A few words from the Principal.....Zlatko Pear

\$9.43 Million funding update

We are very excited about the progress the building funding project announced last year. As you would be aware JWP architects were appointed to the project during Term One. Since then we have been involved in a series of meetings with the Victorian School Building Authority (VSBA) and held a number of consultation sessions with school council, students and staff. At the moment we are planning to replace the old Prep – 2 classrooms, relocate the Admin building and build a new gymnasium on the old Secondary School site. In addition to this there will also be extensive landscaping and repurposing/renovating of some of the current buildings. We hope to share more details in the near future. Please contact me at the College if you have any questions.

NAPLAN Tests

We have some very happy students in Years 3, 5, 7 and 9 – NAPLAN testing is over! All students in these year levels recently completed NAPLAN testing. The NAPLAN tests are a series of tests to assess numeracy and literacy levels of students against national benchmarks. I am pleased to report that our students were well prepared and the tests ran smoothly. Well done to all students and thank you to Kate Sanderson and Adam Lindsay for doing a great job organising the administration and roster for the tests. We look forward to receiving and analysing the results.

Uniform

As the cold weather is now upon us it is important that parents ensure that students have warm school uniform to wear. Students are permitted to wear any items of clothing under their uniform to keep warm - on the condition that it is not visible. Hoodies are not permitted to be worn under College uniform. Please ensure all school uniform items are labelled with your child's name. If you are having problems purchasing uniform due to genuine financial difficulties please contact me at the College to confidentially discuss your situation.

Myrtleford P12 College is a Child Safe School.

All our Child Safe policies can be accessed on the College website.

Cross Country Colour Run

PRIMARY RESULTS

Prep Girls

- 1st Zarah Vescio
- 2nd Harlow Long
- 3rd Makayla Allen

Prep Boys

- 1st Koby Harris,
- 2nd Stephen Naing, 3rd
- Hugh Scott

Year 1 Girls

- 1st Ruby Thompson
- 2nd Harlow Mitchell
- 3rd Elsa Magyar

Year 1 Boys

- 1st Bowie Cartwright
- 2nd Cooper Vescio
- 3rd Corrado Salvemini

Year 2 Girls

- 1st Shelby Thompson
- 2nd Yawng Ling
- 3rd Charlie Pugh

Year 2 Boys

- 1st Will Orchison,
- 2nd Hunter Durling
- 3rd Jake Spiker

9/10 Year Girls

- 1st Goldie Cartwright,
- 2nd Havarna Long
- 3rd Olivia Brown

9/10 Year Boys

- 1st Ben Hodgkin
- 2nd Blake Parolin
- 3rd Harris Bruneau

11 Year Girls

- 1st, Aliza Kneebone,
- 2nd Sahra Pugh
- 3rd Madilyn Ramia

11 Year Boys

- 1st Israel Boyd
- 2nd Easton Fullwood 3rd
- Austin Robb

12/13 Year Girls

- 1st Olive Fullwood
- 2nd SeinPai Ling
- 3rd Matilda Gabler

12 /13 Year Boys

- 1st Jake Hodgkin
- 2nd Riley Howell
- 3rd Ryder Harris

Meg Casely and Millie Davis won the recognition of effort awards.

Cross Country Colour Run

SECONDARY RESULTS

13 Year Girls

- 1st Lily Notarianni
- 2nd Charli Parolin
- 3rd Zali Morgan

13 Year Boys

- 1st Bayden Heywood
- 2nd Hayden Durling
- 3rd Jordyn Notarianni

14 Year Girls

- 1st Brooke Parolin
- 2nd Amber Howell
- 3rd Zali Feltrin

14 Year Boys

- 1st Zane Vardanega
- 2nd Callum Hines
- 3rd Oliver Bedendo

15 Year Girls

- 1st Rachel Larsen
- 2nd Clancy Crisp
- 3rd Summer Caponecchia

15 Year Boys

- 1st Andrew Toohey
- 2nd Ethan Luppino
- 3rd Nick Hall

16 Year Girls

- 1st Dakota O'Sullivan

16 Year Boys

- 1st James Lennox
- 2nd Ty Parmesan
- 3rd Dominic Cooper

17 Year Girls

- 1st Charlotte Penn

17 Year Boys

- 1st Liam Morgan
- 2nd Addison Bedendo
- 3rd Tom Crisp

20 Year Boys

- 1st Ethen Beasley

Effort awards were given to Dominic Cooper, Blaise Davis, Sienna Alam

We are Home Readers!

