## Calendar

### May

- 11 NAPLAN Begins
- 19 Whole School Colour Run
- 24 College Photos

### Inside this issue:

ANZAC Day	2
Legislative Council Visit	7
College Announcements	8
Bondi Vet-Goldie's World	10
Regional Arts Victoria Workshop	11
Tanishka and Goldie raising money for ROWA	12
Premiers Reading Challenge	13
Athletics Sports	14
Melbourne Experience and Careers Expo	16
Dissections in Science	17

## A few words from the Principal.....Zlatko Pear

### NAPLAN Tests

As you may be aware NAPLAN testing will start on Tuesday 11th May and conclude on the following Tuesday. Students in Years 3, 5, 7 and 9 will complete a series of tests to assess numeracy and literacy levels against national benchmarks. This year we will again complete the online version of the tests. Students have completed a series of practice tests to help prepare for the week and to ensure they are familiar with the process. Completing the tests online allows us to get the results sooner. We look forward to analysing the data and sharing this with the school community. Parents can support their children by ensuring they get a good night sleep and arrive at school on time.

### Whole School Athletics Day

Last Wednesday was a beautiful sunny day for our combined Prep to Year 12 athletics day. Whilst there were many sporting highlights, my favourite aspect of days such as these is the way the students interact with each other. I am really proud of the way the students encourage each other and the way the older students take care of the younger ones. Whenever a student wasn't sure about something or needed help there was always another student there to happily provide assistance.

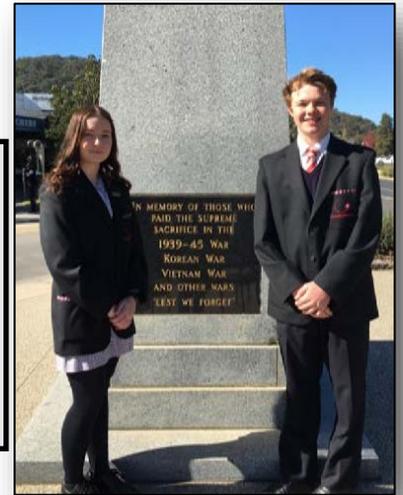

Thank you to the large number of parents, grandparents and family friends who supported the students and added to the carnival atmosphere of the day. Thank you and well done to Donna Bigger, Clinton Slotegraaf, Kate Sanderson and Jake Sharp for organising the day. They spend a lot of time getting equipment together and working through the logistics of the day.

Congratulations to all the Age Group Champions and to Buffalo House on the win.

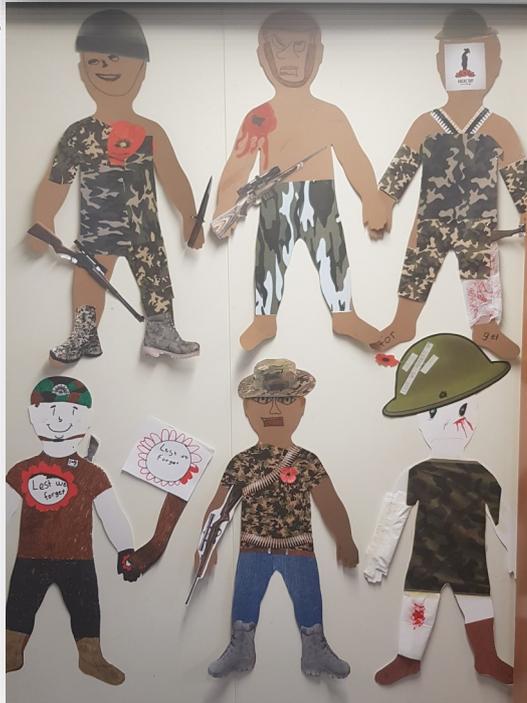

# ANZAC Day

Myrtleford P12 College was represented well at the recent 106th ANZAC Day Observance. James Whitford had the honour of reading The Salute, and Bernice Minnaar, the Motion of Loyalty. Both students spoke very well and should be proud of themselves. Olive Fullwood and Kyran Clarke placed the College wreath at the monument with great respect. We are very proud of these students and their involvement in this important community event.

LEST WE FORGET

Some students shared their ANZAC Day work at the Monday morning assembly on 26th April.

