End of 2021

I am sure you are looking forward to seeing the end of another stressful COVID affected year. I continue to be proud of the resilience and adaptability of our community during over the past two years. I am proud of our student's ability to remain engaged in school and their learning. I am proud of our families for their patience and hard work supporting the school and their children during the remote learning periods. I am also very proud of our teachers and support staff for their professionalism and their devotion to our students.

This pandemic has reminded us how important it is for us to look out for each other and in particular the more vulnerable members of our community. I am proud that Myrtleford P12 College is an inclusive school where all students feel welcome, where they know that people will care about them in an environment where they can experience a sense of belonging and acceptance.

This time last year we were celebrating the exciting news that we received \$9.43 funding. We are now looking forward to work commencing in the first half of 2022.

Start of school for 2021

Classes for Prep to Year 10 students will commence on Monday 31st January. Our Year 11 and 12 students will attend a study camp on Monday and Tuesday (31st January and 1st February) with VCE classes commencing on Thursday 3rd February. The office will reopen on Monday 24th January.

In order to support our students, parents are asked to make sure their children are prepared for the new school year by making sure all students have the required materials and full school uniform for the start of next year.

On behalf of Myrtleford P12 College, I would like to wish everyone a safe and happy Christmas holiday period.

COVID requirements

To support our efforts to keep all students and staff safe at our school, there are a number of requirements in reference to COVID 19.

QR CODES

QR codes are located at the main entrance to the school, and at the entry to school buildings. For contact tracing purposes, parents should use the QR code at the school entrances when going on-site.

If however the parent/family member is entering a school building, they **MUST sign in at the front office and show proof of vaccination.** Please see information provided in the Principal's messages on the front page.

FACE MASKS

Whilst on site, parents, family members and visitors must abide by the current Chief Health Officer's orders, including social distancing and the wearing of face masks.

Students in Years 3 and above and staff are also currently required to wear face masks whilst indoors.

Expressions of Interest for 2022 Myrtleford Festival Princess/Queen Competition

Any Year 12 age level young adults and those who completed year 12 in 2021 who are interested in taking part in 2022 can they please call or text Jenny Zamperoni on 0427 495 309 by December 31st with your name and details.

If you have your sponsor and partner organised then please also include their names.

Feel free to contact me with your details (including phone number) and feel free to ask questions if you have any.

Further information will be given to those who wish to take part early in the new year.

Reindeer Job Application

By Sapphire

Why do you think you would make a good reindeer?

I wouldn't!

I believe that I would suck at being a reindeer.

Firstly, I only have 2 legs, and no pointy antlers.

Secondly, I can't run fast, and I don't have magical flying powers.

Thirdly, I do not like the idea of living for more than 90 years.

Fourthly, I don't like the way Santa whips his reindeer to go faster.

Fifthly, getting strapped up doesn't appeal to me.

Lastly, I hate being cold.

So for all of those reasons and more, I would suck at being a reindeer!

Premiers Reading Challenge Champions

Today we also presented these students with "Premiers Reading Challenge Champion" Awards".

Well done to the following students on this special achievement as Champions of the Premier's Reading Challenge!

Liliana Turner-Spessot
 Zarah Vescio
 Nova Mooney
 Emerson Salvemini
 Charlotte Koers
 Ava Kneebone
 Tanishka Sharma
 Lily Picciocchi
 Garcia Zanetti
 Sein Pai Ling
 Sapphire Picot

It was a pleasure to help Mr Lindsay hand out the Premier's Reading Challenge certificates this morning.

Many of the students across Prep-6 participated in the Premiers Reading challenge this year within their classes, with teachers embracing the Challenge as a whole class. There were some students that decided to challenge themselves even further and read many more than required to complete the Challenge, or independently tackled the challenge.

Year 3/4 Beechworth Camp

After nearly six months of waiting, we finally made it to Beechworth for our camp. Thursday's weather was forecast for rain and did not disappoint however, the excitement was not dampened. Our first stop was at The Big Tree then onto The Savoy Club to view a permanent display of indigenous art. The children were fascinated. From there we travelled to Woolshed Falls near Beechworth to gold pan and look at historic places around the falls. Some children were very lucky and struck gold!