Myrtleford P12 College are working together to build a strong culture of home readers. As educators, we know that daily reading not only helps to improve a student's word attack, fluency, vocabulary and comprehensions skills, however, also develops focus, memory and stress management too. We had noticed fewer students forming helpful habits of home reading since Remote Learning. In an effort to encourage students to see the magic in reading once more, students across Prep to Grade 6 are participating in a number of exciting initiatives. The month of May has become our home reading month, each morning beginning with students excitedly adding stickers to their class 'Home Reading' chart, in an effort to win a special class party later in the term. Students are sending in photos of themselves reading at home to be added to the, 'We are home readers...' wall in the Library. All classes are also participating in the Premier's Reading Challenge, adding our list of mentor texts read in class to poster book stacks, and an exciting Scholastic Book Fair has been organised for later in the term too. We have only just begun, but there is certainly a new buzz in the air as students once again get excited about reading.

Ladeane Lindsay

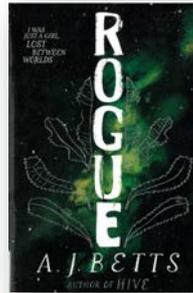

LIBRARY NEWS

.....Mrs Morgan

There is plenty happening in the library at the moment! Mrs Lindsay's 'Home Readers' wall is looking amazing and really making me excited to see that so many students are reading at home.

Something **OUT OF THIS WORLD** is coming soon— so watch out for details! Be sure to check out some of the "Space" themed displays too.

Our Year 6 library leaders have been helping to place black dots on the books on the Premier's Reading Challenge Booklist, so it's now easier to select something to read if you are getting involved.

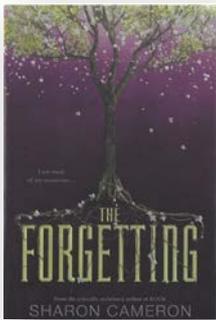

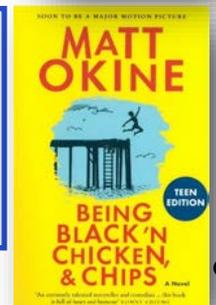

Thrilling conclusion to "Hive"— There was no going back, there was no choice, anymore. I'd chosen out and this was it: hot-cold, dry-wet, bright-dark and lonely.

Book 2 in the Impostors series continues the heart stopping action in the gripping story of rebellion and resistance.

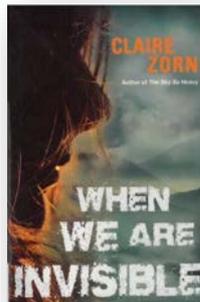

There is a lot of new books— graphic novels, picture story, fiction and non-fiction too! Featured here are some of the new books for Secondary students.

What isn't written, isn't remembered. Even your crimes. An extraordinary exploration of truth and memory, love and loss, and the story of a young woman who must harness an indomitable courage to save her world.

Instinct has kept us alive so far. It's like a compass and I tune into the needle often: trust/don't trust, run/stay...I can't read the needle right now. The warmth of the room is clouding my judgement.

A follow up to "The Sky is Heavy". An enthralling historical novel of immigration, courage and first love.

Girl meets boy, ghosts his text messages, then convinces him to help her run for the student union. Just your typical teen love story with a hijabi twist.

Mike Amon just wants to fit in. He wants to be a star athlete. He wants his Dad to stop embarrassing him. He wants his first kiss. He also wants his mum to survive. Based on Matt Okine's award winning stand-up show, this is a heart-breaking and hilarious story about trying to grow up when everything around you is falling down.