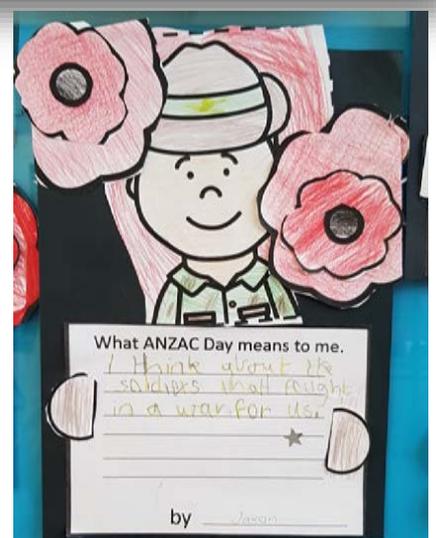

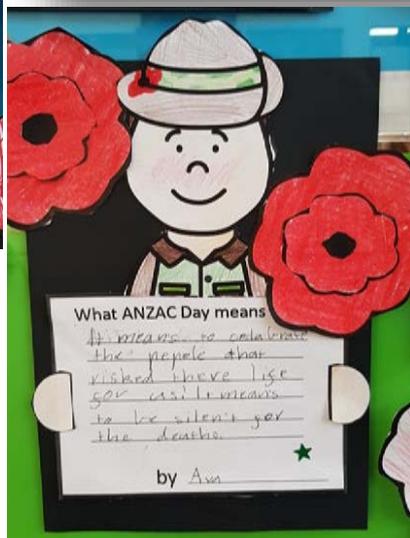

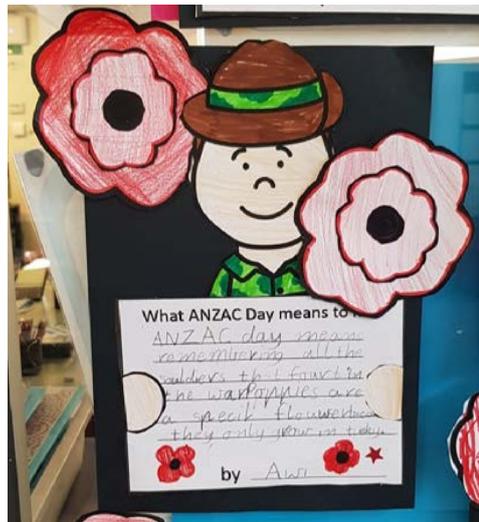

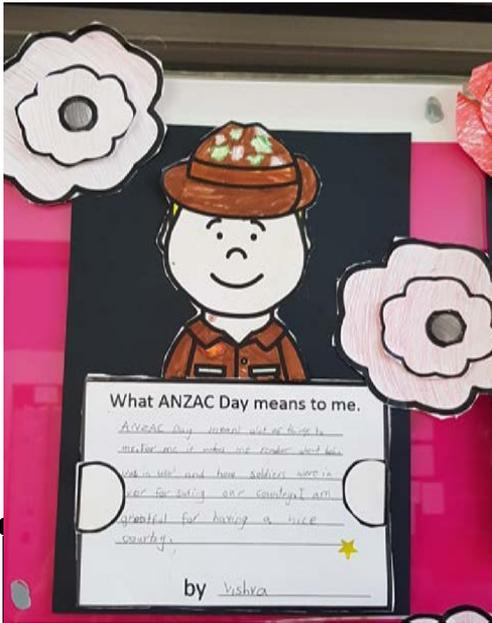

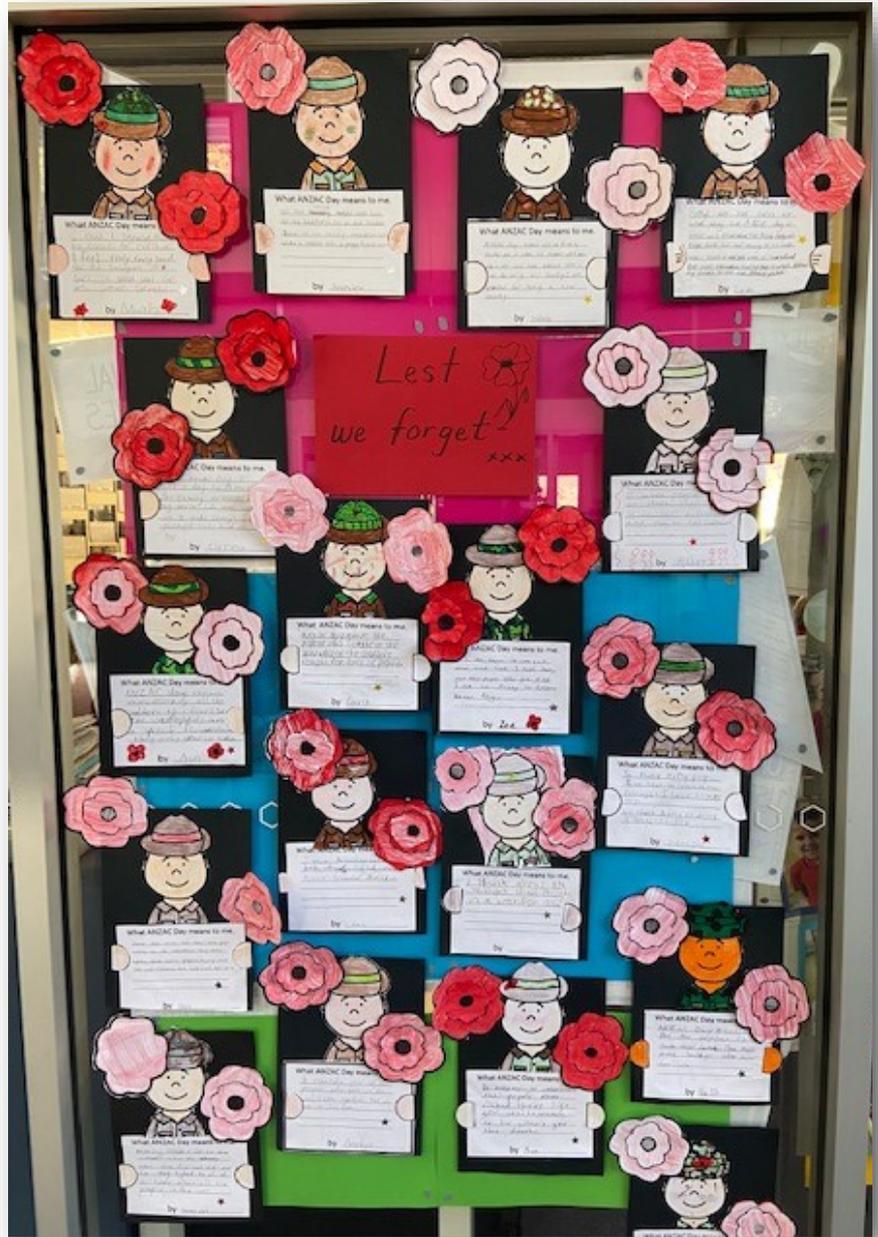

Year 5W students worked in groups to produce these soldier replicas.

# ANZAC Day

3L made a display about what ANZAC Day means to them.

LEST WE FORGET

# 5H...Why ANZAC Day is special.

To all the lost ones that gave their all to risk everything for where they live. I hope they know that they are not forgotten because without any of them we most likely wouldn't be here. We stand for a minute of silence and visit graves. Izzy 5H

I believe ANZAC Day is important because many soldiers fought so we could have freedom. Everyone would agree that Anzac Day is special because many of our ancestors (such as my great grandfather) went to war. Seth 5H

The soldiers fought for peace even though it was an unfair battle. They worked very hard for our freedom. Their courage meant that we are free. I strongly believe that people should respect this stuff. Jake 5H

My opinion of ANZAC Day is that we need to be grateful for all of those men and women of Australia and New Zealand who went to war. People should be grateful for our land and country. Madi 5H

I think ANZAC Day is special because soldiers fought to give us freedom and safety. Anzac biscuits were special because the friends and family put love and sweetness into them so the soldiers could eat yummy foods and enjoy that their loved ones put thought into making the baskets. Millie 5H

ANZAC Day is special because it is unique to Australia and New Zealand. It helps commemorate the fallen soldiers and nurses. It ensures that no one from the war is forgotten. Emma 5H

