missed out but Ms. Hawkes sent a video so that they could still watch it. By Kristina

I had lots of fun making the volcanoes, though I have done it before and the one I made at home exploded a lot . By Sethy

Making the volcanos was kind of fun but I have done it before and it didn't explode very well but the one I did at school exploded very well. By Lily Humphries

Making the volcano and exploding the volcano was fun. The best part was having fun. By Blake

I found that making the volcano was fun, but exploding it was way cooler. I think that ours was looking pretty cool in action, but not as cool as others in action, but that does not mean that exploding it twice was not cool. I am glad that we did the volcano assignment, and that I took part in it. Thank you all for a fun experience. By Sapphire

It was super fun to do and learn how it looks when a volcano explodes. It was also good that we got to explode it twice. Everything was good but it would have been better if it didn't just trickle down the side but like, shoot up. By Emma

When making the volcano I didn't expect it to be the shape it was, it had a bump on the side of it. I've never made one before, I thought it was really fun. By Isabelle

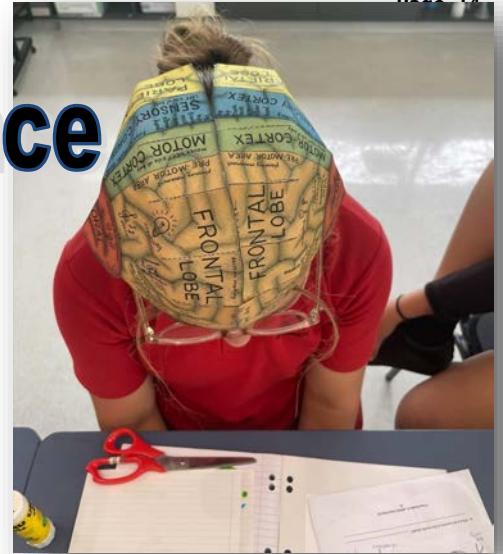

I loved the experiment very much, it was fun pouring the bicarb into the volcano. My volcano was in an interesting shape so when it exploded it went in an interesting way. By Sienna

# Year 8 Science

Students in 8A made brain hats in Science last week.

*Miss Schaefer*

## 'A bit of fun' competition with Danielle Caponecchia

A few students were telling me about a conversation they had where they were trying to work out what genre of music and favourite song each teacher would like. Some of the answers were hilarious. Eg: "Mrs A – it would have to be 'These boots were made for walking'!!!" And apparently "Bruno Mars" was a suggestion for a few?? They were also discussing what they thought each teacher may have called their child if it had have been the opposite sex. (again, some very interesting answers lol)

So I decided to make an end of term competition for the senior school students that incorporated what these students were talking about. I invited staff from the senior school to participate if they wanted and set the competition up in two parts:

A favourite song mix and match.

And Guess the name if child was the different gender.

Some of the students were on the war path early, trying to trick teachers into revealing their answers. Thank goodness the staff were all over it and sent some them on a wild goose chase.

Up for grabs was a prize of \$20 to any food venue of the winner's choice in Myrtleford for each competition. Along with smaller prizes for year level winners.

Thank you to all the staff who participated in my competition. I think the kids enjoyed it.

I can announce that "TOM CRISP" was the dark horse that came in the winner on the final day in 'Both' the competitions with the winning total of 9/22 in the Match the song comp, and 8/17 in the Guess the Name comp. There were some close seconds with the Charlotte/Ashlyn/Rowan/Jaz cohort getting 8/22 along with Dusty who also got 8/22 in the Song competition. In the Name competition, the Charlotte/Ashlyn/Rowan/Jaz cohort got 7/17 and Summer got 6/17.

Name Game	Staff member	Childs name	What they would have been called if opposite sex
	Rosemary	Jye	Michaela
	Bron	Matt	Sophie
	Cheryl P	Steven	Sarah
	Lia	Jolie	Beau
	Georgia Rose	Darcy	Darcy
	Meg Broz	Zeke	Jasmine Kate
	Sarena	Emmaline	Henry
	Clint	Louis	Mieke
	Kath Morgan	Liam	Amber
	Sharon	Ben	Chloe
	Sando	Louis	Matilda
	Adrian	Matilda	Jack
	Muzza	Patrick	Patricia
	Jody	Alexis	Luca
	Julie	Audrey	Moses
	Jo	Jack/Georgia	Michelle/Mark - Bonus points for twins!

Here are the answers to the competition..... Do you think you would have guessed any of these correctly?????

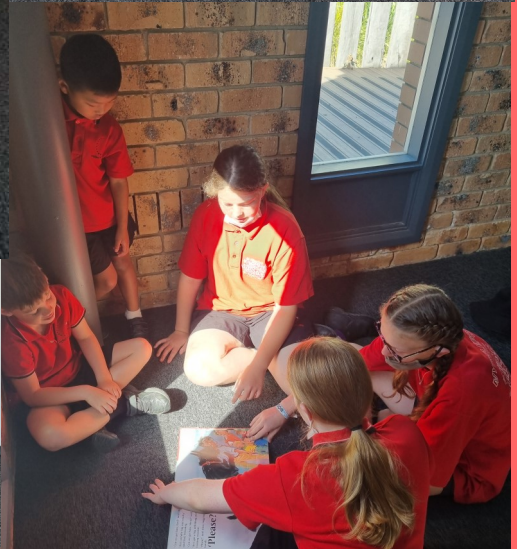

A few of the answers certainly stumped the students.....and I can tell you NOT one student guessed that Phil Tyson was a 'Fleetwood Mac' fan J

Merry Christmas everyone,

Danielle

MIX AND MATCH	Staff member	Fav song
	Rosemary	Brown eyed girl - Van Morrison
	Bron	Richmond theme song
	Cheryl P	working class man - Jimmy Barnes
	Keira Peanut	Want me back - Benee
	Lia	Raise your glass - Pink
	Georgia Rose	Love on the brain - Rhianna
	Meg Broz	Beautiful Day - U2
	Sarena	Seven Nation Army - White Stripes
	Clint	Rufus Du Sol - Innerbloom
	Kath Morgan	Horses - Daryl Braithwaite
	Sharon	Travellin' soldier - the Chicks
	Sando	Give me Everything - Pitbull
	Adrian	The Boxer - Mumford and Sons
	Muzza	Bad Motor Finger - Soundgarden
	Phil	Gypsy - Fleetwood Mac
	Claire	Feel it still - Portugal. The man
	Mary	Born to run - Bruce Springsteen
	Jody	Underground - Ben Fold Five
	Craig	Without me - Eminem
	Julie	Into my Arms - Nick Cave
	Jo	American Pie - Don McLean
	Jess Macrae	Happy - Pharrell Williams