All book summaries taken from the back covers of each of the books.

Remember— please return your library books on time. I would love to have everybody check their shelves at home for library books . There is still many books overdue and I would appreciate their return so other students can access them.

Did you know that you can check if your child has a library book?

Head to <http://myrtlefordp12.librarysolutions.com.au> and log on through the "sign in" button on the top right, and then at the sign in page, click on the little 'G' (bottom right), and log on using your child's google classroom log on.

This is also where you can explore the many books we have available in the College library.

If you have any issues with this process, please feel free to email me Kathleen.Morgan@education.vic.gov.au

Unfortunately at this stage this is only available for Year 3-12 students. Prep-Year 2 students will need to contact me at the library or ask their classroom teacher.

HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

Oh the joy! We are back! Today we managed our first visit to Myrtleford Lodge in a very long time. The smiles on everyone's faces was just beautiful to see.

2CU did an amazing job singing a number of songs and teaching the residents some actions to them. They also presented the residents with gorgeous paper flowers they had made for them in class. They then had a lovely chat with the residents one on one.

On the way back Archer told me he had made a new friend, Pat, and he wants to go and visit her in his own spare time. How wonderful the connections we are making.

.....Rosemary Bunge

QUOTE OF THE WEEK:
The purpose of human life is to serve, and to show compassion and the will to help others.'
Albert Schweitzer

HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

Grade 5 puberty classes Term 2

Sexuality education is important and should start when children are young. Talk about feelings, relationships and values. Primary and secondary school children need age-appropriate information about sex and reproduction. At Myrtleford P-12 we will be using a resource developed by the DET as part of standard curriculum. Puberty brings about dramatic physical and emotional changes that may be frightening to an unprepared child. To help prepare students I will be supporting Mrs Watson and Ms Hawkes in **Year 5** over the next few weeks with puberty classes. If you have students in that age group now is a good time to be talking to them about growing up.

Topics we are covering include growing up, changes of puberty and reproduction. Ask your child what they learnt today.

Young people want to talk with their parents and carers about sexual health. Avoiding the subject won't stop young people learning about sex, but it may result in them relying on inaccurate information.

Talking to young people about sex does not encourage sexual experimentation. In fact, research indicates that young people who receive a comprehensive sexuality (sex) education have a lower risk of unintended pregnancy and are less likely to have sex at an early age. The easiest way to talk to your child about sexuality is to start at an early age, though it's never too late. Answer questions honestly and directly when they come up and find out together what you don't know as you go along.

If you would like more information about how to talk to your child feel free to contact me at the College. I am here Tuesdays and Fridays.

Rosemary Bunge
Adolescent Health Nurse

RESPECTFUL RELATIONSHIPS SPOTLIGHT

Myth: The Respectful Relationships is a sex education program

Fact: Respectful Relationships is separate to sex education in the curriculum

Myth: This initiative is trying to say that boys can't play with trucks and girls can't play with dolls

Fact: Absolutely not. This initiative is not seeking to make children 'gender neutral' or trying to prevent girls from playing with dolls, or boys with trucks. Respectful Relationships is about creating an environment in which children are not restricted by gender stereotypes and are free to explore and play as they choose.

Celebrating IDAHOBIT MAY 17

31 years ago - on May 17, 1990 - the World Health Organization removed homosexuality from the Classification of Diseases and Related Health Problems. International Day Against Homophobia, Biphobia, Interphobia & Transphobia (IDAHOBIT) celebrates LGBTQIA+ people globally, and raises awareness for the work still needed to combat discrimination.