ANZAC Day is about the war in Gallipoli and how much Australians and New Zealanders risked their lives to protect their countries. We should remember what they did for us. ANZAC Day is special and no-one should forget. Zack 5H

The Last Post is very important for the end of the day of fighting. We need to keep remembering the people who went to war. For these reasons and more, we should celebrate ANZAC day. This day has affected many families and friends and maybe one of your grandparents or one of your great-grandparents have fought for your rights and my rights. Sapphire 5H

# ANZAC Day in the Art Room

Last week in preparation for ANZAC day the P-2 students thought about what it means to be brave and looked at photos of real medals that were given to brave men and women that served our country at war. They then made their own beautiful bravery medals and lots of them were worn by kids on Sunday.  
*Mrs Craftwright*

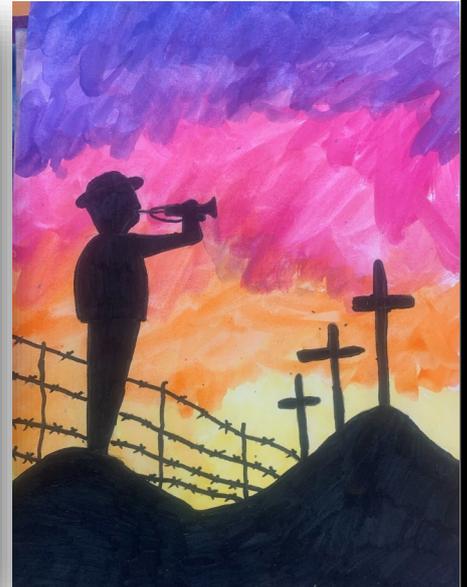

The 3/4s painted Flanders Field of poppies.

Poppies of Flanders Fields

# ANZAC Day in the Art Room

ANZAC  
Day  
Silhouettes  
A lone soldier  
plays the Last  
Post on his bugle  
to symbolise the  
end of the day's  
activities

Year 5/6 students created beautiful silhouettes of a lone soldier playing the Last Post.

# Legislative Council Visit

Years 5 and 6 brushed off their debating skills and dove into the process of passing a bill to become a law, under the guidance of two attendants of the Legislative Council (Upper House - Red!). It was a highly insightful incursion learning about the role of the Upper House and the history of the black rod (including it being stolen!). The students asked fantastic questions throughout the session and enthusiastically participated in the role-play of debating a bill: Plastic Straws Should Be Banned in Victoria. Their knowledge will be strengthened later in the year when students participate in a Systems of Government unit, prior to heading to Canberra.

*Ms Hawkes, Mrs Watson and Ms Bigger*

**Congratulations!!**

**Reading Helpers ...**

Are you able to help in our quest to build strong readers? We know that providing opportunities for students to read daily significantly builds their confidence and skill. We are looking to establish a team of parent helpers who are willing to listen to students read on a one-to-one basis across Prep-6. If you are free anytime between 9-10:30am and would like to know more, please contact Ladeane at

[Ladeane.Lindsay@education.vic.gov.au](mailto:Ladeane.Lindsay@education.vic.gov.au)

We are more than happy to work around your availability and preferred days.

Reading helpers will need to provide a copy of their current Working With Children Card. With thanks, Ladeane

**Fresh Fruit Friday is back!**

The Parents Club will again be running the Fresh Fruit Friday in Term 2, but they need your help!

Can you spare some time on a Friday morning to help

prepare the fresh fruit and distribute it to classrooms? You do not need to be a Parents Club member.

If you can help- please contact the Parents Club President Kellie Sheppard on 0422 705462

**CANTEEN**

**OPEN MONDAY, THURSDAY AND FRIDAY  
CLOSED TUESDAY AND WEDNESDAY**

Students will need to bring food from home on the days the canteen is closed.

**1.25L clear plastic bottles**

The Science Department are in need of 1.25L clear soft drink bottles for upcoming Science experiments. If you can help, please collect some over the holiday period and drop them off at the SLC staffroom.

Many Thanks!  
Science Department

**HOMEWORK IN Mrs Antonello's Class...**

**7A Weekly-** Spelling activity  
Reading- at least 4 nights per week

1 Maths Module per week, plus revision prior to test.

We're proud to share with you the new Dolly's dream website.