We headed to the Old Priory to drop off our luggage amid a downpour of rain. We were so lucky that it stopped when we walked into town to the Old Courthouse and walked down to the Chinese gardens. At the Old Courthouse the children played their part in a re-enactment of when Ned Kelly was charged before being sent to Melbourne. All the children enjoyed dinner and a talk around the fireplace then headed off to bed, ready for the next day. Friday was a busy day of visiting the Burke Museum, The Telegraph Station, an historic walk around town and BEST OF ALL...The Sweet Shoppe!

All the teachers were very proud of the children while visiting Beechworth and how they listened to our tour guides. A big thank you to Ms McIntyre for organising such a great camp.

QUOTE FOR THE WEEK:
"Christmas is for giving
from the heart"
Rosemary Bunge

On Thursday Ashley O'Brien, one of the 2021 Year 12 students called into the library. Ashley has written many "Ashley's Corner" articles for the newsletter previous newsletters and he kindly agreed to give us one final segment.

Thanks Ashley! It's been a pleasure reading your previously published *Ashley's Corner* articles.

We wish you all the best with your future endeavors. Maybe you'll publish a book some time!

Mrs Morgan

Ashley's Corner

After struggling through the last two years of homeschooling and restrictions, I have finally come out of VCE happy with my final ATAR result, becoming triumphant over my own accomplishments. Even if a challenge is presented to you, my advice to people is to know that, if you are persistent with your endeavors, you can achieve anything.

Over the past year, I have both completed my Queen Scout and achieved an ATAR that can get me into any university that is available, so this goes to show that hard work will always be rewarded. I know myself I had many highs and lows, but with all the support I have received from my teachers and colleagues, I was able to adapt and achieve my goals. Goals may seem redundant, but it is not the initial setting of the goal that matters, but the sense of accomplishment you get for overcoming that goal that makes the journey worthwhile.

I would like to thank all my teachers, including Mrs Gardner, Mrs Milford and especially Danielle for being there in my moments of doubt, as even I had times where I thought I could not do it, but with their help I made it to the end. I also pay regards to all my VCE teachers that put up with me throughout the year, putting up with my shenanigans. I wish any student in the future luck for VCE or the years to come, remaining persistent through times of difficulty, and I want to pass down one of the most important pieces of advice I learned over the years.

Known as the Two Minute rule, when you are demotivated or feeling lazy, give yourself two minutes in any activity, which is all it takes to begin to feel engaged and get started; if you can bring yourself to engage for two minutes, that is all you need to get started.

Thank you,
Ashley

Merry Christmas

OFFICIAL KIDS PROGRAM

Go Fund Me for local family

First off I would like to start by explaining the situation.

My eldest sister (Teaghan) had her 4th baby boy, Elijah Pheonix Michael Kirchen on the 18th of November by Cesarean. He was flown to The Royal Childrens hospital in Melbourne the same day and his parents (Teaghan and Cody) drove down the next morning.

Elijah was diagnosed with cancer (Neuroblastoma) on his kidney, which has grown along his spinal cord and nerve endings, limiting movement in his legs and feet. Elijah has endured two biopsy surgeries, has had bone marrow taken, drips, feeding tube, oxygen, ultrasounds, MRI, CT, and Pet scans in his first week of life. Since then, he has had more test and treatments including being put on a ventilator.

Elijah started his first round of Chemotherapy at only 5 days old. Elijahs 3 older brothers are being cared for by family in Myrtleford and Wangaratta. One with special needs is taking the bus to special school in Wang from Myrtleford each morning and back each afternoon. All 3 have yet to meet their baby brother.

The family are facing up to 6 months in Melbourne, meaning they will be spending Christmas their as well.

Teaghan and Cody are currently staying in Ronald McDonald House. It is tough on everyone with the boys not being able to see their Mum for more than a few hours when my Mum takes them down. It is scary not knowing what is happening, but we have a soldier on our hands.

My Aunt and Mum have organized a raffle to raise money for their living/house expenses and for Elijahs ongoing treatment. We are very thankful that so many local businesses have donated prizes for the raffle. It will be drawn January 31st at 2pm.

If you would like to help the family please visit the family's GoFundMe page- <https://www.gofundme.com/f/elijahs-fight-for-life?qid=b10be26ecd1abc0f75a323008b384b98> to contribute.

Thanks, Meea Savage