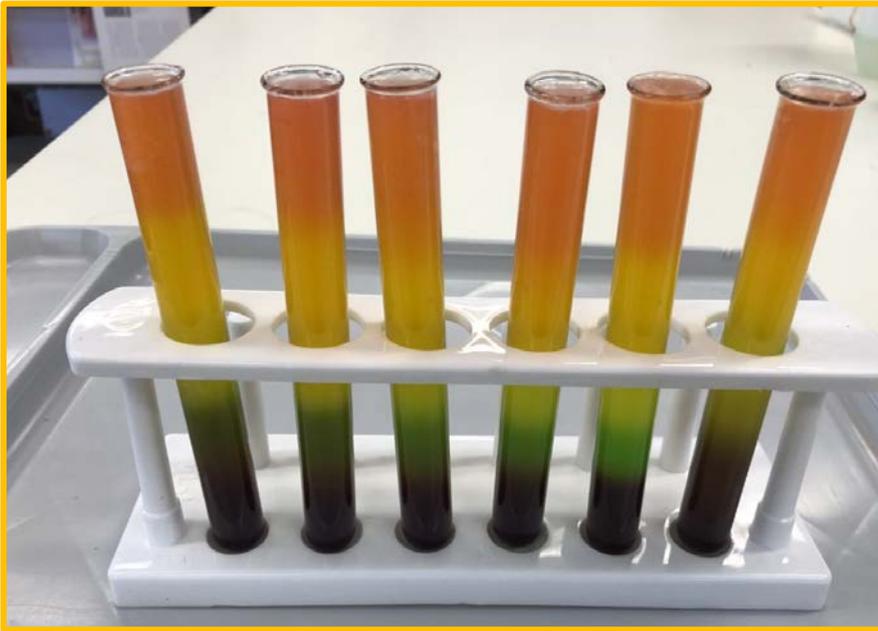

On Monday, Ms Macrae and Ms Rose coordinated a badge making session to help celebrate IDAHOBIT Day. Secondary students were invited to join them and you can see here some of the many colourful and meaningful badges produced. This week students have also been working on some posters to display around the school- we will feature some of those in the coming issue of the newsletter.

<https://www.idahobit.org.au>

IDAHOBIT Rainbows in Science

Rainbow Density Tower

Dissolve the following Skittles and 30mL hot water into 5 separate cups/beakers:

- 2 x red
- 4 x orange
- 6 x yellow
- 8 x green
- 10 x purple

Microwaving helps dissolve the Skittles faster.
Wait until cooled to room temperature then carefully add

dropwise into a glass jar, test tube or similar.
Fine to flush out pipette with water between colours and reuse

For more info, Google rainbow Skittles or use:
<https://www.rchsd.org/health-articles/candy-experiment-density-rainbow/>

Royal Children's Hospital Good Friday Appeal

Recently our school community were invited to donate funds to the Royal Children's Hospital Appeal. Myrtleford P12 College raised \$169.55 through generous donations from our College families. Many thanks to those that contributed.

COLLEGE ANNOUNCEMENTS

CANTEEN
OPEN MONDAY, THURSDAY AND FRIDAY
CLOSED TUESDAY AND WEDNESDAY
 Students will need to bring food from home on the days the canteen is closed.

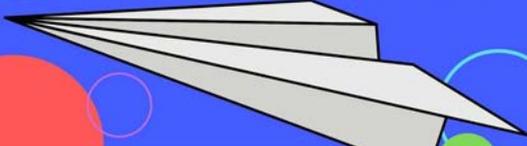

Every Friday is Fresh Fruit Friday!

On Fridays you will see members of the Parents Club distributing fresh fruit. The fruit is generously donated by FoodWorks, and we thank them for their ongoing support to the College and the Fresh Fruit Friday Program.