<https://dollysdream.org.au/>

Dolly's Dream was created by Tick and Kate Everett following the shattering loss of their 14-year-old daughter, Dolly, to suicide, after ongoing bullying. Tick and Kate's goal is to prevent other families walking this road. Their goal is to change cultures and behaviours to prevent bullying, by increasing understanding of the impact of bullying, anxiety, depression, and youth suicide and by providing support to parents. Dolly's Dream is proudly brought to you by the Alannah & Madeline Foundation.

Free Webinars for parents are available:

Special Interest topics

- How eSmart supports wellbeing in your school
- The digital home and its implication for schools

Other webinars

- Risk and response to bullying in and cyber bullying in schools
- Media literacy as social justice.

**Helping children recognise and understand their emotions for positive relationships**

Meet Allen from The Allen Adventure app. He's a friendly alien visiting Earth who wants to fit in and make friends. This free, fun and interactive app for children 3 to 8 explores social and emotional

skills which are critical when making friends and dealing with difficult situations.

It is never too early to talk about <https://www.esafety.gov.au/parents/children-under-5> and the Allen learns about technology poster introduces 5 rules for safe online behaviour.

Download from the [App Store](#) or [Google Play](#) and visit

<https://bullyingnoway.gov.au/resources/early-childhood-to-year2> for other fun activities. Created by Bullying. No Way! with all Australian education authorities working together to create safe and supportive school environments.

# Goldie's World on Bondi Vet

Ever since I can remember I have wanted to be a vet when I grow up. I even dressed up as a vet in kinder as part of the Myrtleford Festival. Last year I couldn't believe my ears when I heard that I was being asked to join the Bondi Vet team as the first ever Junior vet!! It was like a dream come true.

The crew came up and we had so much fun filming with my animals. The best bit is, I get to introduce Sunny my dog, Hollywood the goat and Gemma my pony to everyone. I also have to do some research and learn things too, like in my first episode where I have an adorable little Australian Kelpie with me. I had to find out all about their temperament and what type of lifestyle suits them best. I'm excited to learn everything I can about caring for animals.

In each episode we will be on a different adventure with a different animal on my farm. I hope people get to learn some things about looking after animals by watching my episodes on the Bondi Vet YouTube channel.

They will also get to see what it's like to grow up on a farm in the country. We are so lucky to have so much room and to have all of our animals that I love so much.

Check out Goldie's World at

<https://www.youtube.com/watch?v=qlls3oT5JAg>

.....Goldie Cartwright

Goldie's next episode will be released in the week of May 17th, and it will be within the full Bondi Vet program on YouTube. Be sure to subscribe to the Bondi Vet YouTube Page and you can get notified when it is released .

Well done Goldie— you are a real star!

# Talking art with Mrs Craftwright

On Tuesday morning the Grade 6 students took part in a special Build Your Own Treehouse Workshop run by Regional Arts Victoria. Artist, Carla Maxwell joined us from her studio in Ballart via Skype of course to take us on a tour of her creative space and then together we went through and created our own awesome treehouses made of silver birch rounds and various timber pieces.

I organised this session to help Grade 6 students create something that can be kept to help them remember their time in the art room and all the fun we have. We all had such a great time getting creative and channelling our inner architect.

Next week we will continue decorating our treehouses with a coat of paint, adding some extra furniture as well as bringing to life the tiny little wooden characters that were sent to us. We will share our final masterpieces in the next week or two. We are also working on a large tree house which we hope will be enjoyed by many students once we have finished making it.

Mrs Craftwright

# Raising Money for ROWA

On Sunday Goldie and Tanishka ran a stall selling lots of things they had made to raise money for a very important local organisation, Reach Out Wildlife Australia (ROWA). The girls named themselves 'The Crafty Trio' and with the help of Tanishka's little sister, Ishanya and Grandma, Lynn, they worked hard in the weeks leading up to create many wonderful things to sell just in time for Mother's Day.

Goldie and Tanishka are both passionate about helping animals and so decided to donate the \$200 they raised on the day to ROWA, which is run by Danni Townsend O'Neil. Danni works around the clock rescuing and

rehabilitating sick and injured native animals from all over North East Victoria. Wombats, kangaroos and ring-tailed possums are all regular residents receiving amazing love and care from Danni. The money donated by the girls will assist Danni to buy much needed supplies and equipment to help look after the animals being cared for at ROWA.