If you can help with cutting up and distributing of the fruit- please contact the Parents Club President Kellie Sheppard on 0422 705462

PAPER AIRPLANE COMPETITION

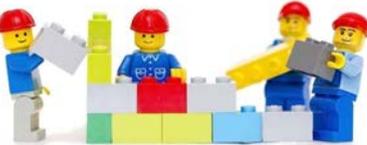

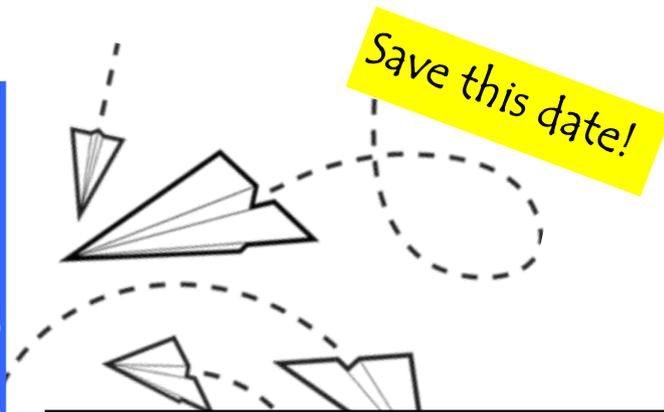

Myrtleford P12 College
Inspirational. **Dads Group**

Tuesday 25th May 2021
6pm – 7:30pm
MP12 Multi-Purpose Room
BBQ Dinner Provided

Prizes awarded for the best paper aeroplanes and Lego constructions

Dads, Father-Figures and Kids are invited

Playing and Learning: Play is a game changer

Top Tips

- Get back to your inner child and play with your kids.
- It doesn't need to be formal.
- Let your kids guide you.
- Young children like to role-play.
- Engage in physically active play.
- Try to engage them in some moderate to vigorous physical activity.
- Don't stop once your children get older.

	Sarah Versteegen	

Congratulations!!

Food Tech News

Another big day in the Food Technology room creating and baking. The challenge in Year9/10 elective class today was to work with a partner to create two sweets. This involved a considerable amount of communication between partners, following the recipes carefully and timing the baking exactly. The students were highly successful in producing a caramel chocolate slice which contained three different layers requiring separate preparation for each layer and then preparing buttermilk scones with an emphasis on resting the dough to ensure a high rise. After completing the learning task, there wasn't much left on the plate as the students tasted and consumed their products. Hopefully some of it made it home to share. This was a thoroughly enjoyable session.

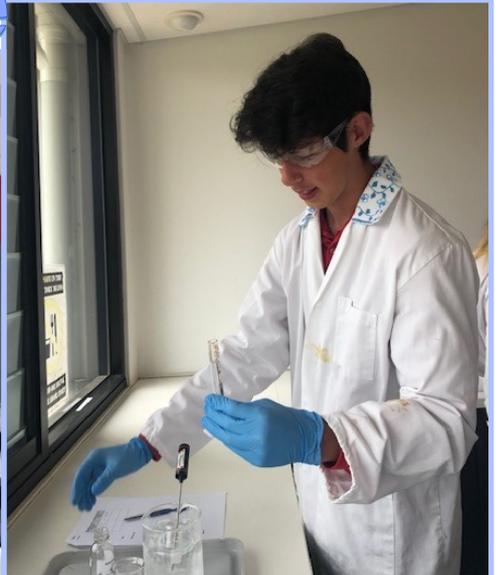

Ms Liz Crawford

How
delicious
do these
look?

Year 10 Science

Here are some photos of the Year 10s learning about how to control a chemical reaction. Next week they will be given the challenge of making the chemical reaction between marble and hydrochloric acid last exactly two minutes. They will need to alter a range of variables to achieve this goal.

.....Ms Vlahandreas

Elephant Toothpaste

The Year 8s observed physical and chemical reactions in Science this week. Here they are making “elephant toothpaste”. Gas and heat produced indicate a chemical change.

.... Ms Mitchell

We need some 1.25L clear plastic bottles

The Science Department are in need of 1.25L clear soft drink bottles for upcoming Science experiments such as these. If you can help, please collect some and drop them off at the SLC staffroom. Many Thanks!
Science Department

Another use for the plastic bottles– water filtration!