Well done girls on working hard to help make a difference in our community. If anyone else would like to help, donations can be made via the website at

<https://www.reachoutwildlifeaustralia.org/>

**Danni Townsend O'Neil**  
Director/Operations Manager  
Wildlife Rescuer & Carer

Once in a while a 'new timer' peeks its head around the corner, one that leads us down the lens of curiosity, and all for the better! Welcome to creative mind and wildlife carer, Danni Townsend O'Neil; a woman who's artistic quirks and passion for her beloved animals is nothing short of contagious and captivating.

While Danni's multi-faceted nature stems from her success as a photographer, creative director, founder and head designer of multiple fashion houses, she is now officially chuffed to be fulfilling her long-life passion as a full-time wildlife carer in Myrtleford Vic.

Confident yet quietly petrified of anything less than loving, Danni is a master observer of human nature and animals, a woman who is a permanent fixture within the wildlife collective and the long-term vision of ROWA.

# LIBRARY NEWS

## How exciting!

We have 20 students already choosing to take on the Premier's Reading Challenge this year! They have challenged themselves to read, experience or share the required amount of books by early September 2021.

I am excited to make this journey with those students, and hope that many more students will join us.

So...join the Challenge, sign in, change your avatar, search for books, read, rate your reads and finish this challenge!

If you would like your child/children to participate in the Premiers Reading Challenge, please email me

[kathleen.morgan@education.vic.gov.au](mailto:kathleen.morgan@education.vic.gov.au) and I will activate them in the challenge. I will then provide their log on details and they can log in to the online platform and start recording the books they are reading. No internet? - that's okay, students can also record their reading on a record sheet and I can help them transfer them onto their online profile.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: [www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)  
Pre schoolers can also get involved via the website.

National Simultaneous Storytime (NSS) is held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country

**Check out the website to see how you can get involved!**

# Year 11- (with a few Year 10's) Melbourne Experience and Careers Expo.

Last week, Year 11 VCE students and a small number of Year 10 students who are doing a VCE subject, spent three days in Melbourne.

There were two main reasons for the trip, one was to attend the Careers Expo held at Caulfield Racecourse. Here hundreds of presenters from throughout the country had displays and talked to students about tertiary studies and how to be successful in VCE.

The second reason was to help students become more familiar with Melbourne public transport and to see what the city has to offer.

We visited Melbourne University and had a tour of the campus led by a current Melbourne Uni student. Later that night we went Go Karting in Port Melbourne. The podium finish saw Bruno Primerano in first place, second was Addison Bedendo and in third place Cameron McPherson.

On Thursday we went on a walking tour of the Graffiti laneways of Melbourne. This was taken by an artist who showed us the various types of street art, including some of her own work. Students also went to Monash Caulfield Campus and did a self-guided tour.

On Friday students went shopping at the Vic Markets and then went to the Australian Centre for the Moving Image (ACMI) where they enjoyed the interactive displays looking at film, television, gaming and other visual art forms.

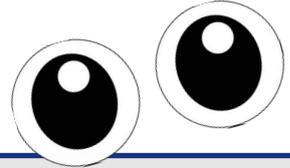

It was a great trip to Melbourne and we had many great reports from people we met, regarding how delightful our students were!

Congratulations to all!

Mrs Milford  
Mrs Sanderson  
Mrs Caponecchia

# Dissections in MYCAL

The MYCAL class concluded their Science unit on light, with the dissection of a bovine (cow) eyeball. This was a fantastic opportunity for students to be able to see, touch and explore the various parts of an eye and consider how it is similar (and different) to a human eye.

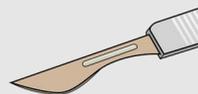

There were a number of discoveries made during the dissection – students were generally surprised

at how difficult it was to make an incision into the eyeball and the layers of connective muscle and fat surrounding and behind the eyeball were extremely tough.

Many thanks to Waitey's Butchery for sourcing the eyeballs for us, and to Kath Reilly and Claire Stock for assisting with the actual dissection.

*Ms Gardner*

## RESPECTFUL RELATIONSHIPS SPOTLIGHT

**Myth:** Students will use the Resilience, Rights and Respectful Relationships teaching and learning materials learning materials like a textbook.

**Fact:** The Resilience, Rights and Respectful Relationships teaching and learning materials are designed to support teachers to deliver respectful relationships education in the classroom. Teachers use their experience and knowledge to deliver this material in the most suitable way for their students. Materials were developed by nationally and internationally recognised experts from the University of Melbourne's Graduate School of Education.

**Myrtleford P12 College**  
*Inspirational.*

Re: Myrtleford Snowsports Program.

Dear Parents and Guardians,

We are excited to introduce a new and re-developed 5 day program for our local schools. This snowsports learning and development program has been designed to incorporate group guidance and supervision with qualified snowsports instructors and coaches in an all-day format. Over the past few years our schools have experienced a number of changes to staffing and Child Safe legislation. We strongly believe that this new program will better meet the needs of our students, while being sustainable into the future.

The program is currently open for students from grade 4 to year 10. It will cater for all abilities including first timers.

Indicative Daily Itinerary	Proposed Dates	Indicative Costs
<ul style="list-style-type: none"> <li>Approximately 7.45 am - Bus departure from Myrtleford.</li> <li>10.20am - Meet instructor / coach.</li> <li>10.30am–3pm - Snowsports program (Students will break for a 30-minute lunch break supervised by teachers)</li> <li>Approximately 5pm – arrive back in Myrtleford.</li> </ul>	<ul style="list-style-type: none"> <li>Friday July 30<sup>th</sup></li> <li>Thursday August 5<sup>th</sup></li> <li>Wednesday August 11<sup>th</sup></li> <li>Saturday September 4<sup>th</sup></li> <li>Saturday September 11<sup>th</sup></li> </ul>	<p>\$496 - \$540* Inclusive of Lift Ticket</p> <p>\$381 - \$414* for Epic pass holders.</p> <p>\$5 Snow Pass Cards **</p> <p><i>* Exact cost is pending final numbers.</i></p> <p><i>** Tickets can be reloaded onto previous snow pass cards if students already have one.</i></p>

Local rental outlets are offering seasonal equipment rentals for program participants:

- 'The Hub' in Ovens \$150 Full Season Rental
- Rays Ski Hire (FCSL) \$199 Season Rental

The program will provide appropriate skill development in skiing or snowboarding. Falls Creek Snowsports professionals will split groups into ability and age appropriate levels. We have been in close communication with Falls Creek Ski Lifts, and we believe that the program we are offering this year will provide a wonderful snow experience for our students as well as excellent tuition in snow sports.

Applications will be assessed following expressions of interest as places will be limited. Kindly complete expression of interest survey by no later than Thursday 13<sup>th</sup> May.

  
**Zlatko Pear**

## HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

Every **a**ccomplishment starts with the decision to try. (GAIL DEVERS)

### Staying positive at school can make a difference.

**Think positively** - replace negative attitudes with positive ones! Turn "I can't" into "I can try"

**Be proud of yourself** - compliment yourself when you do well, when you try, when you improve.

**Share your positive attitude with friends** - compliment your friends when they do well, encourage them when they are feeling negative and help them to see the bright side.

**Take a pause before acting** - take a deep breath or count to ten before you react negatively. Don't jump to conclusions, instead refocus and give yourself time to react positively to a situation.

**Treat others as you would like to be treated** - when you act kindly and treat others with respect, you can make friends and surround yourself with positive relationships.

**Practice gratitude** - showing gratitude helps you stay grounded and appreciate what you have in life. Can you think of three things you are grateful for? It can be as simple as getting to watch your favourite TV show or enjoying a swim in the river.

**Easier said than done? Practice** - try changing negative thoughts into positive ones!

**This is too hard!** = This is hard for me but I can ask for help.

**I'm never going to win!** = I'm going to try my best and if I don't win that's ok.

**I can't do it!** = I can't do this yet but I'm going to keep trying.

**I'm never going to finish this!** = I can finish this, it might take a while but I can take a break and ask for help.

Some apps that may be helpful...

**QUOTE OF THE WEEK:** Always believe something wonderful is about to happen.

....Rosemary Bunge