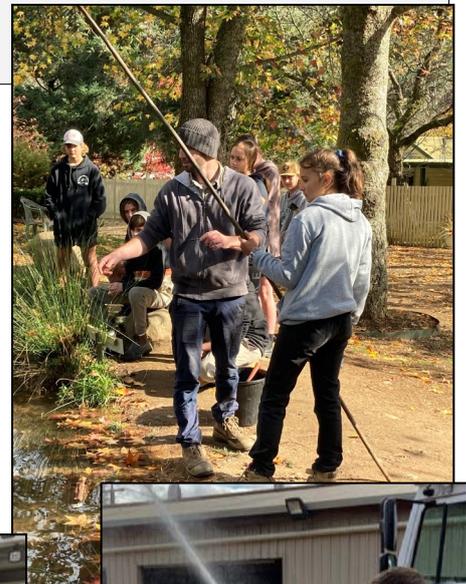

Careers Excursion Day

Last week we travelled to Mountain Fresh Trout & Salmon Farm and DEWLP. We were looking at different careers that are available in the aquaculture industry and also with Forestry. Most of us found it very interesting and would definitely visit each of these places again. Some of us are thinking that we might like to try work experience at these places.

At DEWLP we looked at some of the vehicles they use to fight fires and even had a go with some of the fire fighting equipment. At the trout farm we had a lot of close up views of the salmon and trout. We also observed some of the employees collecting eggs for caviar sales. We saw a variety of fish including: salmon, rainbow trout, golden trout (which were very valuable) and brown trout. Adam also taught us how to gut a fish; he could do it in eight seconds.

Clancy Crisp & Tai Avery

Talking about Maths..... with Ms Macrae

Well done to our hardworking mathematicians!

Congratulations to the following students from years 5-10 who are achieving a growth rate of 150% or more in their Maths Pathways tests so far this term. What an amazing effort!

A yearly growth rate of 150% in Maths Pathways indicates that the student is demonstrating 1.5 years of learning growth in one year.

Youth Advocacy for Bushfire Recovery

Do you want to lead change in your community and be heard by decision makers?

Our Youth Advocacy workshop informs and inspires young people to make change they are passionate about.

Using practical examples and learning various tips on engaging with your wider community, this workshop looks at how you can make change in your community.

Topics we cover

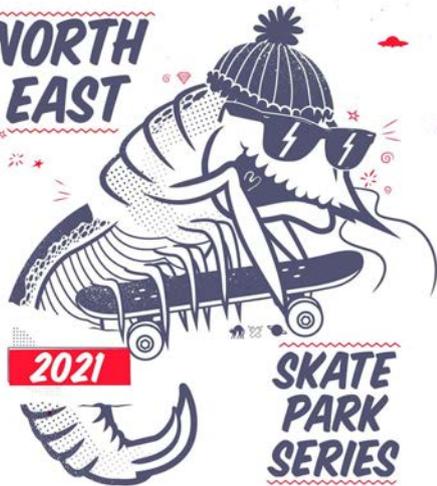

- What is advocacy?
- How to make good decisions and show leadership
- Strategies to help you overcome barriers
- How to engage your community
- Next steps for your advocacy journey
- Hear directly from the 2021 Rural Young Activators

When: Sunday 30 May 2021, 11am - 3pm
Where: The Bellevue, The Esplanade, Lakes Entrance
 Wangaratta Performing Arts Centre, 33 - 37 Ford Street
Cost: It's free, with free food and refreshments provided

By attending this training, we'll also give you a free ticket to YACVic's upcoming Reshape Our Future Youth Forum on Monday 31 May.

Register now: yacvic.org.au/bushfire-recovery

For any queries, contact Carla Hall, YACVic Rural Youth Projects
 Co-ordinator on chall@yacvic.org.au

Reading Helpers ...

Are you able to help in our quest to build strong readers? We know that providing opportunities for students to read daily significantly builds their confidence and skill.

We are looking to establish a team of parent helpers who are willing to listen to students read on a one-to-one basis across Prep-6. If you are free anytime between 9-10:30am and would like to know more, please contact Ladeane at Ladeane.Lindsay@education.vic.gov.au

We are more than happy to work around your availability and preferred days.

Reading helpers will need to provide a copy of their current Working With Children Card.

With thanks, Ladeane
